Our powerful academic experience stimulates creative inquiry, critical thinking, thoughtful expression and responsible citizenship in an array of high-quality programs at the baccalaureate and master's levels, and in selected doctoral programs responsive to state and regional needs. Substantial research activity, combined with our hallmark teaching excellence and moderate size, advances distinctive student involvement in faculty scholarship. We are committed to diversity and inclusion, affordable access, global perspectives, and enriching the quality of life through scholarly community engagement in such areas as health, education, the economy, the environment, marine and coastal issues, and the arts.

(Statement adopted by the UNCW Board of Trustees on October 24, 2008)

University Statement of Academic Expectations for Students

In choosing UNCW, you have become part of our community of scholars. We recognize that the UNCW learning experience is challenging and requires hard work. It also requires a commitment to make time available to do that hard work. The university expects you to make academics your highest priority by dedicating your time and energy to training your mind and acquiring knowledge. Academic success in critical thinking and problem solving prepares you for the changes and challenges you will encounter in the future. Our faculty and academic support resources are readily available as partners in this effort, but the primary responsibility for learning is yours.

Statement on Diversity in the University Community

In the pursuit of excellence, UNC Wilmington actively fosters, encourages, and promotes inclusiveness, mutual respect, acceptance, and open-mindedness among students, faculty, staff, and the broader community. Diversity is an educational benefit that enhances the academic experience and fosters free exchange of ideas from multiple perspectives. Diversity includes, but is not limited to race, sex, age, color, national origin (including ethnicity), creed, religion, disability, sexual orientation, political affiliation, veteran's status, gender, educational disadvantage, socio-economic circumstances, language, and history of overcoming adversity.

For more information concerning ways in which our multicultural learning community may be nurtured and protected or complaint resolution procedures, contact the Office of Institutional Diversity and Inclusion, the Office of the Dean of Students or the Office of Human Resources.

Reaffirmation of Commitment To Equal Educational and Employment Opportunity

The University of North Carolina Wilmington is committed to and will provide equality of educational and employment opportunity for all persons regardless of race, sex (such as gender, marital status, and pregnancy), age, color, national origin (including ethnicity), creed, religion, disability, sexual orientation, political affiliation, veteran status or relationship to other university constituents—except where sex, age, or ability represent bona fide educational or occupational qualifications or where marital status is a statutorily established eligibility criterion for state-funded employee benefit programs.

This affirmation is published in accordance with 41 CFR Part 60 and is implemented in accordance with Title VII and Title IX of the Civil Rights Act of 1964, as amended; Executive Order 11246; the Age Discrimination in Employment Act of 1967, as amended; the Rehabilitation Act of 1973; the Americans with Disabilities Act of 1990; the Vietnam Era Veterans' Readjustment Assistance Act of 1974; the Civil Rights Restoration Act of 1988; and NC General Statutes Chapters 116 & 126.

To ensure that equal educational and employment opportunity exists throughout the university, a results-oriented equal opportunity/affirmative action program has been implemented to overcome the effects of past discrimination and to eliminate any artificial barriers to educational or employment opportunities for all qualified individuals that may exist in any of our programs. The University of North Carolina Wilmington is committed to this program and is aware that with its implementation, positive benefits will be received from the greater utilization and development of previously under-utilized human resources.

PREFACE

The *Code of Student Life* outlines the rights and responsibilities and expected levels of conduct of students in the university community and the greater Wilmington community. The purpose of the rules outlined is to prevent abuse of the rights of others and to maintain an atmosphere in the university community appropriate for an institution of higher education. The *Code of Student Life* will help student organizations and members of the university desiring to use university facilities gain a better understanding of responsibilities of various boards and committees and understand student rights and responsibilities. Sections in the *Code* cover academic concerns (grievances and standards) and student conduct and appeals.

The *Code of Student Life* is published annually. Interpretations of sections within the *Code* may be requested by contacting the vice chancellor for student affairs.

Rules included in the *Code* are subject to amendment or revision. Any member of the university community may submit amendments or revisions to the vice chancellor for student affairs for consideration. The vice chancellor for student affairs may also ask the Student Affairs Committee, a standing advisory committee of the Faculty Senate, to make recommendations. The vice chancellor for student affairs will then make his/her recommendations to the chancellor for final consideration.

Students at the University of North Carolina Wilmington are subject to, and enjoy the protections of, the Constitution and laws of the United States and of North Carolina, as well as the *Code of the Board of Governors of the University of North Carolina* and relevant policies of the Board of Governors and of the Board of Trustees of the University of North Carolina Wilmington. This *Code of Student Life* is interpreted by reference to these sources of law. The following sections of the *Code of the Board of Governors* should be noted especially:

Section 600.

Freedom and Responsibility in the University Community.

- (1) The University of North Carolina is dedicated to the transmission and advancement of knowledge and understanding. Academic freedom is essential to the achievement of these purposes. The university therefore supports and encourages freedom of inquiry for faculty members and students, to the end that they may responsibly pursue these goals through teaching, learning, research, discussion and publication, free from internal or external restraints that would unreasonably restrict their academic endeavors.

- (2) The university and each constituent institution shall protect faculty and students in their responsible exercise of the freedom to teach, to learn and otherwise to seek and speak the truth.
- (3) Faculty and students of the University of North Carolina shall share in the responsibility for maintaining an environment in which academic freedom flourishes and in which the rights of each member of the academic community are respected.

Section 608.

Students' Rights and Responsibilities.

- (1) The University of North Carolina affirms that the first goal of each constituent institution is to educate the students admitted to its programs. The freedom of students to learn is an integral and necessary part of the academic freedom to which the University and its constituent institutions are dedicated. Each constituent institution shall provide, within allotted functions and available resources, opportunity for its students to derive educational benefits through developing their intellectual capabilities, encouraging their increased wisdom and understanding, and enhancing their knowledge and experience applicable to the effective discharge of civic, professional, and social responsibilities. No constituent institution shall abridge either the freedom of students engaged in the responsible pursuit of knowledge or their right to fair and impartial evaluation of their academic performance.
- (2) All students shall be responsible for conducting themselves in a manner that helps to enhance an environment of learning in which the rights, dignity, worth and freedom of each member of the academic community are respected.
- (3) In applying regulations in the area of student discipline, each constituent institution shall adhere to the requirements of due process as set forth in Section 502 D(3) of this *Code*.

Section 502 D(3).

Relation of the Chancellor to the Constituent Institutions.

Subject to any policies or regulations of the Board of Governors or of the board of trustees, it shall be the duty of the chancellor to exercise full authority in the regulation of student affairs and student conduct and discipline. In the discharge of this duty, delegation of such authority may be made by the chancellor to faculty committees and to administrative or other officers of the institution or to agencies of student government, in such manner and to such extent as may by the chancellor be deemed necessary and expedient. In the discharge of the chancellor's duty with respect to manners of student discipline, it shall be the duty of the chancellor to secure to every student the right to due process. Appeals from these disciplinary decisions are allowable only on the following grounds: 1) a violation of due process; or 2) a material deviation from

Substantive and Procedural Standards adopted by the Board of Governors. Where the sanction is suspension or expulsion, an appeal may be made to the board of trustees. No appeal to the president is permitted. When the sanction is expulsion, the final campus decision is appealable to the Board of Governors.

Students have the right to enjoy a university environment free of unlawful discrimination, including sexual harassment. In all institutional relationships, the university expects its employees and students to show discretion and civility and to treat each other with equality and dignity. Discriminatory behavior, including sexual harassment of students by any university employee — faculty or staff — is a violation of both state and federal law and university policy. (See University Policy 02.200 & 02.210.)

SECTION I

THE UNCW STUDENT ACADEMIC HONOR CODE

POLICY 04.100

I-1. THE UNCW STUDENT ACADEMIC HONOR CODE

The University of North Carolina Wilmington is a community of high academic standards where academic integrity is valued. UNCW students are committed to honesty and truthfulness in academic inquiry and in the pursuit of knowledge. This commitment begins when new students matriculate at UNCW, continues as they create work of the highest quality while part of the university community, and endures as a core value throughout their lives.

I-2 THE UNCW HONOR PLEDGE

All students enrolled at UNCW are subject to the UNCW Student Academic Honor Code (hereafter referred to as the Honor Code), which is intended to help every member of the UNCW community appreciate the high value placed on academic integrity and the means that will be employed to ensure its preservation. Students are expected to perpetuate a campus culture where each student does his or her own work while relying on appropriate resources for assistance. In such a climate students enjoy a special trust that they are members of a unique community where one's thoughts and words are attributed correctly and with proper ownership, and where there is little need for systems to sanction those who cheat. As such, all UNCW students shall commit to the principles and spirit of the Honor Code by adhering to the following pledge:

“As a student at The University of North Carolina Wilmington, I am committed to honesty and truthfulness in academic inquiry and in the pursuit of knowledge. I pledge to uphold and promote the UNCW Student Academic Honor Code.”

I-3 GUIDELINES IN SUPPORT OF THE HONOR CODE

Disciplinary action will ensue when students fail to align themselves with the ideals and expectations outlined in the Honor Code. The following guidelines are designed to educate students about the types of academic dishonesty, the roles that the university community has in upholding the Honor Code, the procedures used to report and adjudicate alleged offenses, and the limitations on withdrawals and repeating courses in the event of academic dishonesty. Because the university takes a holistic approach to addressing student misconduct, both of an academic and non-academic nature, incidents involving students with prior findings of responsibility for academic dishonesty or serious non-academic misconduct (typically denoted by the status of “disciplinary probation”) will be referred to the Academic Honor Board.

A. ACADEMIC DISHONESTY OFFENSES

No form of academic dishonesty is tolerated in our community. Academic dishonesty is broadly defined as attaining academic goals by deception, and includes but is not limited to attempted or completed offenses as follows:

1. CHEATING

Cheating is deception implying that work in fulfillment of course or degree requirements represents a student's own level of knowledge when it actually does not. Common examples of cheating include:

- a. Any conduct during a program, course, quiz or examination which involves the unauthorized use of written or oral information, or information obtained by any other means of communication. Students are expected to consult with their instructors for clarification on whether assignments may be conducted jointly with other students, and whether they may submit a paper previously written and submitted as work in another class. In the absence of approval for joint work, the expectation is that students will conduct their own work and research both outside and within the classroom environment (not including authorized assistance and sanctioned university resources such as the University Learning Center).
- b. The unauthorized acquisition, buying, selling, trading or theft of any examination, quiz, term paper or project.
- c. The unauthorized use of any electronic or mechanical device during any program, course, quiz or examination, or in connection with laboratory reports or other materials related to academic performance.
- d. The unauthorized use of laboratory reports, term reports, theses, or written materials in whole or in part.
- e. The unauthorized assistance or collaboration on any test, assignment, or project.
- f. The unauthorized use by a student of another person's work, or the falsification of any other person's work, or writing another person's work for them to submit.
- g. Bribery, including but not limited to the offering, giving, receiving or soliciting of any consideration in order to obtain a grade or other treatment not otherwise earned by the student through his/her own academic performance.
- h. Any form of lying or furnishing false information to a professor, administrator or staff member acting in performance of their duties (including taking an exam for another student).

2. PLAGIARISM

Plagiarism is the copying of language, phrasing, structure, or specific ideas of another and presenting any of these as one's own work, including information found on the Internet. Common examples of plagiarism include but are not limited to:

- a. Reproducing someone else's work without quotation marks or proper attribution and submitting it as your own.
- b. Paraphrasing or summarizing another's work without attribution or acknowledgement of the source and submitting it as your own.
- c. Deliberate attribution to a source from which the referenced material was not in fact derived.
- d. Failing to cite a source for ideas or information.

B. RESPONSIBILITY OF THE UNIVERSITY COMMUNITY

1. GENERAL RESPONSIBILITY

It is the responsibility of every faculty member, student, administrator and staff member of the university community to uphold and maintain the highest academic standards and integrity of the university. Any member of the university community who has reasonable grounds to believe that an infraction of the Honor Code has occurred has an obligation to report the alleged violation to the faculty member teaching the class who, in turn, must report the allegation to the Office of the Dean of Students. This obligation is a core value of the Honor Code, and must be fulfilled by each and every member of the university.

2. STUDENT RESPONSIBILITY

UNCW students affirm their adherence to the Honor Code by signing an Honor Pledge after enrolling at the university; thereafter, each student must conform to the Honor Code at all times. The absence of signing the pledge does not excuse students from their obligation to read, practice and be held accountable to the rules and spirit of the Honor Code. Students who observe or suspect an Honor Code violation are to notify the instructor in whose course the alleged infraction occurred.

3. RESPONSIBILITY OF INDIVIDUAL INSTRUCTORS

Instructors should remind their students of the Honor Code during the first week of classes and include Section I of the Honor Code and the Honor Pledge in their syllabi. In addition to discussing the Honor Code with students, instructors should clarify whether and to what degree students are permitted to collaborate on assignments; use laptops, cell phones, and other electronic media in class; and submit papers that they have submitted or intend to submit for another course. While all students are bound by the Honor Code through either a signed pledge or by virtue of enrollment at UNCW, instructors have the option of including the Honor Pledge on examinations and requiring students to include a signed pledge with submitted work. Each instructor is obligated to report

allegations of academic dishonesty, upon discovery, to the Office of the Dean of Students.

4. RESPONSIBILITY OF ACADEMIC AFFAIRS

The Division of Academic Affairs is responsible for advising all new university faculty and academic administrative staff regarding the Honor Code. The provost or designee shall have the right to hear an expedited student case as requested by the Office of the Dean of Students, and to hear appeals for students suspended as a result of Honor Code infractions (consistent with procedures outlined in the sections of the *Code of Student Life* labeled “Appeal of Administrative Action” or “Appeal of a Campus Conduct Board decision”).

5. RESPONSIBILITY OF THE OFFICE OF THE DEAN OF STUDENTS

The Office of the Dean of Students is responsible for overall education of the university community on the Honor Code; for advising all current university faculty, administrative staff, personnel and students of the Honor Code; and for collecting signed Honor Pledges. In consultation with the Faculty Senate, the Office of the Dean of Students will see that the Honor Code and any amendments or changes approved by the Faculty Senate and the UNCW administration are published and promulgated annually. The Office of the Dean of Students shall also receive and maintain comprehensive records of all matters relating to violations of the Honor Code; therefore, faculty must consult with the Office of the Dean of Students upon making or receiving a complaint of any Honor Code infraction.

C. REPORTING AND ADJUDICATION PROCEDURES

1. A reported infraction of the Honor Code shall be reported, preferably in writing, to the instructor of the course in which it occurred. Such a report shall be made within five business days from the time of discovery, unless extenuating circumstances prevent reporting.
2. A suspected infraction of the Honor Code may be reported by:
 - a. the student committing the infraction; or
 - b. any member of the university community observing the alleged infraction; or
 - c. any individual who has credible and reliable information that an infraction may have occurred.
3. Upon receiving a report of an alleged Honor Code infraction, the instructor shall consult with the Office of the Dean of Students to discuss appropriate procedures and protection of student rights, and to determine whether the case shall be heard by the faculty member, the Office of the Dean of

Students or the Academic Honor Board. Any student with a prior finding of responsibility for an Honor Code offense or students with a history of serious non-academic misconduct (typically consistent with the status of “disciplinary probation”) will be referred to the Academic Honor Board for resolution.

4. If the student has no prior Honor Code offenses and no history of serious non-academic misconduct, the faculty member will meet with the student to inform the student of the allegation of academic dishonesty and explain to the student their options, as follows:

- a. If the student admits the infraction, the faculty member must either propose a settlement by private resolution OR refer the case to the Office of the Dean of Students (without assigning a grade until after being informed of the final outcome of the case). The dean/designee will proceed as outlined in Section I-3-C-6.
- b. If the faculty member decides on proposing a settlement by private resolution, proposed penalties should accord with the severity of the offense. Penalties can range from a failing grade on the work in question to a failing grade in the course.¹ The chairperson of the department in which the faculty member teaches may be consulted for assistance in reaching a settlement. If the penalty proposed by the instructor is acceptable to the student, the case can be resolved by providing notification to the department chair and to the dean of the college/school in which the faculty member teaches, and must be copied to the Office of the Dean of Students for inclusion in the student’s disciplinary record.

5. If the student does not admit the infraction, the faculty member must either:

- a. Refer the case to the Office of the Dean of Students (without assigning a grade). The dean/designee will proceed as outlined in Section I-3-C-6; OR
- b. Decide not to pursue the accusation(s) due to lack of evidence, whereupon he/she shall inform the reporting party of this decision within five days and also inform the Office of the Dean of Students.

6. All cases referred to the Office of the Dean of Students will result in an honor hearing. If the student has no prior Honor Code offenses, the student shall choose a hearing either before the dean of students (or designee) or before the

¹ The assigned grade of “F” to a graduate student will result in ineligibility to continue in the Graduate School.

Academic Honor Board. Based on the nature and scope of the alleged infraction, the dean of students (or designee) may elect not to hear a case and to forward it directly to the Academic Honor Board. If the student has one or more prior Honor Code infractions or a history of serious non-academic misconduct, the case shall be heard by the Academic Honor Board. During a pre-hearing interview, the Office of the Dean of Students will provide each student respondent the opportunity to accept responsibility for the alleged offense and to accept a penalty appropriate for the offense without proceeding to the Academic Honor Board. If the student accepts the sanction, authority to determine the course grade resides with the instructor; however, an assigned grade of “F” for the course is generally appropriate for an Honor Code offense. If the student disagrees with the sanction, the case shall be heard by the Academic Honor Board.

7. When hearing a case involving an undergraduate student, the UNCW Academic Honor Board shall be comprised of four undergraduates, one faculty member from the Campus Conduct Board, and one additional faculty member from a different UNCW college or school than that in which the infraction occurred, as referred by the academic dean and appointed by the Office of the Dean of Students (consistent with appointment procedures outlined in the *Code of Student Life* section entitled “Selection”). A fully comprised council constitutes a quorum.

8. When hearing a case involving a graduate student, the UNCW Academic Honor Board shall be comprised of four graduate students from the current Graduate Student Association or assigned by the Graduate School, one faculty member from the Campus Conduct Board, and one additional faculty member appointed by the Dean of the Graduate School. A fully comprised council constitutes a quorum.

