Checklist of requirements for renewal of
NURC/UNCW Temporary Diver Authorization

To maintain or renew your diving authorization with NURC/UNCW you must complete all of the following steps:

1. Complete or have a current AAUS diving physical examination on file at NURC.
2. Submit an annual diver resume update.
3. Complete twelve (12) Openwater dives per year, and log at least one (1) every six (6) months. If your diving interval has lapsed, you will need to complete a requalification dive with a NURC/UNCW staff diver.
4. Submit a photocopy of current CPR and First Aid Certification.
5. Submit proof of emergency oxygen administration training.
