

Workshop Request Form

Thank you for your interest in CSURF's poster-making workshop. In order for us to best serve you, we ask you fill out the below form. When requesting a workshop, please keep in mind CSURF asks students who are printing for classroom purposes to turn in their posters *one week prior to the due date*. We also ask classrooms *limit posters to 10* at 38 x 26 inches, which means students may need to work in pairs or groups. Thanks for your understanding.