9. The outcome of an Academic Honor Board hearing is either a “responsible” or “not responsible” decision. If the student is found “responsible” for the charge, penalties shall be imposed according to the severity of the offense and made in consideration of whether it is the student’s first offense. The sanction of disciplinary probation is typical for a first Honor Code offense, although any sanction outlined in Section II-4 of the *Code of Student Life*, up to and including suspension, may be assigned. The appropriate sanction for any student proven to be a repeat offender is suspension from UNCW. Authority to determine the course grade resides with the instructor; however, an assigned grade of “F” for the course is generally appropriate for an Honor Code offense (see footnote one regarding the impact of an “F” for graduate students).

10. A student found responsible for an Honor Code offense may appeal the decision in accordance with appeals procedures outlined in the *Code of Student Life* (Section II-2-H for decisions made by the dean of students or designee, or

II-3-D for decisions made by the Academic Honor Board). For Honor Code appeals, the provost or designee is designated to serve in place of the chancellor for the purpose of deciding appeals.

11. The provost or designee, at his/her sole discretion, shall have the right to order an expedited review of the student's case. In such circumstances, the provost or designee shall sit as a hearing officer in lieu of the Academic Honor Board or the dean of students. This expedited hearing procedure shall be used only in emergency circumstances as identified by the provost or designee at his/her sole discretion. The decision of the provost/designee in such expedited proceedings shall constitute a final decision of the student's responsibility or non-responsibility, except in cases where suspension is the sanction, in which case the student may appeal to the Board of Trustees.

D. WITHDRAWALS AND REPEATS

1. Once a student is alleged to have violated the Academic Honor Code, the student will be prohibited from withdrawing from the course. Should a student withdraw from the class, the grade of "W" will be considered temporary pending the final resolution of the case, which may lead to the designation of a grade in place of the "W."

2. A failing grade posted as a penalty for an admitted or adjudicated Honor Code offense shall not be replaced if the course is repeated. Both the penalty grade and the new grade shall appear on the student's transcript and count in the student's grade point average (see footnote one regarding the impact of an "F" for graduate students).

Revised May 5, 2009

SECTION II STUDENT CONDUCT AND APPEALS

II-1 STUDENT STANDARDS OF CONDUCT

Students share in the responsibility for maintaining an environment in which the rights of each member of the academic community are respected. When asked to report to any university office, a student is expected to appear at the time specified or to arrange another appointment. The university conduct system is a cumulative process; consequently, any student found responsible for violating the *Code of Student Life* may expect a more significant sanction in relation to the severity of the offense(s) and/or in relation to being found responsible on multiple occasions. All students and their guests shall be responsible for conducting themselves in a manner that helps to enhance an environment of learning in which the rights, dignity, worth and freedom of each member of the

academic community are respected. (See Section 600(3) and 608(2) of the *Code of the Board of Governors*, quoted in full in the preface to this *Code*.)

In accordance with the Family Educational Rights & Privacy Act (FERPA), upon full participation in university orientation, an individual is considered a UNCW student in attendance and shall maintain that status unless an official university withdrawal is submitted. Students with pending non-academic charges will not be allowed to formally withdraw from the university until the disciplinary process has been completed and recorded.

A. OFF-CAMPUS RELATIONSHIP STATEMENT

The mission of the university is teaching, research and community service. Inherent in this mission is the responsibility of the university to educate its students to be responsible, civic-minded citizens. As a university, we value our relationship with the surrounding community and realize we have a tremendous social, cultural and economic impact on the greater Wilmington community.

Policy setting and enforcement (discipline) are ways of educating students. In fulfilling our responsibilities to “discipline” students, the university is guided by common law and constitutional law. By law, our students are citizens subject to the rights as well as the responsibilities of community living.

If individual students are identified and cited by staff, faculty or other students for violating state and/or university policies on campus, they are subject to the formal disciplinary process of the university and/or appropriate legal action.

If individual students are identified and reported by community members for breaking the law, the university supports appropriate law enforcement officials taking necessary judicial action. If these students are reported to university officials, the university will intervene on an informal basis. “Informal” intervention will involve individual student(s) or student organization leader(s) being referred to the dean of students or designee for discussion of the incident.

Off-campus behavior which may significantly impact the mission or the safety of the university community may be subject to formal university disciplinary action.

B. OFFENSES

Notwithstanding actions taken by civil authorities or private litigants, the vice chancellor for student affairs or his/her designee may initiate disciplinary proceedings as outlined in Section II-2 and/or Section VI-8 against a student or group who violates or attempts to violate this *Code* or other applicable rules, including the following:

1. Damages, defaces, alters, destroys or misuses university property or property belonging to a member of the university community or a visitor to the campus.
2. Takes, purchases, or possesses university property and/or services or property of any other person without expressed permission or authority.
3. Illegally possesses and/or uses a drug or narcotic. Students are expected to abide by local ordinances, state laws and federal laws regarding the consumption or possession of drugs (see Section V & State Law I).
4. Sells or intends to manufacture drugs (see Section V & State Law I).
5. Illegally possesses and/or uses drug paraphernalia (see Section V & State Law I).
6. Possesses firearms on university property or at an event sponsored or supervised by the university or any recognized university organization (see State Law II).
7. Possesses weapons, other than firearms, on university property or at an event sponsored by the university or any recognized university organization (see State Law II).
8. Conducts himself/herself in a manner that significantly interferes with the teaching, learning or operations of the university
9. Conducts himself/herself in a manner that significantly endangers the health or safety of self or others.
10. Tampers with fire equipment, including fire alarms, on the UNCW campus as stated in North Carolina General Statute 14-286 (see State Law III).
11. Sets a fire in or on university property, including, but not limited to, property as stated in North Carolina Statute 14-60 (see State Law III).
12. Possesses or uses any explosive device, including, but not limited to, firecrackers, cherry bombs, bottle rockets and dynamite.
13. Possesses or uses an alcoholic beverage in violation of state law and/or fails to abide by university policy on consumption and advertising of alcoholic beverages (see University Policy 05.303 and 05.304).
14. Is visibly overcome by alcohol.

a preliminary investigation, normally a determination of whether or not to pursue the charge will be made within 30 calendar days. Reasonable extensions of this time are permissible. The dean/designee may:

1. Find no basis for the complaint and dismiss the allegation as unfounded, or
2. Summon the student for a conference (see Section II-2-G) and then either dismiss the allegation, or
3. Proceed administratively by informing the student of the following options for resolution of the disciplinary charges:

If a student requests an administrative hearing before the dean of students/designee, the dean of students/designee is required to forward the student written notice of the time and place of the hearing to the accused at least five (5) business days prior to the hearing. The student may waive all or part of the five (5) business days written notice requirement. All waivers shall be executed in writing.
2. A student choosing an administrative hearing before the dean of students/designee has a right of appeal to CCB and then to the chancellor.
3. If a student chooses a hearing before CCB and is cited for an additional violation(s) in the interim, the student then forfeits the right to a CCB hearing and an administrative hearing will be conducted on all charges.

F. RESPONSIBILITY OF THE OFFICE OF THE DEAN OF STUDENTS/DESIGNEE TO ACCUSED STUDENT

If the student chooses an administrative hearing, the dean of students/designee shall provide him/her:

1. written notice of the charge(s) and an outline of student rights. In the event that additional charges are brought, further written notice must be forwarded to the student. These notices are sent via e-mail and certified mail to the student's campus post office box (pursuant to Section II-2-A).

6. written notice of time and place of the hearing forwarded to the accused at least five (5) business days prior to the hearing. The formal hearing will not be held less than five (5) business days from the date of the original charge letter, unless the student charged waives this five (5) day time limit in writing.
7. prior to a hearing in cases which may involve suspension, the charged student is entitled to a written notice of the charge(s) including possible sanctions, review of all available information, documents, exhibits, a list of witnesses that may testify against him/her and an outline of student rights. This notice will be sent via e-mail and certified mail (pursuant to Section II-2-A).

2. The charge letter shall direct the student to appear at a specified time and place not less than three (3) business days later. The letter shall also describe briefly the alleged violation(s).
3. If the charged student fails to respond to a charge letter and the required pre-hearing interview, the charged student forfeits the options in Section II-2-D-3, and will be notified by email and certified letter to their campus post office box (when applicable), sent five (5) business days before a hearing before the dean of students/designee or, at the option of the dean of students, the CCB. At this hearing, a decision of responsible or not responsible will be made based on available information, with or without the charged student. If the student fails to attend the hearing, all allegations against the student shall be deemed to be denied. When appropriate, a sanction will be determined and the student will be notified in writing (pursuant to Section II-2-A).

H. APPEAL OF ADMINISTRATIVE ACTION

The charged student may request an appeal to CCB within forty-eight (48) hours after notification of the original decision. Original sanctions (with the exception of summary suspension) are normally put into effect only after CCB makes a decision.

1. Procedure
 - a. The function of CCB in hearing an appeal is that of reviewing the action of the administrative hearing officer to determine if:
 - (1). An alleged violation of the rights guaranteed the charged student has occurred;
 - (2). The sanction is too severe for the violation; or

- (3). New evidence has developed which has bearing on the outcome.
- b. CCB shall receive the petition from a student choosing to appeal the decision of an administrative hearing. Such petition shall be submitted in writing to the chair of CCB through the Office of Dean of Students explaining in detail the reasons for the student's appeal and specifying the ways in which he/she believes the procedures or actions of the administrative hearing officer have violated the standards outlined in Section II-2.
 - c. Upon receiving a petition, CCB shall obtain the record of the administrative hearing officer. Such record shall include relevant documents and a written statement by the hearing officer. Such statement in the case of administrative action shall summarize the case and the reasons supporting the disciplinary decision.
 - d. With this information, CCB shall decide whether an appeal hearing is warranted. This decision is based on one or more of the three options for an appeal outlined in Part H-1-a above. It shall notify the petitioner in writing of its decision within seven (7) business days after receiving the student's petition.
 - e. If CCB determines that a hearing should be granted, that hearing shall be held within seven (7) business days of such determination and notification shall be given in writing at least three (3) business days prior to the date set for the hearing, specifying time and place of the hearing and informing the student of his/her rights as outlined in Section II-3-C. If a student chooses to waive the seven (7) business day notice and other requirements as stated in this section, an immediate appeal hearing may be heard.
 - f. CCB shall invite the appellant, the concerned administrative hearing officer, and such other persons as it deems appropriate to appear before the Board to make statements and respond to questions. The student and administrative hearing officer may request the Board to invite persons to testify if there is new evidence. CCB follows regular hearing procedures in appeal cases, if it elects to hear new evidence.
 - g. No member of CCB shall be a party to any prior investigation or witness in the case nor should any member be placed in the position of developing or prosecuting the case.
 - h. After the hearing is concluded, CCB shall go into executive session to reach a decision.
 - i. CCB has the authority to approve, reject or modify the decision in question consistent with this *Code*. The decision of CCB may be appealed to the chancellor as outlined in Section II-3-D.

Prompt notice of the decision of CCB shall be given. Any appeal of this decision must be in writing and presented within forty-eight (48) hours after notification of the decision.

I. SUMMARY SUSPENSION

1. Summary suspension is an action requiring that a student immediately leave the campus and university property. It may be imposed upon a student by the vice chancellor for student affairs or designee when there is reasonable cause to believe, based on available facts, that the student is an immediate threat to the safety of him/herself, other members of the university community or university property, or is disruptive without relief to the university community.
2. Any student who is suspended on a summary basis and returns to the campus and university property during the suspension shall be subject to further disciplinary action and may be arrested for criminal trespass. Permission to be on campus for a specific purpose (e.g., to take an exam, to consult with the dean of students or to participate in the disciplinary procedures against him/her) may be granted by the dean of students or his/her designee and requires 24 hour advance notice.
3. When a student is suspended on a summary basis, he or she is given notice containing the reasons for suspension, the duration and any conditions that apply, and a copy of the *Code of Student Life*. A student notified of such summary suspension may, within ten (10) business days of the written notice of suspension, request through the dean of students/designee a regular hearing before CCB to determine the responsibility or non-responsibility of the student charged and the appropriate sanction and whether the conditions of the summary suspension should continue. A regular hearing, where normal procedures apply, before CCB or the Committee on Extraordinary Disciplinary Emergencies, shall normally be conducted within five (5) business days of the student's request for a hearing.

Pursuant to the Campus Security Act, in cases of alleged sexual assault, the accuser and the accused are entitled to have the same opportunities to have an advisor present during a disciplinary proceeding.

5. **ADMINISTRATIVE ORDER OF NO CONTACT**

When, based on campus or external incident/police reports, the university is made aware that two or more students may pose a nuisance to the peace of the community by harassing or threatening one another, as evidenced by concerns reported by other students or the faculty or administration, and independent of any protective orders placed by a judge or magistrate, the Office of the Dean of Students may impose a mutual "Order of No Contact" between two or more students in order to maintain peace within the community. Students issued an "Order of No Contact" may by no means communicate with, directly or indirectly, a student listed by the university. Failure to comply with a university "Order of No Contact" will result in disciplinary action taken by the university.

 - (3) New evidence has developed which has bearing on the verdict.
- b. The chancellor shall receive the petition from a student choosing to appeal the decision of CCB. Such petition shall be submitted in writing to the chancellor through the vice chancellor for student affairs explaining in detail the reasons for the student's appeal and specifying the ways in which he/she believes the procedures or actions of CCB have violated the standards outlined in Section II-3.
- c. Upon receiving a petition, the chancellor shall obtain the record of the CCB. The record shall include relevant documents, the decision of hearing including a case summary, and rationale for supporting the decision.
- d. With this information, the chancellor, or in his/her absence the vice chancellor for student affairs, shall decide whether an appeal hearing is warranted. This decision is based on the three options for an appeal outlined in Part D-1-a above. He/she shall notify the petitioner in writing of his/her decision within seven (7) business days after receiving the student's petition.
- e. If the chancellor, or in his/her absence the vice chancellor for student affairs, determines that a hearing shall be granted, that hearing shall be held within seven (7) business days of such determination and notification shall be given in writing at least three (3) business days prior to the date set for the hearing, specifying time and place of the hearing and informing the accused student of his/her rights as outlined in Section II-3-C.
- f. The chancellor shall invite the appellant and other persons as he/she deems appropriate to appear before him/her to make

statements and respond to questions. The student may request the chancellor to invite persons to testify if there is new evidence.

- g. The chancellor has the authority to approve, reject or modify the decision in question or to remand the case to the Campus Conduct Board. His/her decision may be appealed to the Board of Trustees only in cases of suspension or expulsion from the university. Any appeal of the decision must be in writing and presented within forty-eight (48) hours after notification of the decision. Such petition shall be submitted in writing through the vice chancellor for student affairs explaining in detail the reason(s) for the student's appeal (see Part D-1-a above).

II-4 AUTHORIZED DISCIPLINARY SANCTIONS

A. LEVELS OF UNIVERSITY DISCIPLINARY SANCTIONS

1. ***Written Reprimand*** -- A written reprimand involves a status of warning through the end of the next full semester, which terminates automatically when the imposed period expires.
2. ***Disciplinary Probation*** -- Disciplinary probation involves a status of probation for up to one calendar year, which terminates automatically when the imposed period expires. A student who is placed on disciplinary probation is considered not to be in good standing with the university.

As part of disciplinary probation, the student may have restrictions placed on specific student privileges, as determined by the hearing body or administrative hearing officer, not to exceed the duration of the probationary period. In the event of a further violation of this *Code* or other applicable rules while on disciplinary probation, the university will seek the penalty of suspension or expulsion.

3. ***Suspension**** -- Suspension involves withdrawal of enrollment privileges and cancellation of registration, at a minimum, through the end of the next full semester, and carries with it conditions which must be met for re-enrollment. All suspended or expelled students must meet with the dean of students or designee to make clear the terms of their suspension or expulsion from the university.

Re-enrollment after a suspension period requires that the student apply to the dean of students at the close of the imposed period, and the dean will determine whether the student has met the conditions imposed and is otherwise eligible for re-enrollment. A denial may

be appealed to the Committee on Extraordinary Disciplinary Emergencies.

During the term of suspension, the student may not come onto campus. Failure to abide by this condition may result in arrest for criminal trespassing.

A student who is suspended after the deadline for withdrawal with a “W” shall be assigned a grade of “WF” or “W” by each instructor based upon the academic performance prior to the suspension.

4. **Expulsion** is the permanent dismissal of a student from the university, and it precludes matriculation at any UNC constituent institution, unless and until the chancellor who imposed or approved the sanction or his/her successor concludes on the basis of the former student’s petition and any supportive documentation that the individual should be given a new opportunity to pursue higher education within the UNC system. The student will be trespassed from university property for as long as the individual is considered a risk to others or to university property. Expulsion will result in a permanent transcript notation.
5. **Other Sanctions** – For students living on campus, the Office of the Dean of Students will consult with Housing and Residence Life staff in order to address a student’s comprehensive conduct in residence, and may enforce the Housing Contract which provides the university the right to a) move a student to another residence hall; b) cancel a student’s housing contract; or c) refuse to renew a housing contract. Prior to removing a student from residence, the student is entitled to the full disciplinary process described in the *Code of Student Life*. Any student who is removed from on-campus housing shall not be entitled to a refund of room fees.

For certain offenses, students may be restricted from visiting in or around campus residential facilities.

* The sanction of suspension may be imposed by the dean of students, CCB and Committee on Extraordinary Disciplinary Procedures. Other hearing officers and/or hearing bodies may recommend the sanction of suspension. The chancellor or vice chancellor for student affairs may impose the sanction of expulsion.

B. RESTITUTION

CCB or the hearing officer, as part of the disciplinary process, may impose specific conditions (e.g., requirement of student to reimburse for

damage to or destruction or misappropriation of university property or property of any person, and restitution in the form of appropriate service to be performed). Reimbursement may take the form of appropriate service for repair or otherwise compensate for damages. As part of the conditions established by CCB or the administrative hearing officer, a student may be denied access to a residence life area or evicted from university housing.

