

Summer Research Initiative  
Proposal Cover Sheet

Name \_\_\_\_\_

Department \_\_\_\_\_

Year of previous Summer Research Initiative or Summer Curriculum Development Initiative, if any:

Attach a proposal (not to exceed two pages), written for a multi-disciplinary audience, and include the following:

1. A specific and concrete description of the activities to be engaged in.
2. A brief statement of the applicant's preparation for the proposed initiative and of its significance/benefits.
3. A brief narrative budget.
4. The anticipated end product of the project (such as publication, a juried performance or exhibit, or teaching workshop for faculty).

Applicant's signature \_\_\_\_\_ Date \_\_\_\_\_

The applicant submitting this proposal is a full-time, nine-month, continuing, tenure-track faculty member who will not be teaching more than three credits during Summer I, and will not be receiving other salary during June. The proposed scope of activity is reasonable for the available time and should result in a significant research/creative work by this faculty member.
