

## MINORS

A student may elect a minor in any academic discipline listed below. The student must meet with the department chairperson or coordinator to define the requirements to complete the minor. Declaration of a minor or a certificate program is done in the Registrar's Office. (Minors in jazz studies and music should be declared in the music department.) Minors will be awarded at the same time as the baccalaureate degree. Upon completion of requirements and attainment of a degree, the minor will be posted on the student's academic transcript.