C. MONETARY FEES

As a part of the disciplinary process, students will be assessed a \$50 fee for a first offense and \$75 for a second offense for use or possession of alcoholic beverages if under the age of 21. A \$75 fee will also be assessed for use or possession of a Schedule III-VI drug. Fees will be used to fund substance abuse education programs. In addition, a student may be referred to CROSSROADS: Substance Abuse Prevention and Education Program and/or for a substance assessment at the Counseling Center or at an off campus agency if the hearing body finds alcohol or other drugs to be a contributing factor in the student's case. A student who fails to appear for an on-campus substance assessment will be required to complete the assessment off campus at his/her personal expense. A \$50 fee will be reassessed to students who fail to appear for a Challenging Decisions-Alcohol or Marijuana class or other required classes at CROSSROADS.

II-5 DISCIPLINARY RECORDS

- A. A hearing record, notice of appeal and each petition for review are confidential and may not be disclosed in whole or part except as provided in Section III-4. This disciplinary record shall be separate from the student's academic record but shall be considered a part of the student's educational record and maintained in the Office of the Dean of Students.
- B. Pursuant to the Family Educational Rights and Privacy Act of 1974 (FERPA), the university may disclose the final results of disciplinary proceedings in which a student is found to have committed a violent crime or non-forcible sex offense. Disclosure is limited to the name of the violator, the type of violation and the sanction. Disclosure to victims may be made regardless of whether the alleged violator was found responsible. Disclosure to third parties may be made only if the alleged violator is found responsible.
- C. A student who is suspended or expelled will have a "hold" placed on their registration file by the dean of students/designee. The "hold" will be removed when the term of suspension expires and/or conditions for re-enrollment have been met.
- D. A notation of suspension or expulsion will be placed on the transcript as an administrative withdrawal. The student's name will also be

permanently added to the North Carolina educational suspension/expulsion database.

- E. Records for cases not resulting in suspension or expulsion will be destroyed one year after graduation.

II-6 COMMITTEE ON EXTRAORDINARY DISCIPLINARY EMERGENCIES

Notwithstanding any other provisions of the *UNCW Code of Student Life*, and in fulfillment of the obligation of the university and of the chancellor to maintain campus security and to protect the safety and welfare of students, employees and visitors to the university, the Committee on Extraordinary Disciplinary Emergencies is established in accordance with the provisions of Sections 116-11(2) and 116-34(a) of the North Carolina General Statutes, Sections 502D(3), 600, 608(2), and Appendix Sections XII and XV of the *Code of the Board of Governors of the University of North Carolina*, Chapter 700 and Section 1300.1 of the *University of North Carolina Policy Manual*, and Section I-5 of the *UNCW Code of Student Life*.

A. JURISDICTION OF THE COMMITTEE

The Committee on Extraordinary Disciplinary Emergencies is established under the delegation of the chancellor pursuant to his/her responsibility for student affairs. The Committee is established to investigate and make recommendations to the chancellor concerning the disposition of complex cases or of those cases involving students or student organizations whose behavior, on or off campus, is such that their presence at the university, in the judgment of the Committee, upon referral from the vice chancellor for student affairs or the chancellor, may pose:

1. A serious risk of disruption of the academic environment.
2. A serious risk of interference with the rights of other members of the university community.
3. A serious risk or continuing danger to university property.
4. A serious risk or continuing danger to themselves or to other members of the university community.

B. OFFENSES

An example of student behavior that may come within the jurisdiction of the Committee includes, but is not limited to:

1. Students who have been arrested and charged with a serious crime of a violent nature, or of a dangerous nature, or which involved placing another person in fear of imminent injury or danger.
2. Students subject to summary suspension under Section II-2-I of the *UNCW Code of Student Life*.
3. Students or student organizations charged with serious violations of Section II-1-B of the *UNCW Code of Student Life*.

C. COMMITTEE MEMBERSHIP AND EMERGENCY PROCEDURES

The Committee shall be composed of the vice chancellors and the associate vice chancellor for student affairs or their designees and a student member of the Campus Conduct Board. A quorum of the Committee shall consist of any four members of the Committee or their designees. In each case, the vice chancellor for student affairs shall designate a chair to preside over the Committee. In the event of a tie vote, the administrative action of the university is ratified.

If a graduate student is charged, one student from the current Graduate Student Association will be appointed to sit on the Extraordinary Committee as a voting member.

In an emergency situation, pursuant to Section II-6-A & B or Section II-2-I of the *UNCW Code of Student Life*, the vice chancellor for student affairs or designee shall have the power to invoke summary suspension. After a hearing, as set forth below, the Committee may ratify the vice chancellor's action, reverse it or take any other appropriate action. In such emergency situations, the vice chancellor for student affairs shall inform the chancellor of all actions taken either summarily or by the Committee under the authority of this policy. The chancellor has the authority to approve, reject or modify the action of the vice chancellor for student affairs or the Committee at any stage of the proceedings.

D. COMMITTEE ACTION IN SPECIFIED SITUATIONS

1. Dangerous or Disruptive Student Behavior

If, in the judgment of the vice chancellor for student affairs, the facts of any case are complex or indicate that the student's presence in the university poses a serious risk or continuing danger to self or to other members of the university community, *or* poses a serious risk to university property, *or* poses a serious risk or continuing danger of disruption of the academic environment *or* poses a serious risk of interference with the rights of other members of the university community, *and* the immediacy of the danger or threat is so great that emergency action should be taken, the vice chancellor for student affairs shall withdraw the case from the jurisdiction of the Campus Conduct Board and refer the case to the Committee. A student summarily suspended under this section shall have the right to a subsequent hearing as set forth below. Upon completion of a hearing, the Committee may reinstate the student, continue the student's suspension or expel the student. If the Committee expels the student, the suspension shall continue pending the chancellor's

decision upon the student's appeal to the chancellor or upon the chancellor's decision to review the expulsion decision.

2. **Students Charged With a Crime**

In the case of a student who has been arrested and charged with a serious crime of a violent or dangerous nature or one which involved placing a person in fear of imminent injury or danger, the vice chancellor for student affairs shall review the facts and may withdraw the matter from the jurisdiction of the Campus Conduct Board and refer the case to the Committee. In those cases submitted to the Committee pursuant to this Subsection II-6-D-2, the Committee may consider whether the nature of the crime is such that, if the student were guilty, the student's presence in the university would represent one of the factors set forth above in II-6-A. If the Committee's determination is that if the student were guilty of the crime with which he/she is charged, and the student's presence at the university would pose a continuing danger or serious risk as set forth above, then the Committee shall suspend the student from the university.

In evaluating the student's behavior to determine whether it poses a serious risk or continuing danger, the Committee shall act in light of the standards set forth in the authorities cited in Section II-6-A and II-6-B and in the preamble to Section II-6 above.

No action under Subsection II-6-D-2, relating to criminal charges, shall involve or be construed as an adjudication of the student's guilt or innocence of the crime charged, nor shall it be considered as evidence of the student's responsibility or non-responsibility in any subsequent Committee or Campus Conduct Board proceeding arising out of the same fact situation.

A student who is summarily suspended from the university under this subsection shall have the right to a subsequent hearing before the committee. A request for a hearing must be submitted in writing to the vice chancellor for student affairs within ten (10) business days of the invocation of summary suspension. If criminal charges arising out of the same fact situation/incident are pending against the student at the time the hearing is to be held, the student may choose to go ahead with the institutional proceeding or may request that they be held in abeyance until the criminal case has been resolved. In either situation, pending the outcome of the hearing, the student's suspension shall remain in effect. If the student chooses to delay institutional proceedings until after resolution of the criminal case, institutional proceedings will be resumed immediately after resolution of the criminal case. If the hearing pursuant to this

Subsection II-D-2 is held before the criminal case against the student has been resolved, an expulsion may not be imposed at that time.

E. HEARING PROCEDURE

Any student who has been suspended or expelled may not participate in any university activities or responsibilities, attend classes or come onto the campus except to attend a scheduled meeting or hearing on the case. If the student comes onto the campus for a hearing/meeting, he/she must immediately leave the campus at the end of the meeting. Persons who wish to schedule a meeting with such a student must first request approval from the dean of students. Any student who is suspended or expelled and returns to the campus and university property during the suspension or subsequent to the expulsion, without the express permission of the dean of students or the vice chancellor for student affairs or designee, shall be subject to further disciplinary action and may be arrested for criminal trespass.

Summary suspension shall not be considered evidence of the student's responsibility or non-responsibility in any hearing of the Committee nor in any subsequent Campus Conduct Board proceeding. Prior to any hearing before the Committee, the student will be informed by letter of the vice chancellor for student affairs' summary action or intent to bring a charge before the Committee. The student shall also be notified of the date and location of the hearing. The hearing shall be set no sooner than seven (7) business days from the date of the letter, and the letter shall be mailed to the student at the last known address, according to university records. The notice shall explain the charges against the student, the character of the evidence against the student, and the student's rights under this document: the right of due process and fair hearing, the presumption of innocence until found responsible, the right to be assisted by an advisor (see Section II-2-F-5), the right to testify and to present evidence and witnesses, and the right to hear and question adverse witnesses who appear before the Committee. An advisor may not conduct the student's defense, nor address the Committee, except at the sole discretion of the Committee.

The Committee's decision will be based on the evidence presented. In cases brought under Section II-6-B and Section II-6-D-1, the Committee shall generally follow the procedure outlined in Section II-3-B, Section II-3-C-1 and Section II-3-C-4-6 of the *UNCW Code of Student Life*. In all cases, the rules of evidence shall not be strictly followed by the Committee; hearsay shall be admissible and any credible source, and documentary or testimonial shall be competent to establish the truth or falsity of the charges.

Before a post-hearing action of suspension or expulsion may be imposed on a student pursuant to charges under Section II-6-B and Section II-6-D-1, the Committee must find by a preponderance of evidence that the student committed the offense in question. Before a post-hearing sanction may be imposed on a student under Section II-6-D-2 above, the Committee must find by a preponderance of the evidence that the student has, in fact, been charged with the crime in question, that the charge does not appear to be frivolous, and that, if the student committed the crime with which he/she is charged, his/her presence on the campus would pose a serious risk or continuing danger as set forth above.

Recordings or transcripts of the hearing, but not of the committee's deliberations, shall be maintained. The vice chancellor for student affairs or designee shall be responsible for all records of Committee proceedings. Following the hearing, the student shall be notified of the Committee's decision by a letter sent to the student at the address the student has supplied the Committee with at the hearing, or if no address has been supplied at the hearing, then to the last known address according to university records.

In accordance with the provisions of the federal Family Educational Rights and Privacy Act of 1974, as amended, the Committee may also disclose the results of the hearing to the alleged victim of the student's actions if:

1. The alleged actions involved the use, attempted use or threatened use of physical force against the person or property of another; or
2. The alleged actions constituted a felony that, by its nature, involves a substantial risk that physical force may be used against the person or property of another.

F. APPEALS AND POST-HEARING PROCEDURES

Subject only to the chancellor's authority to approve, reject or modify the decision of the Committee, such a decision shall become effective immediately upon its issuance. Reasonable steps of the same sort as set forth above in regards to notification of the student of the hearing shall be used to notify the student, as promptly as possible, of the Committee's decision and recommendation. A student may appeal the decision of the Committee to the chancellor within ten (10) business days of its issuance. The appeal shall be in writing and shall set forth the grounds for appeal, the basis of the objection to the Committee's findings and the requested relief sought.

Upon receipt of an appeal from student, or in the chancellor's own discretion, the chancellor shall consider the decision a recommendation and shall decide whether to accept, modify or reject it. In the case of an appeal, or at the chancellor's request, the record of the proceedings before the Committee shall be prepared by the chairperson of the committee or designee and shall be forwarded to the chancellor. The record shall include the recordings or transcripts taken during the proceedings and a copy of all documents and other writings introduced in evidence at the hearing. It shall not include any record of the Committee's deliberations.

An appeal is considered solely by the chancellor. A student may appeal the chancellor's decision to the Board of Trustees in cases of suspension or expulsion. In either case, such appeal is final. Solely in cases proceeding under subsection II-6-D-2, where a student's suspension is continued but before any criminal charges can be finally resolved, the Division of Student Affairs shall cause the student to be formally withdrawn from school, and the student shall receive a full refund of any tuition and fees he/she has paid for the term in question minus the non-refundable enrollment deposit and any charges against his/her account (such as library fines, unpaid parking tickets, returned check charges, damages).

Whether the hearing is held before or after resolution of the criminal case, if the student is reinstated after the hearing but due to the length of time which has passed before the hearing could be held, the student has missed so much class work that it will be impossible for the student to complete course work before the end of the term, the student may choose either to take a grade of "incomplete" in those courses and complete them in the normal period of time allowed for completion of "incomplete" under university regulations or may choose to withdraw from the semester in question and receive a full refund of any tuition and fees he/she has paid for the term in question minus the non-refundable enrollment deposit and any charges against his/her account (such as library fines, unpaid parking tickets, returned check charges, damages).

A former student who has been suspended by the Committee who wishes to return to the university must follow the terms established by the Committee for reinstatement, as outlined in official correspondence from the university, unless extraordinary circumstances exist. Such extraordinary circumstances may include, but are not limited to, a verdict of not guilty of the criminal charges forming the basis for the Committee's decision of suspension. Former students who petition the university for reinstatement must also subsequently apply for readmission. The university reserves the right to require the student to compete for admission with other applicants in that year, and comply

with all other admissions criteria (created May 12, 1997; revised June 2008).

SECTION III
UNCW STUDENT RECORDS & FAMILY
EDUCATIONAL RIGHTS AND PRIVACY ACT
(FERPA) POLICY
POLICY 04.150

III-1 PURPOSE

The Family Educational Rights and Privacy Act of 1974 (FERPA, also known as the “Buckley Amendment”), guarantees certain rights for students and eligible parents regarding access to, confidentiality of, and correction of the student’s education records. FERPA provides that a student may inspect his or her education records. If the student finds the records to be inaccurate, misleading or otherwise in violation of the student’s privacy rights, the student may request amendment to the record. FERPA also provides that a student’s personally identifiable information may not be released to someone else unless 1) the student has given a proper written consent for disclosure, or 2) provisions of FERPA or the corresponding federal regulations permit the information to be released without the student’s consent. This policy is administered in accordance with the FERPA regulations published in 34 CFR Part 99.

III-2 DISCLOSURE OF DIRECTORY INFORMATION

- A. The university may release the following directory information to the public without the student’s consent: name; class; college and major; dates of attendance; degree(s) earned; honors and awards received, including selection to the dean’s or chancellor’s list, honorary organization, or the GPA range for the selection; local address; local or contact telephone number; UNCW electronic mail address; most recent previous educational institution attended; place of birth; participation in officially recognized activities and sports; and the weight and height and date of birth of members of athletic teams.
- B. Under FERPA, the student has the right to request that the disclosure of directory information be withheld. If a student wishes to have the student’s directory information withheld, they must complete a “Request to Prevent Disclosure of Directory Information” form in the Office of the Registrar.

III-3 DISCLOSURE OF PERSONALLY IDENTIFIABLE
INFORMATION

- A. The university may release personally identifiable information from student education records without the student's consent to school officials who have a legitimate educational interest to access the records.
- B. "Education records" mean records that are maintained by UNCW in any media (e.g. paper, electronic, digital image, film, video, audio tape) which contain information directly related to a student and are personally identifiable to a student. Education records do not include:
 - 1. Personal records of university employees that are in the sole possession of the maker (i.e. notes of conversations), are used only as a personal memory aid, and are not accessible or revealed to any individual except a temporary substitute;
 - 2. Records of the UNCW Police Department used for law enforcement purposes;
 - 3. Student medical and counseling records maintained and used only in connection with provision of medical treatment or counseling of the student and are made available only to the individuals providing the treatment;
 - 4. Employment records unrelated to the student's status as a student (these records are covered under the N.C. Personnel Records Act);
 - 5. Records created or received after an individual is no longer in attendance and that are not directly related to the individual's attendance as a student (i.e. alumni records); or
 - 6. Grades on peer-graded papers before they are collected and recorded by a faculty member.
- C. "School official" means:
 - 1. An employee, agent or officer of the university or The University of North Carolina's General Administration in an administrative, supervisory, academic or research, or support staff position and acting in his or her official capacity, including a student assisting another school official in performing his or her tasks;
 - 2. A person serving on university committees, boards and/or councils, including an individual serving on a disciplinary or grievance committee;
 - 3. Another educational institution that requests records for a particular student who seeks or intends to enroll or where the student is already enrolled provided the disclosure is for purposes related to the student's enrollment or transfer; and
 - 4. A person or company with whom the university has contracted (e.g. internship and clinical facilities, attorney, auditor, or collection agent), but limited to only the specific student information needed to fulfill the contract. The contracting entity is bound to follow FERPA regulations for control, maintenance, use and re-disclosure of the information provided to it.
- D. "Legitimate educational interest" means a school official who is performing an authorized task or an activity that he or she is undertaking

in the name of the university for which access to an educational record is necessary or appropriate to fulfill his or her professional responsibilities for the university.

- E. "Student" means an individual who is or has been in attendance at UNCW for degree seeking courses, non-credit courses, life-long learning courses, and/or certificate courses. It does not include persons who have been admitted but did not attend the university. For the purposes of this policy, "attendance" starts with orientation or course registration and includes in person or by paper correspondence, videoconference, satellite, Internet, or other electronic information and telecommunications technologies for students who are not physically present in the classroom and the period during which an individual is working under a UNCW work-study program.
- F. In addition, the university may disclose personally identifiable information from a student's educational records without a student's consent to either individuals or entities permitted such access under applicable federal law and regulations, as more fully specified in 34 CFR §99.31. Such exceptions include, but are not limited to, the following situations: to parents of dependent students; to accreditation organizations or agencies; to comply with a lawfully issued subpoena or court order; to protect the health and safety of the student or others in an emergency; in litigation or for implied waivers by the student. For certain disclosures, university officials must record when, what records, and to whom they have disclosed personally identified information to third parties. In the case of emergencies, school officials must also record the articulable or significant threat that formed the basis for the disclosure.

