How do I go about getting a prescription filled/refilled at UNCW that was written by my doctor at home?
Have the prescriber call the UNCW Pharmacy at (910) 962-3016, or fax the prescription to (910) 962-7016. We do fill Rx’s from outside prescribers, so long as the medication is on our formulary. In cases of non-formulary medications, we may be able to offer suggestions for formulary alternatives, or help network for community resources.

Can you fill prescriptions for ADD/ADHD medications on campus?
The UNCW Pharmacy does not stock any controlled substances. These prescriptions will need to be filled at a local drug store.

Can my student use his/her health insurance to pay for prescription drugs on campus?
The UNCW Pharmacy does not contract with any insurance companies to bill directly. We provide receipts & print outs for reimbursements & filing insurance claims if needed.

How can students pay for medications on campus?
