

FIRST THESIS COMMITTEE MEETING REPORT

This form must be submitted to the Graduate Coordinator prior to the end of the student's first semester in residence.

The purpose of the first committee meeting should be to discuss the general design of the student's thesis research project. Courses that the committee and student deem necessary for the student's program should be identified. Any remedial course work that the committee deems necessary should be specified, listed on the Graduate Degree Program form and in the space for comments below. The Graduate Degree Program form should be filled out and submitted to the Graduate Coordinator.