III-4 ALCOHOL AND DRUG VIOLATIONS AND VIOLENT CRIMES

- A. Unless there are extenuating circumstances, the university will not generally notify parents or legal guardians of students under the age of 21 of the first time alcohol violation. Parents and guardians will be notified if the student is determined by the university to be a danger to himself/herself, others or to property.
- B. The university may notify parents and legal guardians of all second and subsequent alcohol violations. For purposes of determining what constitutes a second or subsequent violation, multiple related violations during a single incident will be treated as one offense.
- C. The university may notify parents or legal guardians of students under the age of 21 of any drug violations.
- D. The university may disclose the final results of campus disciplinary proceedings in which a student is charged with a violent crime or non-forcible sex offense. Disclosure to victims of the crime or offense may be made regardless of whether the student was found responsible. Disclosure to third parties may be made only if the student is found

responsible. Disclosure is limited to the name of the violator, the type of violation found to have occurred, and the sanction imposed by the university.

III-5 INSPECTION AND REVIEW OF RECORDS

- A. FERPA provides students with the right to inspect and review (within 45 days of request) information contained in their education records (as defined above), challenge the contents of their education records and to have a hearing if the outcome of the challenge is unsatisfactory (see below), and to submit explanatory statements for inclusion in their files if they feel the decisions of the hearing panels to be unacceptable.
- B. The registrar has been designated by the university to coordinate the inspection and review procedures for student education records. Such records are maintained at several locations on the campus. The locations are shown in Section III-7, together with the title of the official custodian to be contacted for access to the records. A written request may be required. Students wishing to review their education records must make written requests to the administrator shown there. If the student is uncertain as to the location of a particular record, a written request should be addressed to the registrar listing the item or items of interest.
- C. Students may have copies made of their records unless a financial “hold” has been placed on the record by an appropriate university official. Such copies will be made at no cost to the student unless the costs exceed \$50.00.
- D. Students may not inspect and review the following, as specified in FERPA: financial information submitted by their parents; confidential letters and recommendations associated with admissions, employment or job placement, or honors to which they have waived their rights of inspection and review; or education records containing information about more than one student, in which case the institution will permit access only to that part of the record which pertains to the inquiring student. The university is not required to permit students to inspect and review confidential letters and recommendations placed in their files prior to January 1, 1975, providing those letters were collected under established policies of confidentiality and were used only for the purposes for which they were collected.

III-6 AMENDMENT OF STUDENT RECORD

- A. If a student believes that the information contained in his/her education records is inaccurate or misleading, or that it violates privacy or other rights, the student may request that the university amend the record. Such requests shall be in writing addressed to the registrar and shall specify the amendment sought.
- B. The registrar or his/her designee shall, within 30 days after receiving the student’s request, and after consulting with appropriate university officials, decide whether the record will be amended in accordance with

the request and inform the student. If the decision is to refuse to amend the record in accordance with the request, the registrar shall simultaneously advise the student that he/she may request a hearing to challenge the content of the education record to ensure that the information therein is not inaccurate, misleading or otherwise in violation of the privacy or the rights of the student.

- C. If the registrar receives a request for a hearing, he/she shall request that the chancellor appoint a panel of three university faculty or staff members to conduct the hearing. Persons appointed shall be individuals who have no direct interest in the outcome of the hearing. The chancellor shall designate the chair of the panel and shall provide the panel such assistance as deemed appropriate.
- D. The chair of the hearing panel established as in Section III-6-C above shall notify the student and the registrar of the date, time and place of the hearing at least five days before the hearing.
- E. The student shall be afforded a full and fair opportunity to present evidence relevant to the issue whether the information in the student's education record is inaccurate, misleading or otherwise in violation of the student's privacy or other rights. The student may be assisted by individuals of his/her choice at his/her own expense, including an advisor.
- F. The registrar or persons appearing in his/her behalf shall be afforded a like opportunity.
- G. The panel shall make its decision solely on the basis of the evidence presented at the hearing. The decision of the panel shall be in writing and shall include a summary of the evidence and the reasons for the decision.
- H. If the opinion of the panel is that the information in the student's record is inaccurate, misleading or otherwise in violation of the privacy or other rights of the student, the committee shall forward to the chancellor its written recommendation. The chancellor will forward to the student a decision in ten class days.
- I. If the panel decides that the information is not inaccurate, misleading, or otherwise in violation of the privacy or other rights of the student, it shall inform the student of the right to place in the education record a statement commenting on the records and setting forth the reasons for disagreeing with the agency or institution. Such statement shall thereafter be maintained as part of the education record and thereafter disclosed to any party to whom the contested record is disclosed.
- J. If the student believes that the procedures determining the challenge were unfair or not in keeping with FERPA requirements, he/she may direct a written appeal to the chancellor.
- K. Students who believe that the adjudications of their challenges were unfair or not in keeping with FERPA may request in writing, assistance from the chancellor. Further, students who believe that their rights have been abridged may file complaints with the Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, SW,

Washington, D.C. 20202, concerning the alleged failures of the university to comply with the law. For further information, students may consult the registrar, who has available copies of the statute and the Department of Education's regulations.

SECTION IV UNIVERSITY OWNED RESIDENCES

IV-1 INTRODUCTION

The Office of Housing and Residence Life is committed to providing students with opportunities for diverse and meaningful learning experiences outside of the classroom. The Housing and Residence Life program facilitates this growth for each resident through a variety of opportunities for educational development, social interaction and community engagement. These positive experiences in community living, self-discipline and decision-making enhance campus life. The Director of Housing and Residence Life invites all students to stop by to ask questions and offer suggestions about living on campus. The Office of Housing and Residence Life is located in a building directly behind Schwartz Hall. Please refer to the *Guide for On-Campus Living* for more detailed information on facilities. Students living on campus are responsible for the information in the *Guide for On-Campus Living*. The *Guide for On-Campus Living* is available online by visiting the Housing website (<http://www.uncw.edu/housing>). Returning students receive the license contract booklet when they reclaim their living space.

IV-2 RESIDENCE LIFE STAFF

- A. The organization and administration of the Housing and Residence Life Program is the responsibility of the Office of the Vice Chancellor for Student Affairs. The Director of Housing and Residence Life, the Associate Director of Residence Life and the Associate Director of Housing Operations and professional Residence Coordinators are members of the staff of the Division of Student Affairs.
- B. Residence Coordinators, assisted by a group of resident assistants, supervise the residential areas.

IV-3 RESIDENCE LIFE POLICIES

The primary responsibility of the Housing and Residence Life program is to maintain an atmosphere conducive to the pursuit of academic and personal goals and personal growth. Within this context, it is important to recognize the effect of the residence life setting which creates a special need for awareness of how one's individual actions can influence the environment of the floor and thus directly affect the residential community. In light of these conditions, the following policies have been established:

A. ALCOHOLIC BEVERAGES

Although consumption of alcoholic beverages is not encouraged by the university, students are permitted to possess and consume alcoholic beverages in their rooms provided that they comply with state laws

pertaining to alcoholic beverages. In addition to the UNCW policies regarding the possession and consumption of alcoholic beverages (University Policy 05.303) and marketing of alcoholic beverages (University Policy 05.304) the following rules pertain to residence halls:

1. There are to be no kegs or containers for common distribution of alcohol in the students' rooms or elsewhere in the residence halls, apartments or suite buildings.
2. Non-residents and guests are not allowed to bring alcoholic beverages into any student residence facility.
3. Residents and their guests may be asked to open all backpacks, bags, coolers and other containers when entering a residence hall. This procedure is a safety and security measure which prevents most unwanted or unauthorized materials from being brought into the halls. Cooperation with staff requests at the front desk is expected and appreciated. Residents and their guests may be denied entrance if they choose not to cooperate with this request.
4. Alcoholic beverages may not be consumed in public areas including hallways, lounges, apartment balconies/porches, or outside the buildings. Alcoholic beverages may not be consumed in interior common areas (living rooms, kitchens, etc.) if persons under the legal drinking age are present.

B. DRUGS

The illegal use, possession, sale, delivery and/or manufacture of drugs will not be tolerated and may be grounds for immediate suspension or dismissal of students, faculty members, administrators and other university employees. Possession of drug related paraphernalia is also not permitted (Section V and State Law I).

C. VISITATION

The visitation program in the UNCW student residences creates a structure for residents to bring guests into their rooms. In full support of the educational mission of the university, students living on campus are expected to view academic responsibilities as their primary goal. Studying, therefore, takes precedence over socializing in the student residences on weekday nights. On weekends, when fewer classes are scheduled, there is a greater amount of leisure time and social or non-academic activities are usually more prominent. The guidelines for visitation are grounded in this academic schedule and are designed to balance a student's academic responsibilities with individual and group needs.

1. The visitation program is to function within the parameters and according to the procedures which follow. The existing programs have been developed through deliberate studies by staff and student

groups during the recent past. Certain underlying assumptions are reflected in the visitation program at UNCW:

- a. There is a legitimate need for, and benefit from, providing greater opportunity for contact between students.
- b. The nature of the physical facilities, particularly in the traditional residence halls, places certain limitations on the visitation program.
- c. The hours of the program accommodate, as best they can, the divergent lifestyles of students and variety of housing styles available on campus.
- d. The purpose of a student's room is primarily for study and sleep, which take precedence over social privileges.
- e. Respect for the wishes and well-being of one's roommate(s) is more important than someone's desire to have guests.
- f. Cohabitation is not permitted in any university housing facility.

2. PARTICIPATION

All students have the opportunity to learn more about the visitation program at a building-wide vote that takes place during the first week of classes in the fall. If sufficient interest in a non-visitation area exists, specific arrangements will be made to accommodate that request. In the event that there are not enough requests to satisfy various options, no person will be forced to participate in a more liberal visitation policy than he or she wants.

3. REGISTRATION OF GUESTS

It is the responsibility of each resident to attend to the registration of a guest. Furthermore, it is the responsibility of each resident to escort the guest at all times while the guest remains in the building. Guests must provide and surrender a picture ID to the desk receptionists when checking in. This identification will be returned when the guest leaves the building. False identification will be turned over to University Police for appropriate action. Hosts are responsible for guests' behavior, for any damages incurred, and for the adherence to all university policies and procedures.

4. LOSS OF PRIVILEGES

Like most opportunities at the university, visitation is not a right, but rather a privilege that may be suspended at any time for violations of policies stated in the *Guide for On-Campus Living*. Visitation privileges may be suspended administratively by the Office of Housing and Residence Life or by a judicial hearing officer as a result of disciplinary action.

5. DAYS AND HOURS

There is a distinction in the guest policy at UNCW that separates residences into two groups, each having its own visitation hours and group process to decide these hours.

At the beginning of the fall semester, all residential facilities (except the University Apartments, the University Suites, Seahawk Village, Seahawk Landing, Seahawk Crossing and International House) begin with visitation hours that are set at 11:00 a.m. to 11:00 p.m. on Sunday through Thursday and 11:00 a.m. to 2:00 a.m. on Friday and Saturday. Within the first two weeks of the fall semester, residence hall students will vote on the visitation option that they prefer for the full academic year. They will have two options to select from. The first option would allow for visitation hours from 11:00 a.m. to 11:00 p.m. on Sunday through Thursday and 11:00 a.m. to 2:00 a.m. on Friday and Saturday. Additionally, students can vote to extend these hours to a maximum of 10:00 a.m. to midnight on Sunday through Thursday and 10:00 a.m. to 3:00 a.m. on Friday and Saturday. The second option would have the same stipulations for the weekdays, Sunday through Thursday nights (including extending the hours). On Friday and Saturday nights, option II would allow for open visitation. Students are expected to recognize roommate rights and follow the state's co-habitation law. Each option has percentage requirements (based upon total residence hall occupancy) that must be met.

Each building may also choose to accept extended in-hall visitation privileges during the vote, which takes place in the fall semester. Extended in-hall visitation allows residents of a building free access to visit other residents within the residence hall. This is in addition to the normal visitation hours, which apply to outside guests. These hours may be extended to include up to 24 hours per day, seven days per week.

6. **OVERNIGHT GUESTS**

An individual of the same sex as the host may be a non-resident overnight guest in the residence hall for a maximum of three nights in any given two-week period. A person may not be an overnight guest of more than one resident per two-week period. Guests are identified and registered through the front desk of each residence hall. Overnight guests of either gender are permissible under the general guidelines stated previously in all areas that are not traditional first year residential areas. However, cohabitation is not permitted at any time. Violations may result in loss of these visitation privileges.

D. PETS

Because of public health regulations, pets are not permitted in the residence halls/apartments/suites under any circumstances. This includes, but is not limited to, dogs, cats, birds, hamsters, snakes, other reptiles and amphibians, mice and other rodents. Fish in aquariums are permitted as

long as the tank does not exceed 20 gallons and is kept in sanitary condition.

Any pets found in violation of this policy may be removed immediately and turned over to the Wilmington Animal Control Center or the Humane Society.

E. NOISE

Residents are expected to use discretion where noise is concerned both in and around the student residences. Therefore, excessive noise is prohibited at all times. Courtesy hours are always in effect, and students are asked to be considerate of others' rights to study and sleep. During these hours, the environment is to be one that is conducive to studying. Loud stereos, gatherings in hallways, and other disturbances will not be allowed. If stereos are played out of windows or are a problem in any area around the residence halls and apartments, owners risk the removal of the stereo from the residence hall, suite or apartment.

Due to the nature of musical instruments, drums and amplified sound equipment are not allowed in any on-campus housing.

Quiet hours are 8:00 p.m. to 10:00 a.m., Sunday through Thursday. On both Friday and Saturday nights, quiet hours begin at 12:00 a.m. and go until 10:00 a.m. the following morning. Noise, including talking, music and other miscellaneous sounds, must be kept at a minimum level so that they cannot be heard in others' rooms.

If a resident has a problem with noise, the first step is for her/him to talk to the resident(s) about the situation. If the noise continues after a resident has first confronted the situation, the floor RA should be contacted. If the floor RA is not available, contact the duty RA. During final examinations each semester, 24-hour quiet hours will be enforced. Look for posted signs that provide details about quiet hours during final exams.

F. SOLICITATION

Residence halls, apartments and/or suites cannot be used to raise money for any individual or organization other than an official registered campus organization (faculty, staff or student). Anyone not connected with the residence halls, apartments or suites that does not have the proper identification and authorization, may be cited for trespassing. In order to maintain the privacy of resident students, no door-to-door solicitation is allowed. Authorization for solicitation (in lobby areas) must come from the Campus Activities & Involvement Center and the Director of Housing and Residence Life. Banners, signs or posters may not be affixed to the

outside of any building without written permission from the Director of Housing and Residence Life.

G. BEHAVIOR

Disciplinary proceedings as outlined in Section II-2 will be initiated against a student who violates the *Code of Student Life*, Section II-1-B, policies in the *Guide for On-Campus Living* and/or other applicable rules such as:

1. Violation of visitation as outlined in the *Code* or posted in the residence halls, apartments and suites.
2. Tampering with, destroying, defacing or removing public property within the residence life area, including furniture, doors, screens, walls, elevators, vending machines, ceiling tiles, games, etc.
3. Destroying or tampering with fire alarms and/or fire fighting or emergency equipment.
4. Loaning or using unauthorized entrance door keys or room keys.
5. Throwing objects from the windows of residence halls/apartments/suites.
6. Undermining the security of hall residents and property (e.g., intentionally leaving doors propped open, climbing through open windows).
7. Cooking in residence hall rooms.
8. Walking or laying on building or apartment roofs.
9. Obstructing hallways and/or entrances (e.g., bicycles parked in these areas).
10. Driving motorized vehicles on the sidewalks and/or grass in the residence life areas.
11. Providing false or misleading information to housing staff.

H. INDIVIDUAL PRIVACY IN RELATION TO STUDENT ROOMS

Privacy of the individual is of the utmost concern to the Office of Housing and Residence Life and the university; however, entry of student residence hall rooms and apartments at times is necessary.

1. ROOM ENTRY

University officials may enter a room under the following conditions:

- a. When there is sufficient reason to believe that an emergency situation exists that poses immediate danger to the occupants and/or to the facility.
- b. For routine maintenance, cleaning and health/safety inspections.
- c. To deal with disturbances which are in violation of university regulations and/or violating the rights of other students within the residence hall, apartment complex or suite complex.

- d. When a student who is a resident gives voluntary consent. The student's consent may be freely given and must not be based on coercion or threats by the university, and must not be occasioned by a student's fear of reprisal for failure to give consent.
 - (1). The intrusion by the employee must be limited to the consent given by the student; for example, if the student consents to entry by the employee, the employee is not entitled to search the student's belongings without obtaining further consent to do so.
 - (2). Any student who is a resident of the room, suite or apartment may consent to entry of the university employee and to a search of that student's personal belongings. However, no student may consent to the search of another student's bedroom, closets, locker, suitcases or other areas under the primary control of another student.
 - e. Materials found during entry as described in this section may be used in any university disciplinary proceeding if said material is found in plain sight or during the course of performing the objectives described in a, b, c and d. Materials found beyond the scope of such entry shall constitute a search as defined below and may not be admitted if found in violation of that section. Any unauthorized materials found during an entry may be impounded.
2. **ROOM SEARCH**
- Searches of student-occupied premises or a student's personal possessions shall be only as authorized by law. A student's room is considered private; a search of residence hall rooms will be guided by the following principles:
- a. University officials and/or University Police may search a room only upon obtaining a legal warrant or consent of the occupants.
 - b. Searches of university residence hall rooms by external law enforcement officials will be regarded as a matter between the student and law enforcement officials involved. The university's interest will be limited to requesting that it be notified of impending searches.

I. ROOM CONDITION

Any alteration within a residence room such as the construction of lofts and bunk beds must be approved in advance by the Office of Housing and Residence Life.

J. FIREARMS

The Office of Housing and Residence Life enforces the state law (N.C.G.S. 144-269.2) on firearms and/or other weapons on university

property. See Section II-B, Student Conduct and Appeals, for offenses, and State Law II for the complete statute on weapons and firearms.

SECTION V ILLEGAL DRUGS POLICY 04.110

V-1 PURPOSE

The fundamental purpose of the university is to maintain an environment that supports and encourages the pursuit and dissemination of knowledge. That environment is damaged by illegal drug use. Therefore, all members of the academic community, students, faculty members, administrators and other university employees share the responsibility for protecting the environment by exemplifying high standards of professional and personal conduct.

