

Avaya 6408D+ Display Telephone Set

Features Include:

- Phones provide 8 programmable Call Appearance/Feature buttons, plus four "Navigator" keys for Menu, Next, Previous, and Exit.
- Provides a 2-line 24-character LCD that shows Called Party/Calling, Party ID (where available), date and time.
- Group Paging Feature to allow everyone you need to reach to hear your message at the same time, like a public announcement.
- Group Listening - Others can participate in listening without interrupting the call.
- Provides Whisper Paging Feature, letting a second call get through while you are on a call.
- Telephones have four "Soft Keys" for menu functions, plus 12 "Soft Key" default features, with access to 18 alternative "Soft Key" features (to a maximum of 12 per telephone set).
- Also provides a built-in 2-way speakerphone, and eight personal ring options.
- Internal Self Test to minimize the need for assistance.
- Call Timer to see the length of your call.
- Conference.
- Transfer.
- Hold.
- Mute.
- Volume Control.

- Last Number Dialed.
- Wall Mountable.
- Message Waiting Light
