RE: United Hospice Foundation Scholarship Program

To Whom It May Concern:

The United Hospice Foundation is offering three \$1,000 scholarships - one each to Nursing, Pharmacy and Rehab Students in Georgia, North Carolina and FL who have an interest in working in an end-of-life healthcare field upon graduation (hospice, nursing homes, assisted living facilities, etc.). Each scholarship recipient will be asked to maintain a "B" average and successfully complete an approved online training course on end of life care through Pruitt University. Most of these courses may be completed in an afternoon.

Please help us promote these scholarships to your students. Students may get a copy and more information about the Foundation on our web site at www.unitedhospicefoundation.org/scholarships.html. The application deadline for the Fall 2008-2009 school year is June 30, 2008.

If you have any questions, please do not hesitate to call me. I can be reached at 800-956-5354 or directly at 678-533-6462.