V-2 POLICY AND PROGRAM

- A. The illegal use, possession, sale, delivery and/or manufacture of drugs will not be tolerated and may be grounds for immediate suspension or dismissal of students, faculty members, administrators and other university employees.
- B. University policies and programs are intended to emphasize the following:
 - 1. The incompatibility of the use or sale of illegal drugs with the goals of the university.
 - 2. The legal consequences of involvement with illegal drugs.
 - 3. The medical implications of the use of illegal drugs.
 - 4. The ways in which illegal drugs jeopardize an individual's present accomplishments and future opportunities.
- C. The university provides a systematic substance abuse education and prevention program designed to reach all segments of the campus community. To assist in accomplishing this mission, CROSSROADS: Substance Abuse Prevention and Education Program, has developed a well-integrated centralized program that is a focal point for campus substance abuse education, training and prevention which monitors the effectiveness of programs for constituencies served. The Counseling Center provides substance abuse counseling and referral services for students and provides consultation to students, faculty and staff. This policy on illegal drugs is presented within the four areas of education, counseling and rehabilitation, enforcement and penalties and assessment.

V-3 EDUCATION

The university provides a program of education designed to help all members of the university community avoid involvement with illegal drugs. Education programs:

- A. Provide a system of accurate, current information exchange on the health risks and symptoms of drug use for students, faculty and staff.
- B. Promote and support institutional programming that discourages substance abuse.
- C. Establish collaborative relationships between community groups and agencies and the institution for education, treatment and referral.
- D. Provide training programs for students, faculty and staff to enable them to detect problems related to drug use, and to refer persons with these problems for appropriate assistance.
- E. Include information about drugs for students and family members in the student orientation programs. The use of prescription and over-the-counter drugs will be addressed.
- F. Support and encourage faculty in incorporating education about drugs into the curriculum where appropriate.
- G. Develop a coordinated effort across campus for drug related education, treatment and referral.

V-4 COUNSELING AND REHABILITATION

- A. The university provides information about drug counseling and rehabilitation services to members of the university community. Persons who voluntarily avail themselves of university services can be assured that applicable professional standards of confidentiality will be observed. Counseling and rehabilitation services include:
 - 1. Training for professional staff and student staff on drug abuse information, intervention and referral.
 - 2. Education programs for students who have demonstrated abusive behavior with drugs.
 - 3. Assessment, counseling and referrals for students.
 - 4. Consultation, information and referrals for students, staff and faculty.
- B. In providing the above strategies, it is recognized that some campus constituents may prefer professional assistance external to the campus. Therefore, CROSSROADS: Substance Abuse Prevention and Education Program will collaborate with the Counseling Center in the development of appropriate referral mechanisms for these individuals. A listing of off-campus resources for assistance and referral is available for those who choose that option. In the development of this program, it is desired that faculty, students, administrators and other employees be comfortable in the manner in which they are served and have a choice in the selection of appropriate assistance. Individuals served in the Counseling Center on campus can be assured that applicable confidentiality will be maintained.

V-5 ENFORCEMENT AND PENALTIES

A. ENFORCEMENT

In seeking to enforce established university policy, the university will:

1. Publicize all drug policies.
2. Consistently enforce drug policies.
3. Exercise appropriate disciplinary action for drug policy violations.

B. PENALTIES

The university shall take actions necessary, consistent with state and federal law and applicable university policy, to eliminate illegal drugs from the university community. University policy on illegal drugs is publicized in the university catalog, student and faculty handbooks, student orientation materials, on-line resources, letters to students and parents, residence hall meetings and faculty and employee meetings.

Students and faculty members, administrators and other employees are responsible as citizens for knowing about and complying with the provisions of the North Carolina law that makes it a crime to possess, sell, deliver or manufacture drugs designated collectively as “controlled substances” in Article V, Chapter 90 of the North Carolina General Statutes (see State Law I). Any member of the university community who violates that law is subject both to prosecution and punishment by the civil authorities and to disciplinary proceedings by UNCW. It is not “double jeopardy” for both the civil authorities and the university to proceed against and adjudicate a person for the same specified conduct. The university will initiate its own disciplinary proceedings against the student, faculty member, administrator, or other employee when the alleged conduct is deemed to affect the interest of the university.

Penalties will be imposed by the university in accordance with procedural safeguards applicable to disciplinary actions against students (see *Code of Student Life*, Section II), faculty members (see *Policies of Academic Freedom and Tenure*, UNCW, Section VII), and administrators and other employees (see *Procedure No. PER 6.10 and Personnel Policies for Designated Employment Exempt from State Personnel Act - EPA Administrative Positions*).²

The penalties to be imposed by the university may range from written warning with probationary status to expulsion from enrollment and discharge from employment; however, the following minimum penalties shall be imposed for the particular offenses described:

1. **TRAFFICKING IN ILLEGAL DRUGS**

- a. For a first offense involving the illegal manufacture, sale or delivery, or possession with intent to manufacture, sell or deliver any controlled substance identified in Schedule I, North Carolina General Statutes 90-89, or Schedule II, North Carolina

² Rules of the State Personnel Commission govern the disciplinary actions that may be taken against SPA employees. Under current commission regulations discharge, rather than suspension, is the applicable penalty for SPA employees in those instances where this policy otherwise requires suspension.

General Statutes, 90-90 (including, but not limited to, heroin, mescaline, lysergic acid diethylamide, opium, cocaine, amphetamine, methaqualone), any student shall be expelled and any faculty member, administrator or other employee shall be discharged.

- b. For a first offense involving the illegal manufacture, sale or delivery, or possession with intent to manufacture, sell or deliver, any controlled substance identified in Schedules III through VI, North Carolina General Statutes 90-91 through 90-94, (including, but not limited to, marijuana, Phenobarbitals, codeine), the minimum penalty shall be suspension from enrollment or from employment¹ for a period of at least one semester or its equivalent. For a second offense, any student shall be expelled, and any faculty member, administrator, or other employee shall be discharged.

2. ***ILLEGAL POSSESSION OF DRUGS***

- a. For a first offense involving the illegal possession of any controlled substance identified in Schedule I, North Carolina General Statutes 90-89, or Schedule II, North Carolina General Statutes 90-90, the minimum penalty shall be suspension from enrollment or from employment¹ for a period of at least one semester or its equivalent.
- b. For a first offense involving the illegal possession of any controlled substance identified in Schedules III through VI, North Carolina General Statutes 90-91 through 90-94, the minimum penalty shall be probation for a period to be determined on a case-by-case basis. A person on probation must agree to participate in a drug education and counseling program, consent to regular drug testing, and accept such other conditions and restrictions, including a program of community service, as the chancellor or chancellor's designee deems appropriate. Refusal or failure to abide by the terms of probation shall result in suspension from enrollment or employment¹ for any unexpired balance of the prescribed period of the probation.
- c. For the second or other subsequent offenses involving the illegal possession of controlled substances, progressively more severe penalties shall be imposed, including expulsion of students and discharge of faculty members, administrators and employees.

3. ***SUSPENSION PENDING FINAL DISPOSITION***

When a student, faculty member, administrator or university employee has been charged by UNCW with a violation of policies concerning illegal drugs, he/she may be suspended from enrollment and/or employment before the initiation or completion of regular

disciplinary proceedings if, assuming the truth of the charges, the chancellor or in the chancellor's absence the chancellor's designee, concludes that the person's continued presence within the university community would constitute a clear and immediate danger to the health or welfare of other members of the university community; provided that, if such a suspension is imposed, an appropriate hearing of the charges against the suspended person shall be held as promptly as possible thereafter.

V-6 ASSESSMENT

- A. The university shall, in its effort to continually assess the campus environment, do the following:
1. Appraise the institutional environment as an underlying cause of drug abuse.
 2. Assess campus awareness, attitudes and behaviors regarding the use of drugs and employ results in program development.
 3. Collect and use drug related summary information from police and security reports to guide program development.
 4. Collect and use summary data regarding health, counseling and client information to guide program development.
 5. Collect summary data regarding drug related disciplinary actions and use it to guide program development.

This policy is published online at www.uncw.edu/policies.

SECTION VI STUDENT ORGANIZATIONS

VI-1 INTRODUCTION

Students bring to the university a variety of previously acquired interests and develop many new interests as members of the academic community. Students at UNCW are free to organize and join associations to explore their common interests. Student organizations wishing to be registered with UNCW must form and operate in compliance with university policies. It is through its more than 200 student organizations that the university is able to promote a sense of community and offer students the opportunity to pursue the practice of involvement, leadership and service.

Although critical to the fabric of campus life, student organizations are independent organizations and are not considered to be an extension of the university. Unless the university has specifically requested that a student organization host an event (and by doing so has deemed the organization an agent of the university), the student organization will not be covered by the university's insurance.

A student organization is defined as a group of three (3) or more currently enrolled University of North Carolina Wilmington students who unite around a common interest. Student organizations may have other non-student members as part of the student organization but these non-student members may not be considered voting members. Unless more specific membership requirements are provided by the appropriate advisory council (appropriate advisory councils are Student Organizations Committee, Sport Club Council, Graduate Student Association, Panhellenic Council, National Pan-Hellenic Council, and the Interfraternity Council). This section outlines university policies pertaining to the formation and operation of student organizations, including actions that may be taken by the university, for noncompliance with these policies. In addition to the policies established in this section, organizations must also adhere to all policies set forth by their respective governing bodies.

VI-2 STUDENT ORGANIZATIONS COMMITTEE

- A. Student Organizations Committee (SOC), a standing advisory committee of the chancellor, has the responsibility of reviewing all student organizations for registration and recommending policy and processes to the chancellor. The committee has 13 members: five students appointed by SGA for one year, renewable terms, and five faculty appointed by the chancellor for three-year terms. The Executive Director of Campus Life, the Associate Director of Campus Activities & Involvement and the Assistant Director for Campus Activities & Involvement are all ex-officio members and serve as advisors without a vote.

A chairperson will be elected each year by majority vote and will begin his/her term with the first meeting of the fall semester. The position of the chairperson is only open to voting members of the committee. The Assistant Director for Campus Activities & Involvement will fulfill the role of the convener and will work with the chairperson to prepare for all meetings. The chairperson shall attend and preside over all meetings. S/He shall also sign all official documents of the SOC.

The convener shall call meetings and arrange to notify members of the committee with a minimum of four days advance notice. S/He shall also maintain all minutes and official documents and keep accurate files in the Campus Activities & Involvement Center.

The chairperson may be removed from office by a two-thirds majority vote of the SOC for non-fulfillment of duties. In the event that the chairperson leaves or is removed before completing the term of service, a replacement will be elected by the voting members to serve to the end of the term.

- B. Responsibilities of the committee include:
 - 1. Reviewing, approving and revoking registration of student organizations.
 - 2. Formulating, reviewing and approving policies governing student organizations for submission to the chancellor for final approval.
 - 3. Considering appeals that pertain to registration procedures.
 - 4. The SOC has continuing authority to review the purpose and activities of any student organization and to classify organizations in categories according to risk associated with their activity. The SOC has continuing authority to require participants of any student organization and the organization itself 1) to maintain appropriate insurance coverage and to submit proof of coverage, and/or 2) to submit valid waiver(s) of liability or assumption of risk statement(s) that protect(s) the university to the greatest extent possible from the risk of liability because of the activities of the organization.

VI-3 APPLYING FOR REGISTRATION AS STUDENT ORGANIZATION

- A. Students planning to develop a student organization must register their intent and provide written justification for the organization's establishment with the Campus Activities & Involvement Center (CAIC) and must have at least three (3) University of North Carolina Wilmington currently enrolled students interested in starting the organization. Groups which have filed this "Intent to Register" shall be granted provisional status and the use of university facilities for organizational or recruitment meetings. Organizations under this status are not eligible to reserve university space for events, fundraise on campus or establish an on-campus account. If a proposed constitution is not submitted to CAIC within one month of filing the "Intent to Register," permission for use of university facilities and services may be terminated (see Section VII), and pending reservations may be cancelled.
- B. To apply officially to SOC for registration, a group must submit a copy of its constitution to the CAIC. The CAIC staff will then work with the group on its constitution to prepare it for SOC review. The group must submit a final draft one week prior to the scheduled SOC meeting at which the constitution will be reviewed.
- C. One of the following decisions will be made after a constitution is submitted to the SOC:
 - 1. The constitution will be accepted without revision.
 - 2. The constitution will be accepted pending minor revision.
 - 3. The constitution will be deferred until revisions are made and there is a second review done by the committee.
 - 4. The constitution will be rejected because it needs major revision.
 - 5. The constitution will be rejected because it does not comply with university policy.

- D. Once an organization has been approved, the CAIC staff will provide a current copy of registration guidelines for the student organizations. Student organizations must then continue to re-register annually each fall.

VI-4 RIGHTS/PRIVILEGES OF REGISTERED STUDENT ORGANIZATIONS

- A. A registered organization is entitled to:
1. Be listed as a registered student organization. Only student organizations registered by SOC and in good standing with the university (meaning not on disciplinary probation) may use the name of the university or an abbreviation of it as a part of their name.
 2. Sponsor or present a public event on university property. Organizations undertaking this activity should consult with the CAIC staff for procedures and approval.
 3. Raise funds or make other permissible solicitations on university property in accordance with university policy (see Section VII-3).
 4. Reserve the use of university facilities and services (see Section VII and VIII-3).
 5. Be eligible for possible funding by the UNCW Student Government Association according to Student Government guidelines.
 6. Be listed on the "Student Organizations" web page for UNCW.
 7. Appoint or elect an advisor of the organization's choice; although strongly recommended, an advisor is not required.
 8. Utilize the resources and services provided in the Involvement Center.
 9. Have access to technological resources provided by ITSD such as a web page, UNCW e-mail account and file sharing/storage space on the student server.
- B. Policies and actions of a student organization will be determined by those persons who hold a bona fide membership in the organization.

VI-5 RESPONSIBILITIES OF REGISTERED ORGANIZATIONS

A registered organization must:

- A. Adhere to all university policies and procedures governing student organizations including:
1. Adhere to student standards of conduct (II-2)
 2. Reserving space (VII-1)
 3. Posting publicity such as posters and banners (VII-3)
 4. Political and religious activity (VII-4)

 6. Responsible use of electronic resources (Policy 07.100)
 7. Event registration

8. Dances
 9. Travel guidelines
- B. Have three (3) or more currently enrolled University of North Carolina Wilmington students. Student organizations may have non-student members as part of the student organization but these non-student members are not considered voting members nor may they serve in an official capacity on behalf of the organization.
 - C. Submit a completed Officer Update Form to the CAIC by the date set annually (date is published in CAIC registration materials and posted online at www.uncw.edu/storgs). In addition, student organizations must furnish a complete list of officers and other members of the organization who are authorized to speak for or represent the organization and who are designated to (including, but not limited to) sign paperwork, reserve space, file and manage appropriations and receive for the organization official notices, directives or other information from the university. Advisors may not be designated to act on behalf of the student organizations in the above stated areas. Each list shall be kept current and accurate throughout the year by the organization.
 - D. Keep on file with the CAIC a current copy of its SOC approved constitution signed and dated by the current president. In the event that the organization revises its constitution, a copy of the revised document should be submitted. This document should include a dateline to reflect when organization approval was obtained and should be supported by documentation of the changes that were made (i.e. meeting minutes, signatures of approval, etc.).
 - E. Send at least two delegates from its membership to the annual Student Organization Leadership Conference to receive leadership training for the academic year.

- A. Specific deadlines for registration materials will be set by CAIC each fall semester (deadline date is published in CAIC registration materials and posed on-line at www.uncw.edu/storgs).
- B. If CAIC determines that an organization has not completed the re-registration process; is ineligible for renewal of registration; is inactive, or conducts its affairs in violation of university policies and procedures; the organization shall be notified in writing of each deficiency and a copy of this correspondence shall be provided to the chairperson of the SOC and the dean of students. If the organization fails or refuses to attempt to remedy each deficiency, CAIC shall prepare a complaint based on the deficiency and forward it to the SOC for a determination of the student organization's registration status.
- C. A student organization which is inactive for more than four consecutive semesters may have its registration status fully revoked. Should this organization choose to reactivate after four semesters, it must submit an "Intent to Register" as though it were a new student organization.

- D. If, upon review, the SOC discovers that a student organization has revised its constitution so that it no longer complies with university policy, the organization will be notified in writing. If the constitution is not revised within ten (10) business days, the organization's registration status and all its privileges will be revoked. Should the student organization choose to revise its constitution after the ten (10) days, it must submit an "Intent to Register" as though it were a new student organization.

VI-7 GOVERNING BODIES

The SOC has established thirteen categories of student organizations. These categories are Academic, Professional, Cultural, Graduate Student Associations, Greek Life, Honorary, Media, Political/Activist, Religious, Performance/Visual Arts, Service, Special Interest and Sports and Recreation. In addition, there are eight established governing bodies: Student Government Association, Interfraternity Council, Panhellenic Council, National Pan-Hellenic Council, Residence Hall Association, Student Media Board, Graduate Student Association and the Sport Club Council. Governing bodies serve to represent, connect and provide services for other student organizations with similar missions and/or student populations that fall under their jurisdiction.

The Campus Conduct Board plus two (2) designees from the appropriate advisory council (appropriate advisory councils are SOC, Sport Club Council, Graduate Student Association, Interfraternity, Panhellenic Council and National Pan-Hellenic Council) would serve as the original hearing body for any conduct issues. All student organizations still maintain the right to an administrative hearing conducted by the Office of the Dean of Students.

