- Housing and Residence Life

Nearly 93% of all first-year students live on campus and about 40% of the entire Seahawk community lives on-campus. There are lots of housing options to choose from. First-year students may also choose to take advantage of the opportunity to live in learning-living communities. For upperclassman students, apartment-style, all-inclusive on campus housing is available. While we encourage visitors to take advantage of their visit to its fullest, we unfortunately cannot accommodate visits to the residence halls. Please visit www.uncw.edu/housing for more detailed information regarding housing options including pictures and virtual tours. For students planning to live off-campus, UNCW’S PERCH at www.uncw.edu/PERCH offers resources for finding housing and staying connected.
