

UNIVERSITY OF NORTH CAROLINA WILMINGTON

CHARLES A. MAIMONE
Vice Chancellor

July 1, 2008

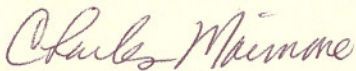

Dear Contractors:

Thank you for your interest in the University of North Carolina Wilmington construction activities. UNCW is committed to the equal and increasing opportunity for Historically Underutilized Businesses to access all aspects of its construction program. We seek to include those businesses owned by minorities that have been historically underrepresented and oftentimes excluded from the prime contractor and/or subcontractor market.

I would like to express our commitment to assist you in understanding and meeting the necessary expectations, as well as demonstrating your willingness to comply with the university's guidelines for participation in the construction process.

Resources are available to assist you, and we encourage you to take full advantage of the tools from both the State and the university. Please contact Cheryl Sutton, UNCW HUB Coordinator, at 910.962.7597 or e-mail at suttoncd@uncw.edu for more detailed information about the university's efforts.

Sincerely,

Charles A. Maimone
