

Bachelor of Arts Elementary Education

The University of North Carolina Wilmington, Onslow Extension Program, in partnership with the North Carolina Community College System, offers a Bachelor of Arts in Elementary Education that can be completed entirely in Jacksonville, NC.

Online and face-to-face courses are available and offered in Jacksonville at Coastal Carolina Community College and at the John A. Lejeune Education Center aboard Camp Lejeune. Area residents, military, and military dependents have access to these courses.

Career Opportunities in Elementary Education

The Watson School of Education is dedicated to the preparation of teachers and other professionals who work with elementary school children as well as promoting reading, language development, cognitive, and learning skills. The elementary education program leads to a Bachelor of Arts degree in elementary education and licensure to teach grades K-6.

UNCW Application Information

- Prospective students must meet criteria for admission to UNCW and must apply through the normal application process. View the admissions website www.uncw.edu/admissions for details.
- Students may transfer a maximum of 64 semester hour credits from two-year institutions or a maximum of 93 semester credit hours from four-year institutions.
- Students admitted to UNCW Extension degree programs, as extension transfer students, must have completed a minimum of 24 college credits (from any college in the North Carolina Community College System or other accredited institutions).
- Application deadline is **March 1** for Summer and Fall classes and **November 1** for Spring classes.

UNCW Watson School of Education Information

- You may obtain an application at <http://www.uncw.edu/ed/advising/documents/WSEfullApp.pdf>
- In addition to admission to UNCW, the Watson School of Education admissions requirements include:
 - A transfer student must earn a 2.70 GPA on a minimum of 12 hours completed at UNCW.
 - A passing score on teacher education entry test (PRAXIS I) specified and mandated by the North Carolina State Board of Education.
