Applications for the Rhodes, Marshall, and Mitchell and other scholarship programs that require institutional endorsement

The Rhodes and Marshall Scholarships to the UK, the Mitchell Scholarship to Ireland, and select other scholarships and fellowships require applicants to receive institutional endorsement of their candidacies. UNCW must formally nominate its applicants for these programs with a letter of endorsement, and all applicants seeking institutional endorsement must meet institutional deadlines and minimum GPA requirements. All students seeking that endorsement must contact the University’s Coordinator of Major Fellowships at least one month in advance of institutional deadlines for consultation about eligibility and requirements for these programs.

- For the Rhodes, Marshall, and Mitchell scholarships, applicants must have at least a 3.7 GPA to be considered for institutional endorsement as these programs are highly competitive and such a GPA should be considered a minimum mark for an application. For other fellowship and scholarship programs requiring institutional endorsement, a minimum institutional GPA may also be required.

- The institutional deadline for all application materials (all essays, forms, letters of recommendation, and transcripts) to be submitted to the UNCW Coordinator for Major Fellowships for Rhodes, Marshall, and Mitchell scholarships will be September 1.

- For any other scholarship or fellowship program requiring institutional support, applicants must submit completed applications (all essays, forms, letters of recommendation, and transcripts) to the Coordinator of Major Fellowships one month in advance of the scholarship or fellowship program’s submission deadline.

- These materials will then be considered by a faculty nominating committee, which will select the candidates to be put forward for institutional endorsement.

- Endorsed candidates and the Coordinator of Major Fellowships will then finalize all application and endorsement materials to be submitted by the scholarship or fellowship program deadlines.
