

# ***UNCW Graduate Program in Chemistry***

***Dr. Robert J. Kieber***

*Graduate Coordinator*

UNCW Department of Chemistry and Biochemistry

So you think you might want to go to grad school but you're not sure? You know you want to go to grad school but can't decide between UNCW and other programs? I will present a 10 minute introduction to the MS in chemistry program at UNCW including application and degree requirements to help answer these important questions. This will be followed by a question and answer period where you can get additional information about the chemistry MS degree.
