

## R/V WILDCARD

**APPLICATION:** The R/V Wildcard is a medium sized, fast, multi-purpose research vessel used to support near-shore, single-day diving operations in and out of Key Largo, Florida.

**DESCRIPTION:** The R/V Wildcard is a 35-foot Viking open sportfisherman. It is a USCG designated research vessel used to support day operations in the Florida Keys region (leave and return within 12 hours) including wet diving, ROV, and surface-deployed research. The vessel is capable of carrying 9 passengers at a cruising speed of 20 knots. The boat is climate controlled and outfitted with GPS/Loran, colorscope, fathometer, digital and chart recorder, VHF radios, radar, 4.4kw generator, marine head, refrigerator, and dive platform.