VI-8 CONDUCT REVIEW

- A. A conduct review of any organization may be initiated by the dean of students/designee at the request of any registered campus organization, staff member, faculty member or student. Grounds for conduct review include, but are not limited to, alleged violation of rules by the organization as listed in Section II-1-B. Prior to disciplinary action or sanction, the dean of students/designee shall investigate the alleged violation. After completing a preliminary investigation, the dean of students/designee may:
1. Find no basis for complaint and dismiss the allegation as unfounded; or
 2. Summon the officers of the organization for a conference and,
 3. Either dismiss or proceed administratively by informing the organization of the following options for resolution of the disciplinary charges:
 - a. Plead not responsible to the charges and have a regular hearing before the established Campus Conduct Board plus two (2) designees from the appropriate advisory council. If a student

- organization is held responsible by Campus Conduct Board plus two (2) designees from the appropriate advisory council, an appropriate sanction will be determined.
- b. Plead not responsible to the charge(s) and request an administrative hearing before the dean of students/designee where determination of violation will be made. If a student organization is held responsible by the administrative hearing officer, an appropriate sanction will be determined.
 - c. Plead responsible to the charge(s) and elect for an administrative hearing before the dean of students/designee to determine an appropriate sanction. The dean of students/designee reserves the right to not hear the case.
4. A student organization choosing a regular hearing before Campus Conduct Board plus two (2) designees from the appropriate advisory council has a right of appeal to the vice chancellor for student affairs. A student organization choosing a regular hearing before the dean of students/designee has the right of appeal of the dean's decision to the Campus Conduct Board plus two (2) designees from the appropriate advisory council.
- B. The dean of students/designee and the Campus Conduct Board plus two (2) designees from the appropriate advisory council have the following disciplinary sanctions for dealing with groups that have been found in violation of university policies:
1. **Written Reprimand:** A written reprimand involves a status of warning through the end of the next full semester, which terminates automatically when the imposed period expires.
 2. **Disciplinary Probation:** Disciplinary probation involves a status of probation for up to one calendar year, which terminates automatically when the imposed period expires. An organization placed on disciplinary probation is considered not to be in good standing with the university.

As part of disciplinary probation, an organization may have restrictions placed on specific privileges as determined by the hearing body or administrative hearing officer, not to exceed the duration of the probationary period. In the event of a further violation of this *Code* or other applicable rules while on disciplinary probation, the university will seek the penalty of suspension.

3. **Suspension:** Suspension involves withdrawal of student organization registration through the end of the next full semester and ordinarily carries with it conditions which must be met for re-registration. Suspension ordinarily is followed by a status of

probation through the end of the following full semester, which terminates automatically when the imposed period expires.

4. ***Indefinite Suspension:*** Indefinite suspension involves withdrawal of student organization registration, at a minimum, through the end of at least the next two full semesters and ordinarily carries with it conditions which must be met for re-registration.

Re-registration after a suspension period requires that the organization apply to the dean of students at the close of the imposed period, and the dean will determine whether the organization has met the conditions imposed and is otherwise eligible for re-registration. A denial may be appealed to the SOC.

- C. Campus Conduct Board plus two (2) designees from the appropriate advisory council, as part of the disciplinary process, may impose specific conditions and/or require the student organization to make restitution for damage to or misappropriation of property. Reimbursement may take the form of appropriate service to repair or otherwise compensate damages.
- D. Campus Conduct Board plus two (2) designees from the appropriate advisory council may impose an oral reprimand, written reprimand or disciplinary probation, but may not impose the disciplinary penalty action of suspension or indefinite suspension. Campus Conduct Board plus two (2) designees from the appropriate advisory council may only recommend, but not impose, the disciplinary action of suspension.
- E. Specific cases involving UNCW campus organizations that require immediate action shall be handled by the vice chancellor for student affairs. Action taken by the vice chancellor for student affairs may be appealed by the student organization to the Campus Conduct Board plus two (2) designees from the appropriate advisory council within five (5) business days. Action taken by Campus Conduct Board plus two (2) designees from the appropriate advisory council may be appealed by the student organization to the chancellor within five (5) business days.
- F. An appeal as outlined above to each body shall be made in writing on or before the fifth class day after the decision of the appellate body. The notice shall contain the organization's name, date of decision or action, if any, and the name of the organization's representative, if any. All parties involved shall receive notification of the appeal and subsequent actions.
- G. The Campus Conduct Board plus two (2) designees from the appropriate advisory council or the dean of students/designee, as part of the disciplinary process, may make public the findings of the hearing and the sanctions imposed.

- C. Dances will end by 2:00 a.m., but no one will be allowed to enter after 1:00 a.m. This ending time may be amended to 1:00 a.m. if the university experiences problems with ending at 2:00 a.m.
- D. Advertising will be permitted off campus for student sponsored dances only if attendance guidelines are stated in each advertisement. Advertising on and off campus must state that attendees must be 18 years of age or older with proper identification or must possess a valid UNCW ID.
- E. Attendees must be 18 years of age or older and have proper ID or possess a valid UNCW ID.
- F. Student organizations holding dances in the Burney or Warwick Center shall be responsible for the following (for other university facilities see Section VII):
 - 1. At least one representative of the organization must be present when the DJ or performer(s) arrive. Setup will not begin until an organizational representative is present.
 - 2. All representatives of the organization who are assisting with the dance shall be present for a pre-event meeting with University Police and building manager(s) one hour prior to the start of the dance.
 - 3. The organization shall have seven people on duty at all times during a dance. Those seven shall be at the dance site one hour before the dance is to begin to (a) review the policies, procedures and regulations applicable to the dance; (b) review the schedule and assignments of organizational representatives at the dance and; (c) ensure that all organizational representatives are in attire identifiable to Campus Life and University Police staff on duty (recommend each person have same color shirt with identifiable insignia). Groups with less than seven organization members may augment their numbers with other students. The organization is, however, responsible for ensuring that seven people are available and working at the dance at all times. The sponsoring organization is responsible for the actions of their representatives at all times during the dance.
 - 4. Parking Lot K will be an option to Union Drive if a staff member is present and University Police approve this option. The two students who are typically assigned to work Union Drive will be reassigned to sell tickets at the main entrance of the Warwick Center. Two people shall be assigned to monitor the doors on the north and west

sides of the center and activity in the hallways and lobby. Two people will be “roamers” who will be responsible for checking restrooms and monitoring activities in the ballroom. Representatives should alert the building manager or police of any potential or actual problems. The sponsoring organization is responsible for making guests aware of and assisting in the enforcement of Warwick Center policies.

5. Organizations that cannot provide seven representatives or who do not have those representatives present within these guidelines may not be permitted to go ahead with the dance.
 6. If, at any time during the event, conditions or situations exist that are in conflict with these guidelines and these conditions or situations cannot be remedied, the building manager on duty, University Police, and/or the sponsoring organization shall, in consultation with the other parties, have the authority to close the dance.
 7. An open dance may not be held in the Burney Center or the Warwick Center when any other event is scheduled without advance consultation with University Police.
- G. Campus Life will be responsible for the following:
1. Building managers will be present for a pre-event meeting with University Police and sponsoring organization representatives at least one hour prior to the event.
 2. Building managers shall assist sponsoring organizations by being visible and observant throughout the dance and assuring the communication of problems and concerns to University Police and sponsoring organization representatives.
 3. Building managers shall interpret policy and act accordingly in the absence of a professional staff member. A professional staff member of the Campus Life department shall be on call when dances are held in these facilities.
 4. Building managers will be responsible for securing the building once the event has concluded.
- H. University Police will be responsible for the following:
1. A University Police representative will be present one hour before the event to attend the pre-event meeting.
 2. Officers will block Hamilton Drive at Riegel Road and direct event traffic to Union Drive. Officers will set up metal detectors at the entrance to the Warwick Center. Officers will be assigned to assist sponsoring organization representatives at the ticket sales point on Union Drive and in the parking lot. (These procedures may be changed by University Police due to other scheduled activities.)
 3. Officers assigned to Union Drive will support the event sponsors in checking ID's. Officers will assist persons deciding not to enter the event by directing them to areas where they can turn around and

controlling traffic as necessary to allow exit. Officers will enforce violations of drug and alcohol statutes and discourage intoxicated persons from entering the event.

4. Incidents of a verbal nature (arguing) should be addressed by sponsoring organization representatives if possible. University Police should be notified of incidents that, in the opinion of the sponsoring organization representatives, cannot be quelled without police intervention. University Police will not, however, seek out organization representatives if the incident, in their professional opinion, requires police intervention.
 5. As for, incidents of a physical nature (fighting, vandalism, etc.) it is the role of the University Police to intervene with fights and acts of violence. If acts of violence occur, the sponsoring organization representatives, building managers and professional staff representative shall position themselves away from danger but maintain communication ability with at least one police officer and follow the instructions of that officer. While police officers are trained to deal with violent actions, events may unfold quickly and escalate at a rapid rate. If officers are not able to diffuse a situation quickly or the situation escalates rapidly, event sponsors should attempt to direct patrons to nearby exits and listen for police instructions. It is important to realize that officers are equipped to respond to these situations and that certain equipment may cause discomfort not only to combatants, but also to onlookers.
 6. Officers will patrol the parking lot area directly following the event to facilitate clearing of the area.
 7. The University Police will provide three officers at no charge to the sponsoring organization for the events held on Friday evenings. The organization will be charged for two officers. Events held on Saturday night will be charged at the normal rate in effect for the number of hours worked by five officers.
- I. Student organization dances held in Wagoner Hall and Madeline Suite:
1. Wagoner Hall and Madeline Suite should be used only if the Warwick Center facilities are unavailable. Use of these facilities is subject to the approval of the Director of Auxiliary Services.
 2. For student organization sponsored dances held in Wagoner Hall and Madeline Suite, a staff advisor must be present.
- J. Student organization sponsored dances held in Trask Coliseum and Hanover Hall:
- All general policies outlined above will apply to dances held in these areas though specific responsibilities of student organization members during the dance will vary depending on the facility and the particular event. Student organization representatives shall obtain these specific duties through consultation with the Assistant Director of Athletics.

- K. Solicitation guidelines as described in the *UNCW Code of Student Life* shall be applied to all dances where admission is charged or where money is collected in any way. The solicitation policy includes the completion of appropriate forms in the Campus Activities & Involvement Center.
- L. The following general polices will be in effect for student sponsored dances:
 - 1. Security needs for all events on the UNCW campus, including use of metal detectors, shall be determined through consultation between student event sponsors and the Chief of University Police.
 - 2. The number of events requiring University Police per weekend (Friday - Saturday night) will be determined on an event-by-event basis through consultation between event sponsors and the Chief of University Police. (As a general rule, such events should be limited to one per weekend due to limited campus staff.)
 - 3. Students, guests and other observers will not be permitted to gather in or around the entrance and exits of the facility, nor will they be permitted to gather in the parking lots, roads or any area adjacent to the facility. Once a student or guest enters the dance, re-entry is not allowed.
 - 4. All facility user fees and security charges are the responsibility of the sponsoring organization. Any organization with overdue bills will not be granted use of the facilities.
 - 5. In order to allow all groups an opportunity to hold dances in the Burney and Warwick Center Ballrooms, Campus Life Reservation & Event Services will accept only two weekend dance reservations at a time from any one club or organization for each semester (Friday/Saturday nights). After the first scheduled dance has taken place, the group can then make additional dance reservations for that semester (resulting in any club or organization having only two dance reservations on the books at any one time during the semester).
- M. Violation of any of these policies may lead to disciplinary action, including, but not limited to, the barring of individual students, guests and/or organizations from participation in future activities of this nature.

HARASSMENT PREVENTION POLICY

POLICY 02.200

I. PURPOSE

The university affirms its desire to maintain a work environment for all employees and a learning and living environment for all students that is free from all forms of harassment. The university is committed to ensuring that all students, faculty, staff and administrators are treated with dignity and respect. Harassment is highly detrimental to an environment of mutual respect that must prevail if the university is to fulfill its goals. All members of the university community have an obligation to learn what behaviors constitute harassment, to be responsible for their own behavior and to cooperate in creating a climate where harassment is not tolerated. This policy shall be applied in a manner that protects the academic freedom and freedom of expression of all parties.

II. SCOPE

- A. Harassment based on race, color, religion, creed, sex, national origin, age, disability, sexual orientation or veteran status is a form of discrimination in violation of federal law, state law and/or university policy, and will not be tolerated.
- B. Retaliation against any person complaining of harassment or any person who is a witness to harassment is in violation of the law and this policy and is grounds for appropriate disciplinary action.
- C. The university will respond promptly to all complaints of harassment and retaliation whether the behavior is communicated physically, verbally, in print, via the Internet or through other means. When necessary, the university will institute discipline against the offending individual, which may result in a range of sanctions, including, but not limited to, the following: for students -- warning, disciplinary probation or suspension; and for employees -- warning, suspension without pay or dismissal.
- D. The university considers the filing of intentionally false reports of harassment as a violation of this policy and grounds for appropriate disciplinary action.
- E. Disciplinary action for violations of this policy by students will be the responsibility of the Office of the Dean of Students; disciplinary action for violations of this policy by employees will be the responsibility of the pertinent senior officer in the employee's division after consultation with the university's equal employment opportunity/affirmative action officer, and in accordance with applicable procedures.

III. PROHIBITED CONDUCT

- A. Harassment is unwelcome conduct based on race, color, religion, creed, sex, national origin, age, disability, veteran status or sexual orientation that is

either a condition of working or learning (“quid pro quo”) or creates a hostile environment.

- B. Quid pro quo harassment consists of unwelcome conduct when:
 - 1. Submission to such conduct is made either explicitly or implicitly a term or condition of an individual’s employment, employment decisions, academic standing or receipt of a needed or legitimately requested university service or benefit; or
 - 2. Submission to, or rejection of, such conduct by an individual is used as basis for decisions affecting such individual in matters of employment, employment decisions, academic decisions (such as grades) or receipt of a needed or legitimately requested university service or benefit.
- C. Hostile environment harassment consists of unwelcome conduct when:
 - 1. Such conduct has the purpose or effect of unreasonably interfering with an individual’s work, academic performance or living environment; or
 - 2. Such conduct has the purpose or effect of creating an intimidating, hostile or offensive working, learning or living environment.
- D. Hostile environment harassment is determined by looking at all of the circumstances, including the frequency of the allegedly harassing conduct, and its severity. A single, serious incident may be sufficient to constitute hostile environment harassment.
- E. Retaliation is conduct causing any interference, coercion, restraint or reprisal against a person complaining of harassment or participating in the resolution of a complaint of harassment.

IV. REPORTING

The university encourages reporting of all perceived incidents of harassment, regardless of who the alleged offender may be. Individuals who either believe they have become the victim of harassment or have witnessed harassment are to utilize the Harassment Resolution Procedures.

This policy is published online at www.uncw.edu/policies.

HARASSMENT RESOLUTION PROCEDURES POLICY 02.210

I. PURPOSE

These procedures are intended to provide for the prompt and equitable resolution of harassment. These procedures apply to all university students, agents and employees, including full- and part-time students, graduate and undergraduate; and full, part-time and temporary employees, including faculty, EPA professionals and SPA employees, as well as visitors. The university recognizes that there are multiple avenues for resolving harassment concerns,

from informal means and mediation to formal investigations. The university encourages individuals who believe that they are the subject of harassment to report incidents in accordance with these procedures.

II. CONFIDENTIALITY

The university shall protect the privacy and confidentiality of individuals both reporting and individuals who are alleged to have harassed to the extent allowed by law. However, once a university official has actual knowledge of allegations which may be serious enough to constitute a violation of the university's harassment prevention policy, the university's legal obligations require it to investigate under the formal procedures described below in Sections VII or VIII. If an individual desires complete confidentiality and does not want such an investigation, he/she should consult with individuals, who by law have special professional status, such as mental health counselors, physicians, clergy or private attorneys.

III. ADMINISTRATIVE RESPONSIBILITY

Vice chancellors, deans, directors, department chairs or supervisors who become aware of specific allegations of harassment must report the allegations promptly either to the Human Resources Director/Equal Employment Opportunity/Affirmative Action Officer ("EEO/AA officer") or the dean of students, as appropriate based on the status of the alleged offender.

IV. RETALIATION PROHIBITED

Any act by a university employee, agent or student of reprisal, interference, restraint, discrimination, coercion or harassment against any person using these procedures shall constitute a policy violation and shall be subject to prompt and appropriate disciplinary action.

V. OTHER REMEDIES

- A. The existence of these procedures does not prohibit individuals from also filing claims under Title VII (Civil Rights Act of 1964) with the Equal Employment Opportunity Commission or under Title IX (Education Amendments of 1972) with the Office of Civil Rights, U.S. Department of Education.
- B. SPA employees may file a grievance under the Unlawful Workplace Harassment section of the SPA Grievance and Appeal Policy. This is the required procedure for SPA employees who desire to maintain their appeal rights through the Office of Administrative Hearings of the State Personnel Commission. To use this procedure, the SPA employee must submit a written grievance to Human Resources within thirty (30) calendar days of the alleged harassment. SPA employees who do not submit a written grievance to Human Resources within this time frame may still utilize the formal resolution procedures for resolving their concerns as stated below

but will not have the option of later appealing to the Office of Administrative Hearings or using any other university appeal procedures.

VI. INFORMAL RESOLUTION

- A. In deciding whether to pursue informal means, including mediation, the affected individual is encouraged to seek the assistance of representatives in the Office of the Dean of Students, Housing and Residence Life staff, Student Health Services, the Counseling Center or Human Resources. These offices are available to assist the affected individual in crafting the message to send to the offending individual, as well as recommending other informal mechanisms and setting up mediation. Whichever office the affected individual elects to discuss his/her concerns with, the issue of confidentiality should be addressed before specific facts or identities are disclosed due to the university's legal obligations to investigate all allegations that may constitute harassment as defined in the university's harassment prevention policy.
- B. Harassment concerns may be resolved through a variety of informal mechanisms, including, but not limited to, the following:
 - 1. Telling the alleged offender his or her behavior is unwelcome and must stop.
 - 2. Asking for an apology and a commitment that the behavior will stop.
 - 3. Sending a copy of the university's harassment prevention policy to the alleged offender.
 - 4. Writing to the alleged offender regarding the conduct, pointing out the effects of such behavior and explaining the behavior change desired.
 - 5. Having the pertinent supervisor to counsel the alleged offender about appropriate behaviors and conduct expectations.
 - 6. Seeking to mediate the concern.

VII. FORMAL RESOLUTION: STUDENT INITIATED HARASSMENT

Complaints about students must be presented to the Office of the Dean of Students. The dean of students/designee shall investigate and take appropriate disciplinary action commensurate with the severity and/or frequency of the conduct. Discipline resulting from student harassment shall be taken in accordance with the procedures provided in the *Code of Student Life*.

VIII. FORMAL RESOLUTION: EMPLOYEE OR OTHER NON-STUDENT INITIATED HARASSMENT

- A. A complaint must be presented within ninety (90) calendar days of the alleged harassing incident to the EEO/AA officer. If filed later than ninety calendar (90) days, the EEO/AA officer may extend the time limit based on

extenuating circumstances and at his/her sole discretion. If the allegations are against the EEO/AA officer, the complainant may present the complaint to the general counsel for investigation and resolution.

