MAT Secondary Education

Student Learning Outcomes

Graduates of the MAT Secondary Education program will be expected to have demonstrated knowledge and proficiency in the following areas:

**SLO1:** Demonstrate breadth of content knowledge, as well as depth of content knowledge, in the selected discipline area necessary for effective instructional decision making.

**SLO2:** Demonstrate a well-articulated knowledge of leadership communities and issues that impact teaching in a high school setting.

**SLO3:** Demonstrate effective instructional practices including working with the developmental and learning needs of individuals, including adolescents with special needs and ESL/ELL populations.

**SLO4:** Establish a classroom climate conducive to the learning, social and emotional needs of adolescents.

**SLO5:** Choose objectives consistent with state and local curriculum guidelines, the learning needs of students, and guidelines established by learned societies.

**SLO6:** Demonstrate effective teaching using appropriate assessments and evaluative procedures, positive impact on student learning, self-reflection, and appropriate professional dispositions.
