This is the same pricing program of companies and organizations that do business directly with Ford Motor Company, which can save you thousands of dollars towards the purchase of your next new vehicle. Additionally, you will receive all current public rebates! Pre-owned vehicles are not eligible for X-Plan Pricing; however Capital Ford Lincoln Mercury of Wilmington offers special discounted prices on pre-owned vehicles to those eligible for the X-Plan Pricing program. With the X-Plan Pricing Program you may trade your current vehicle and negotiate the value at the time of your purchase.