- B. Complainants are not required to provide a signed, written statement describing their complaint, though such documentation is strongly encouraged. If the complainant conveys the allegations verbally, the EEO/AA officer/designee shall document the complaint and have the complainant review and sign the documentation to indicate that it is accurate and complete.
- C. Depending on the nature and severity of the allegations, the university may be obligated to investigate a complaint of harassment without a signed, written statement once the university has actual notice of possible harassment. Under Title IX, the university is legally obligated to take prompt and remedial measures to end harassment of a student, even if the student does not make a complaint or otherwise requests action to be taken.
- D. The EEO/AA officer, or designee shall determine whether the allegations fall within the scope of the university's harassment prevention policy. If the determination is that the policy is implicated, the EEO/AA officer or designee(s) shall investigate promptly.
- E. At a minimum, the investigator(s) shall provide for an interview of the complainant and the respondent. Witnesses should also be interviewed, and any relevant documentary evidence shall be reviewed. The investigator(s) shall take notes of all individuals who are interviewed. The investigator(s) shall instruct individuals that retaliation is prohibited and is a violation of university policy and the law. The individuals shall also be instructed about the confidentiality and privacy parameters of the investigation.
- F. Both the complainant and the respondent may be accompanied when interviewed by another member of the university community, so long as the individual does not interfere with the interview. This person's role is simply as an observer. Representation by legal counsel during the interview is prohibited.
- G. Upon completion of the investigation, the investigator(s) shall prepare a written report of the factual findings and a conclusion about whether a policy violation has been committed. The EEO/AA officer shall forward the report to the pertinent senior officer in the unit where the respondent is employed.
- H. In the event that a violation of the university's harassment prevention policy is found, the pertinent senior officer shall determine the appropriate disciplinary action in consultation with the EEO/AA officer and in accordance with the appropriate disciplinary procedures pertaining to the affected individual (e.g., Section 603 of the Code of the Board of Governors for imposition of serious sanctions against a faculty member, SPA Grievance Procedure, or EPA Grievance Procedure). Any prior violations of the harassment prevention policy involving the respondent shall be considered in any disciplinary action.

- I. The complainant and the respondent shall be informed immediately when the investigation is completed. Results of the investigation, the report and any subsequent disciplinary action shall be kept confidential to the extent allowed by the Family Educational Rights and Privacy Act (FERPA) and the North Carolina Personnel Records Act.

IX. RECORD KEEPING

- A. The Human Resources Office shall retain all records of the investigation in a confidential file.
- B. The EEO/AA officer and the dean of students shall provide statistics on an annual basis to the chancellor of the number of incidents that have been investigated under the formal resolution procedures.

X. APPEAL PROCEDURES

- A. The grounds for appeal by the complainant or the respondent may be for only these reasons:
 1. The harassment is ongoing;
 2. The remedy was not implemented;
 3. Material procedural irregularities occurred during the investigation; or
 4. New evidence has been discovered that had not been available during the investigation.
- B. Dissatisfaction with the university's conclusion from the formal resolution procedures is not grounds for an appeal. Appeals of any disciplinary action must be taken in accordance with the SPA grievance procedures, the EPA grievance procedures or Section 603 of the *Code of the Board of Governors*, as appropriate.
- C. A written appeal statement must be filed within thirty (30) calendar days after notice that the investigation has been completed. The statement must be sent to the EEO/AA officer.
- D. Appeal statements must include a copy of the original complaint, a summary of efforts to resolve the harassment and the grounds for the appeal.
- E. The pertinent vice chancellor/designee shall review the appeal with the EEO/AA officer and make a decision. The decision must be in writing and sent to the complainant in a matter which ensures receipt. This decision constitutes a final university decision.

This policy is published online at www.uncw.edu/policies.

IMPROPER RELATIONSHIPS BETWEEN STUDENTS AND EMPLOYEES

POLICY 02.220

I. PURPOSE

This policy sets forth professional conduct standards for all employees who are involved in the instruction, supervision or evaluation of students. The university does not condone amorous relationships between students and employees. Members of the university community should avoid such liaisons, which can harm affected students and damage the integrity of the academic enterprise. Further, sexual relationships between unmarried persons can result in criminal liability. In two types of situations, university prohibition and punishment of amorous relationships is deemed necessary: 1) when the employee is responsible for evaluating or supervising the affected student; and 2) when the student is a minor, as defined by North Carolina law.

II. PROHIBITED CONDUCT

- A. It is misconduct, subject to disciplinary action, for a university employee, incident to any instructional, research, administrative or other university employment responsibility or authority, to evaluate or supervise any enrolled student of the institution with whom he or she has an amorous relationship or to whom he or she is related by blood, law or marriage.
- B. It is misconduct, subject to disciplinary action, for a university employee to engage in sexual activity with any enrolled student of the institution, other than his or her spouse, who is a minor below the age of 18 years.

III. DEFINITION OF TERMS

- A. "Amorous relationship" exists when, without the benefit of marriage, two persons as consenting partners
 - (1) Have a sexual union; or
 - (2) Engage in a romantic partnering or courtship that may or may not have been consummated sexually.
- B. "Evaluate or supervise" means:
 - (1) To assess, determine or influence a) one's academic performance, progress or potential; or b) one's entitlement to or eligibility for any institutionally conferred right, benefit or opportunity; or
 - (2) To oversee, manage or direct one's academic or other institutionally prescribed activities.
- C. "Related by blood, law or marriage" means:
 - (1) Parent and child
 - (2) Brother and sister
 - (3) Grandparent and grandchild

- (4) Aunt and/or uncle and niece and/or nephew
- (5) First cousins
- (6) Stepparent and stepchild
- (7) Husband and wife
- (8) Parents-in-law and children-in-law
- (9) Brothers-in-law and sisters-in-law
- (10) Guardian and ward

IV. REPORTING POLICY VIOLATIONS

- A. The university encourages individuals to report alleged violations to the department chair, dean, director or vice chancellor of the division or department in which the employee involved in the relationship is employed. The dean, director or vice chancellor, in consultation with the Director of Human Resources and the Provost, shall determine whether to authorize a formal investigation of the allegations.
- B. Self-reporting is encouraged to avoid potential conflicts of interests, actual conflicts of interests or the appearance of a conflict. If the potential for such a conflict arises, the employee is required to disclose the possibility of a potential conflict to his or her immediate supervisor and efforts are to be made to eliminate any potential source of the conflict.
- C. The university considers the filing of a false or malicious report as a violation of this policy, and the individual who reports shall be subject to prompt and appropriate disciplinary action.

V. INVESTIGATORY PROCEDURES

- A. Because of the sensitive nature of such relationships, reasonable effort should be taken to resolve a policy violation in an informal and expedited manner whenever possible.
- B. If a formal investigation is authorized, the pertinent vice chancellor will identify an appropriate administrator(s). The investigating administrator(s) cannot be the direct supervisor of the employee named in the complaint. The investigating administrator(s) shall interview the employee, the affected student, the complainant and any other individual believed to have pertinent factual knowledge necessary to determine the validity of the allegations. Relevant documents should also be reviewed. All parties to an investigation must be instructed on the confidential nature of the matter, and the prohibition against retaliation for reporting policy violations and/or participating in an investigation.
- C. The investigating administrator(s) shall prepare a report of findings, which shall be considered a confidential personnel record. Human Resources will serve as a consultant to the process to ensure consistency of treatment. In the case of a faculty member, the report shall be submitted to the pertinent dean and the provost, with a copy to the Director of Human Resources. In the case of a non-faculty member, the report will be submitted to the pertinent vice chancellor and the Director of Human Resources.

- D. Results of the investigation, the report and any subsequent disciplinary action shall be kept confidential to the extent allowed by the Family Educational Rights and Privacy Act (FERPA) and the North Carolina Personnel Records Act. Generally, the complainant is not entitled to learn the outcome of such an investigation other than notice when the investigation has concluded. All related documentation should be forwarded as soon as possible following resolution to Human Resources for retention.
- E. Reasonable efforts should be made to address the concern in as timely a manner as possible, which should be within thirty (30) calendar days of receiving the complaint. The Director of Human Resources should be advised on any investigation and/or resolution that takes longer than thirty (30) calendar days. This should be accomplished through a status report provided by the investigating administrator(s).

VI. CORRECTIVE ACTION

Any disciplinary action imposed for a violation of this policy shall be made in accordance with the disciplinary procedures applicable to the faculty or staff member's category of employment. Sanctions may include a letter of reprimand or warning, suspension without pay or dismissal from employment. Disciplinary action shall be decided by the appropriate vice chancellor or designee in consultation with the Director of Human Resources.

This policy is published online at www.uncw.edu/policies.

TOBACCO POLICY

POLICY 02.330

(established May 5, 2008; effective June 1, 2008)

I. PURPOSE

The University of North Carolina Wilmington (UNCW) has a responsibility to its employees and students to provide a safe and healthful environment. Research findings show that tobacco use in general, including smoking and breathing secondhand smoke, constitutes a significant health hazard. In addition to causing direct health hazards, smoking contributes to institutional costs in other ways, including fire damage, cleaning and maintenance costs, and costs associated with employee absenteeism, health care, and medical insurance.

II. SCOPE

The tobacco policy applies to all students, university employees, and visitors and guests of the university. For the purposes of this policy, smoking is defined as burning any type of tobacco product including, but not limited to, cigarettes, cigars, cigarillos, pipes, and bidis.

III. POLICY

- A. Smoking is prohibited in all UNCW buildings.
- B. Smoking is prohibited up to 25 feet outside the entrance to any campus building (measured as 25 feet from the end of each formal entrance structure). Special consideration will be given to those buildings where compliance with a 25 feet perimeter poses a danger to the individual.
- C. Smoking is prohibited in all UNCW vehicles.
- D. The sale of tobacco products on campus is prohibited.
- E. The free distribution of tobacco products on campus is prohibited.
- F. Registered student organizations are prohibited from accepting event sponsorship from tobacco brand companies and from promoting tobacco products.

IV. IMPLEMENTATION AND ENFORCEMENT

- A. Enforcement of this policy will depend upon the cooperation of all faculty, staff, and students not only to comply with this policy but also to encourage others to comply with the policy in order to provide a healthy environment in which to work, study, and live.
- B. Repeated or intentional non-compliance with these provisions will be managed in accordance with Student Affairs guidelines for all students and disciplinary guidelines for staff and faculty. When necessary, the university will institute discipline against the offending individual, which may result in a range of sanctions, including but not limited to the following: for students - warning, disciplinary probation, or suspension; and for employees - warning, suspension without pay, or dismissal.
- C. All non-smoking areas shall be clearly marked with appropriate signage and other physical indicators, especially related to the 25 foot perimeter policy. Any smoking waste management products should be placed outside of the 25 foot perimeter.
- D. Housing and Residential Life is responsible for enforcing and implementing sanctions in campus and student residences, per item #33 in the *Code of Student Life*, Residence Life publication, *A Guide to On-Campus Living*.

V. SMOKING CESSATION SERVICES

- A. Smoking cessation services for students will be provided by UNCW's Substance Abuse Prevention and Education Program, in partnership with Health Promotion Services and the Abrons Student Health Center.
- B. Information regarding smoking cessation services and education for employees is available through Human Resources and/or the State Health Plan.

This policy is published online at www.uncw.edu/policies.

ILLEGAL DRUGS POLICY 04.110

I. PURPOSE

The fundamental purpose of the university is to maintain an environment that supports and encourages the pursuit and dissemination of knowledge. That environment is damaged by illegal drug use. Therefore, all members of the academic community, students, faculty, administrators and other university employees share the responsibility for protecting the environment by exemplifying high standards of professional and personal conduct.

II. POLICY AND PROGRAM

- A. The illegal use, possession, sale, delivery and/or manufacture of drugs will not be tolerated and may be grounds for immediate suspension or dismissal of students, faculty, administrators and other university employees.
- B. University policies and programs are intended to emphasize the following:
 - 1. The incompatibility of the use or sale of illegal drugs with the goals of the university.
 - 2. The legal consequences of involvement with illegal drugs.
 - 3. The medical implications of the use of illegal drugs.
 - 4. The ways in which illegal drugs jeopardize an individual's present accomplishments and future opportunities.
- C. The university provides a systematic substance abuse education and prevention program designed to reach all segments of the campus community. To assist in accomplishing this mission, CROSSROADS: Substance Abuse Prevention and Education Program has developed a well-integrated, centralized program that is a focal point for campus substance abuse education, training and prevention, which monitors the effectiveness of programs for constituencies served. The Counseling Center provides substance abuse counseling and referral services for students and provides consultation to students, faculty and staff.

III. EDUCATION

The university provides a program of education designed to help all members of the university community avoid abuse of illegal drugs. Education programs:

- A. Provide a system of accurate, current information exchange on the health risks and symptoms of drug use for students, faculty and staff.
- B. Promote and support institutional programming that discourages substance abuse.
- C. Establish collaborative relationships between community groups and agencies and the institution for education, treatment and referral.

- D. Provide training programs for students, faculty and staff to enable them to detect problems related to drug use and refer persons with these problems for appropriate assistance.
- E. Include information about drugs for students and family members in the student orientation programs. The use of prescription and over-the-counter drugs will be addressed.
- F. Support and encourage faculty in incorporating education about drugs into the curriculum where appropriate.
- G. Develop a coordinated effort across campus for drug related education, treatment and referral.

IV. COUNSELING AND REHABILITATION

- A. The university provides information about drug counseling and rehabilitation services to members of the university community. Persons who voluntarily avail themselves of university services can be assured that applicable professional standards of confidentiality will be observed. Counseling and rehabilitation services include:
 - 1. Training for professional staff and student staff on drug abuse information, intervention and referral.
 - 2. Education programs for students who have demonstrated abusive behavior with drugs.
 - 3. Assessment, counseling and referrals for students.
 - 4. Consultation, information and referrals for students, staff and faculty.
- B. In providing the above strategies, it is recognized that some campus constituents may prefer professional assistance external to the campus. Therefore, CROSSROADS: Substance Abuse Prevention and Education Program will collaborate with the Counseling Center in the development of appropriate referral mechanisms for these individuals. A listing of off-campus resources for assistance and referral is available for those who choose that option. In the development of this program, it is desired that faculty, students, administrators and other employees be comfortable in the manner in which they are served and have a choice in the selection of appropriate assistance. Individuals served in the Counseling Center on campus can be assured that applicable confidentiality will be maintained.

V. ENFORCEMENT AND PENALTIES

A. ENFORCEMENT

- In seeking to enforce established university policy, the university will:
- 1. Publicize all drug policies.
 - 2. Consistently enforce drug policies.
 - 3. Exercise appropriate disciplinary action for drug policy violations.

B. **PENALTIES**

The university shall take actions necessary, consistent with state and federal law and applicable university policy to eliminate illegal drugs from the university community. University policy on illegal drugs is publicized in the university catalog, student and faculty handbooks, student orientation materials, on-line resources, letters to students and parents, residence hall meetings and faculty and employee meetings.

Students and faculty members, administrators and other employees are responsible as citizens for knowing about and complying with the provisions of the North Carolina law that makes it a crime to possess, sell, deliver or manufacture drugs designated collectively as “controlled substances” in Article V, Chapter 90 of the North Carolina General Statutes (see State Law I). Any member of the university community who violates that law is subject both to prosecution and punishment by the civil authorities and to disciplinary proceedings by UNCW. It is not “double jeopardy” for both the civil authorities and the university to proceed against and adjudicate a person for the same specified conduct. The university will initiate its own disciplinary proceedings against the student, faculty member, administrator or other employee when the alleged conduct is deemed to affect the interest of the university.

Penalties will be imposed by the university in accordance with procedural safeguards applicable to disciplinary actions against students (see *Code of Student Life*, Section II), faculty members (see *Policies of Academic Freedom and Tenure*, UNCW, Section VII), and administrators and other employees (see *Procedure No. PER 6.10* and *Personnel Policies for Designated Employment Exempt from State Personnel Act - EPA Administrative Positions*)³.

The penalties to be imposed by the university may range from written warning with probationary status to expulsion from enrollment and discharge from employment; however, the following minimum penalties shall be imposed for the particular offenses described:

1. **TRAFFICKING IN ILLEGAL DRUGS**

- a. For a first offense involving the illegal manufacture, sale or delivery, or possession with intent to manufacture, sell or deliver any controlled substance identified in Schedule I, North Carolina General Statutes 90-89, or Schedule II, North Carolina General Statutes, 90-90 (including, but not limited to heroin, mescaline, lysergic acid diethylamide, opium, cocaine,

³ Rules of the State Personnel Commission govern the disciplinary actions that may be taken against SPA employees. Under current commission regulations discharge, rather than suspension, is the applicable penalty for SPA employees in those instances where this policy otherwise requires suspension.

amphetamine, methaqualone), any student shall be expelled and any faculty member, administrator or other employee shall be discharged.

- b. For a first offense involving the illegal manufacture, sale or delivery, or possession with intent to manufacture, sell or deliver any controlled substance identified in Schedules III through VI, North Carolina General Statutes 90-91 through 90-94, (including, but not limited to, marijuana, phenobarbitals, codeine), the minimum penalty shall be suspension from enrollment or from employment² for a period of at least one semester or its equivalent. For a second offense, any student shall be expelled, and any faculty member, administrator or other employee shall be discharged.

2. ***ILLEGAL POSSESSION OF DRUGS***

- a. For a first offense involving the illegal possession of any controlled substance identified in Schedule I, North Carolina General Statutes 90-89, or Schedule II, North Carolina General Statutes 90-90, the minimum penalty shall be suspension from enrollment or from employment² for a period of at least one semester or its equivalent.
- b. For a first offense involving the illegal possession of any controlled substance identified in Schedules III through VI, North Carolina General Statutes 90-91 through 90-94, the minimum penalty shall be probation for a period to be determined on a case-by-case basis. A person on probation must agree to participate in a drug education and counseling program, consent to regular drug testing, and accept such other conditions and restrictions, including a program of community service, as the chancellor or chancellor's designee deems appropriate. Refusal or failure to abide by the terms of probation shall result in suspension from enrollment or employment² for any unexpired balance of the prescribed period of the probation.
- c. For the second or other subsequent offenses involving the illegal possession of controlled substances, progressively more severe penalties shall be imposed, including expulsion of students and discharge of faculty members, administrators and employees.

