Summer Camp Cancellation & Refund Policy

No refunds will be given within 2 weeks prior to start date of your camp session. Any cancellations that take place after registration up to 2 weeks before camp starts will be charged a 25% cancellation fee. If you need to change dates (and space is available in another session during the current summer) there is also a \$25 processing fee.

To ensure that our camps are of the highest quality, we plan, schedule activities, and hire staff months before summer camp begins. Families typically book their camp months in advance. Therefore, last minute cancellations are particularly difficult for us to fill since most campers have already made other arrangements for the summer. Consequently, we cannot provide refunds if you cancel any time after 2 weeks prior to the start day of your camp session. Any cancellations that take place after registration up to 2 weeks before camp starts will be charged a 25% cancellation fee. If you need to change dates (and space is available in another session during the current summer) there is also a \$25 processing fee.

**Given extreme extenuating circumstances, MarineQuest will consider a petition for a potential refund.*

All cancellation requests must be made in writing or by phone with a confirmation e-mail.