3. ***SUSPENSION PENDING FINAL DISPOSITION***

- a. When a student, faculty, administrator or university employee has been charged by the university with a violation of policies concerning illegal drugs, he/she may be suspended from enrollment and/or employment before initiation or completion of regular disciplinary proceedings if, assuming the truth of the charges, the chancellor, or in the chancellor's absence the

chancellor's designee concludes that the person's continued presence within the university community would constitute a clear and immediate danger to the health or welfare of other members of the university community; provided that, if such a suspension is imposed, an appropriate hearing of the charges against the suspended person shall be held as promptly as possible thereafter.

VI. ASSESSMENT

The university shall, in its effort to continually assess the campus environment, do the following

1. Appraise the institutional environment as an underlying cause of drug abuse.
2. Assess campus awareness, attitudes and behaviors regarding the use of drugs and employ results in program development.
3. Collect and use drug related summary information from police and security reports to guide program development.
4. Collect and use summary data regarding health, counseling and client information to guide program development.
5. Collect summary data regarding drug related disciplinary actions and use it to guide program development.

SEXUAL ASSAULT POLICY 04.130

I. PURPOSE

The university takes all forms of sexual violence very seriously. In order to provide a safe campus community within which all members are valued and respected, policies and procedures for addressing sexual violence have been established and are detailed in the following pages. Acts of sexual violence carried out by and/or against university community members will not be tolerated and are punishable under university policies and North Carolina law.

II. SERVICES

To appropriately address sexual violence, the university provides comprehensive services including:

- Educational programs, awareness events and print and video resources addressing a variety of topics related to sexual violence.
- Policies addressing sexual assault behaviors.
- Counseling and intervention services for those who have been assaulted or who have concerns regarding sexual violence.

- Referral to off-campus agencies that provide services for persons who have been sexually assaulted.
- Procedures for assisting persons who have been sexually assaulted in obtaining medical and counseling services.
- Procedures for campus judicial action when persons who have been assaulted wish to pursue campus disciplinary action against the assailant.
- Procedures for assisting persons who have been sexually assaulted in pursuing criminal action against their assailants.

III. DEFINITION OF TERMS

For the purpose of this policy, the terms “sexual violence” and “sexual assault” are used interchangeably.

- **Sexual Assault**
Any attempted or actual sexual activity that is unwanted or nonconsensual including oral or anal penetration, sexual touching, fondling, rape and a variety of other acts. Sexual assault is a crime under North Carolina law.
- **Rape**
Under North Carolina law is defined as:
 1. Vaginal intercourse
 2. By force
 3. Against a person’s will
- **Stranger Rape**
Rape in which the victim does not know the rapist. This type of rape occurs the least often of the three types listed here, but is the one most often reported.
- **Acquaintance Rape**
Rape in which the victim knows or is acquainted with the rapist. Also called “date rape” when the victim is or has been dating the rapist. Ninety percent of college rapes occur between people who know each other. This type of rape occurs the most often, but is least often reported.
- **Gang Rape**
Rape in which there are two or more rapists involved.

Other definitions regarding sexual assault are necessary to ensure that the university policies are clearly understood.

1. Any sexual behavior to which all persons involved do not clearly, verbally and freely consent **may** be considered sexual assault or sexual violence.

Note:

- a. Any sexual behavior in which a person engages because of coercion, threats, emotional or verbal abuse, physical force or

- threat, intimidation, intoxication or other instances in which consent CANNOT be freely given constitutes sexual assault.
- b. A person who is impaired because of their use of alcohol or other drugs is assumed to be unable to give consent.
- c. Consent requires that the person has:
 - Adequate and correct information for decision-making,
 - The power to freely choose, and
 - The freedom to have their choice respected by others.
- 2. Behaviors that are considered sexual assault and which can result in criminal, civil or campus disciplinary action include, but are not limited to any of the following to which all parties involved **do not** or **cannot** freely consent (as defined above):
 - Any touching of a sexual nature
 - Penetration of the vagina by the penis (the definition of “rape” according to North Carolina law)
 - Any sexual activity with a person who is too impaired by alcohol or other drugs to meet the above definition of consent
 - Any sexual activity with a person who is mentally defective, mentally incapacitated or physically helpless
 - Oral, anal or vaginal penetration with the penis, fingers or any object
 - Any sexual behavior with a person under the age of 16 (according to North Carolina law)

IV. REPORTING POLICY VIOLATIONS

If you are raped or sexually assaulted:

1. Get to a safe place, one that is well-lit and where there are other people, preferably people you know and trust.
2. Do not bathe, douche, brush your teeth, drink, change clothing or even comb your hair before seeking medical attention. It is only natural to want to do so, but you may be destroying physical evidence that could be needed later if you decide to prosecute.
3. Call for help! People who care and who will provide you with support and information are available 24 hours a day at UNCW’s Collaboration for Assault Response & Education (CARE) at 962-CARE or after hours at 512-4821, the Rape Crisis Center at 392-7460 or the UNCW Counseling Center at 962-3746. Staff members at all centers can help you consider your reporting options and decide what to do next.
4. To report the assault, call University Police at 911 or 962-2222 on-campus. Reporting does not mean that you have to prosecute. See the next section for more on reporting options.
5. Get immediate medical attention. You may have injuries of which you are unaware.

6. If you wish, call a friend, family member or other trusted person to be with you.

V. REPORTING ALTERNATIVES

It is important to report ANY sexual assault. To do so does not obligate a person to prosecute their assailant. There are several ways to take action:

1. Anonymous Notification
2. Adjudication through the UNCW Conduct System
3. Criminal Prosecution

In any case, we recommend that victims report the crime to the University Police or local law enforcement officials as soon as possible to ensure proper evidence collection and investigation. This will be of great importance should the person choose later to prosecute. Reporting options may be discussed with any of the university resources listed under “Filing an Anonymous Notification” later in this policy.

1. Anonymous Notification

An anonymous notification may be filed with any of the university resources listed in Part II below. In this notification, your identity will remain anonymous. By using this reporting option, you can provide the university or law enforcement agencies with important information that may prevent other assaults or may alert police and others to specific high risk areas while maintaining your anonymity.

2. UNCW Conduct System

Whether or not you choose to pursue criminal prosecution, if the assailant is a UNCW student, you may file a report through the UNCW Conduct System. A hearing will be conducted by an administrative hearing officer, Campus Conduct Board or the Committee on Extraordinary Disciplinary Emergencies. If the assailant is found responsible, sanctions can range from probation to suspension from the university. For more information, contact the Office of the Dean of Students at 962-3119.

3. Criminal Prosecution

If you decide to pursue formal prosecution, local law enforcement officials will need assistance in identifying and apprehending the assailant. Information concerning the time and location of the assault, as well as a complete description of the assailant (if possible) will be important. The more information and details you can provide, the better the chances of identification and prosecution. If the assailant is identified, the New Hanover County District Attorney’s Office will determine if there is sufficient evidence to prosecute. Be aware that your past sexual history cannot be discussed except for past relations with the assailant.

PART II

I. UNIVERSITY RESPONSE TO A SEXUAL ASSAULT REPORT

The university takes all incidents of sexual violence very seriously. Persons who have been assaulted are encouraged to report the incident to someone, whether it is a friend, parent, spouse, counselor or any other trusted individual. This is an important step in the healing process.

The university also encourages those assaulted to report the incident to university or local law enforcement officers or to university administrators. Reporting the assault does not automatically require prosecution. To request that the case be adjudicated, either through the campus conduct system or through the criminal or civil justice system, is a decision that only the person assaulted can make. Even if that person chooses not to pursue charges against the assailant, reporting the incident enables the university administrators to have a clearer understanding of what our students are experiencing and what services are needed.

II. FILING AN ANONYMOUS NOTIFICATION

Designated university employees are required by law to notify University Police of any alleged sexual assault that occurs on designated university property. This is only a notification that an incident has occurred. However, information shared with counselors in the Counseling Center will not be forwarded, unless the victim consents, because confidentiality laws protect information shared with these staff members. The university member to whom the report is made will aid the person reporting in obtaining care and assistance.

DISABILITY ACCOMMODATIONS POLICY 04.190

I. PURPOSE

The University of North Carolina Wilmington is committed to providing reasonable accommodations to enable qualified students with documented disabilities to accomplish their educational goals.

II. RESPONSIBILITY

Reasonable accommodations are provided based on individual need as assessed through documentation. It is the responsibility of the student who desires a reasonable accommodation to notify the Office of Disability Services and to provide appropriate documentation. Students are not required to identify themselves as disabled if they do not want to avail themselves of accommodations.

III. COMPLAINT & APPEAL PROCEDURES

- A. Any student who feels that he or she has been the subject of discrimination based on their disability or feels that the accommodations and services provided are inappropriate should seek resolution. The university has adopted internal procedures providing prompt and equitable resolution to disability complaints.
- B. Students with complaints concerning alleged discrimination or appropriate accommodation provision should make these complaints known to the Director of Disability Services. The Director will investigate the complaint and suggest solutions. Informal resolution is encouraged and should be attempted prior to formal filing of a grievance. The informal procedure affords all interested persons and their representatives an opportunity to respond and make modifications if necessary. If resolution is not achieved or the individuals involved are not satisfied with the resolution, the student may notify the dean of students. The dean will conduct an informal investigation and make recommendations as to the resolution of this complaint. This resolution is provided in written form and where appropriate, in a format accessible to the complainant. The dean of students provides the university's compliance officer with a detailed account of the complaint and the results of the investigation and recommendations.
- C. Students not satisfied with the dean of student's recommendations can file a formal ADA complaint with the university's compliance officer. The complaint should be in writing and contain information about the alleged discrimination such as name, address, phone number of complainant, the identity of the individual(s) who is the alleged offender, and location, date and description of the problem. (A copy of the form is included below.) Alternative means of filing complaints appropriate to the documented

disability will be made available. This complaint must be filed within 180 calendar days after the complainant becomes aware of the alleged violation.

- D. Within 15 calendar days after receipt of the complaint, the compliance officer will meet with the complainant to discuss the complaint and possible resolutions. Within 15 calendar days after the meeting, the compliance officer will respond in writing and, where appropriate, in a format accessible to the complainant. The response will explain the university's position and offer options for substantive resolution of the complaint. All written complaints received by the compliance officer and their responses will be retained for at least three years.
- E. The complainant shall be informed of the right to file a complaint with the appropriate state or federal agency. The use of the internal grievance procedure shall not be a prerequisite to other external remedies. Retaliation against a person who files a complaint of disability discrimination is prohibited under university policy and by state and federal law.

ALCOHOL MARKETING POLICY 05.304

Statement of Principles Regarding the Marketing of Alcoholic Beverages on the UNCW Campus

I. PURPOSE

Alcohol abuse poses a serious threat to the health and welfare of a large segment of the college student population through acts of vandalism and property damage, automobile and other types of accidents, lessening of academic performance, estrangement of social relations and, in some cases, bodily injury, illness and death.

Inappropriate and irresponsible marketing and promotion of alcoholic beverages on campus can contribute to the problems of alcohol abuse. The development of campus policies which protect the health and welfare of college students is an important responsibility of the UNCW community. Institutional policies, practices and regulations should form the basis of a responsible approach to this area on campus.

II. GUIDELINES

The following guidelines are to govern alcohol marketing practices on the UNCW campus:

1. Alcohol beverage marketing programs specifically targeted for students and/or held on campus should conform to the *Code of Student Life* and state law. They must avoid demeaning sexual or discriminatory portrayal of individuals and/or groups.
2. Promotion of beverage alcohol should not encourage any form of alcohol abuse, nor should it place emphasis on quantity and frequency of use (i.e. "all you can drink").
3. Beverage alcohol (such as kegs or cases of beer) should not be provided as free awards to individual students or campus organizations.

4. No uncontrolled sampling as part of campus marketing programs should be permitted and no sampling or other promotional activities should include “drinking contests.”
5. Promotional activities should not be associated with otherwise existing campus events or programs without the prior knowledge and consent of the Office of the Dean of Students.
6. Display or availability of promotional materials should be determined by the Office of the Dean of Students in consultation with the Chancellor’s Committee on Substance Abuse.
7. Informational marketing programs should subscribe to the philosophy of responsible and legal use of the products represented.
8. Beverage alcohol marketers will be encouraged to support campus alcohol education programs that encourage informed and responsible decisions about the use or nonuse of beer, wine or distilled spirits.
9. Beverage alcohol advertising on campus or in institutional media, including that which promotes events as well as product advertising, should not portray drinking as a solution to personal or academic problems of students or as necessary to social, sexual or academic success.
10. Advertising and other promotional campus activities should not associate beverage alcohol consumption with the performance of tasks that require skilled reactions such as the operation of motor vehicles or machinery.
11. Local off-campus promotional activities primarily directed to students should be developed in compliance with these stated guidelines.
12. Beverage alcohol marketers will not be permitted to promote their products on campus unless they agree to abide by the above marketing guidelines. The vice chancellor for student affairs, in consultation with the Chancellor’s Committee on Substance Abuse, will be responsible for implementing these guidelines.
13. Advertisement posting for any university event when alcoholic beverages are served shall note the availability of non-alcoholic beverages as predominantly as alcohol. Alcohol should not be used as an inducement to participate in a campus event.

Students or student organizations cited for a violation of UNCW alcohol policies will be subject to the provisions outlined in the *UNCW Code of Student Life* Section II-2.

**COMMUNICABLE DISEASE POLICY
STATEMENT
POLICY 05.331**

I. PURPOSE

Prompt recognition and identification is the first step in the control of any communicable disease, whether it is prevalent, emerging, or used for bioterrorism. The University of North Carolina Wilmington acknowledges the seriousness of this public health problem and in an effort to be prepared for and control communicable diseases, which affect faculty, staff, students, visitors or employees on campus, has developed the following policy and procedures.

II. POLICY

- A. UNCW's Environmental Health and Safety, Human Resources and Student Health Services shall provide training and/or ongoing educational campaigns to persons about communicable diseases.
- B. Persons with communicable diseases shall not be excluded from enrollment or employment or restricted in their access to university facilities, programs or services unless a medically based judgment, in an individual case, establishes that exclusion or restriction is necessary for the health and safety of the individual or the health and safety of other members of the university community.
- C. Students who know, or have reasonable basis for believing, that they have a communicable disease are encouraged to share that information with clinicians in the University Counseling Center or Abrons Student Health Center, so that the university can respond appropriately to their health and educational needs. Faculty and staff who know, or have reasonable basis for believing, that they have a communicable disease are encouraged to share that information with their supervisor, health care provider, Environmental Health and Safety, Human Resources and Student Health Services, as appropriate, so that the university can respond appropriately to their health and educational needs. Any such disclosure shall be treated by the recipient as strictly confidential and no further disclosure shall be made within or without the university unless such release is made pursuant to provisions of law that specifically authorize or require the release of such information or records.
- D. Persons who know, or have reasonable basis for believing, that they have a communicable disease are expected to seek expert advice about their health circumstances and are obligated, ethically and legally, to conduct themselves responsibly in accordance with such knowledge for the protection of other members of the university community.
- E. Persons who have or have been exposed to a communicable disease that endangers the health or others in the work place may be granted

administrative leave for a specified period of time, as per the Leave for Exposure to Communicable Disease Policy established by the Office of State Personnel. The policy can be reviewed online at:
<http://www.osp.state.nc.us/manuals/manual99/communicablediseases.pdf>

III. PROCEDURAL GUIDELINES

- A. The Chancellor's Council on Health and Wellness is responsible to advise the chancellor's office of campus initiatives for addressing communicable diseases. The council will work with other administrators, such as directors and department heads, to ensure that relevant information about communicable disease is available to all faculty, staff, and students and that more detailed information and personal consultation is available upon request.
- B. Printed information about communicable diseases is available in Environmental Health and Safety, Human Resources and Student Health Services (i.e. Abrons Student Health Center and Health Promotions), Student Recreation Center, Fisher University Union, academic buildings and residence halls.
- C. Faculty and staff who have knowledge of highly contagious diseases (i.e. meningitis, tuberculosis, SARS, etc.) shall notify the highest level administrator who will initiate the communication cascade which may include university officials and the New Hanover County Health Department for evaluation, treatment and preventive measures.
- D. The official university spokesperson on communicable disease shall be the chancellor, or designee. All inquiries from the press, from elected public officials, or the public, in general, are to be referred to the university spokesperson.
- E. No persons with a communicable disease shall, on the basis of such fact, be discriminated against in employment, admission, or other programs or services.
- F. This policy and the training, ongoing educational campaigns and departmental communication shall be reviewed annually. Recommendations for policy changes may be forwarded to the Chancellor's Council on Health and Wellness through the Vice Chancellor for Students Affairs and/or members of the council.

RESPONSIBLE USE OF ELECTRONIC RESOURCES

POLICY 07.100

I. POLICY STATEMENT

The electronic resources of the university are powerful tools shared among all members of the campus community, designed to support the teaching, learning,

instructional, research, administrative, service and other activities of the university and are intended to be used in useful and productive ways. Individuals using these resources are expected to do so wisely and carefully, with respect and consideration of the rights, needs and privacy of others. Electronic resources and the data they support are used by and accessible to a large number of authorized users. However, since these are typically networked resources, they are also subject to unauthorized intrusion, access and attack. It is essential, therefore, that all users understand and follow guidelines concerning authorized and responsible use. These guidelines are designed to preserve and protect users, their data and other assets, the university, and the electronic computing and communication systems themselves, and are set forth below.

The UNCW e-mail address is the official address for student electronic communications. Students assume full responsibility for the decision to forward e-mail and any failure to receive e-mail communications due to an alternative e-mail service does not necessarily constitute a defense for failure to respond. While e-mail is an official method of communication, it is not the only official method of communication and does not exclude alternate methods such as written or oral communication. All members of the university must maintain good e-mail habits and adhere to the standards of responsible use.

Electronic computing and communication technologies increase the risks of actions, deliberate or not, that are harmful in various ways, including (a) interference with the rights of others; (b) violation of the law; (c) interference with the mission of the university; or (d) endangering the integrity of the university's computer and communication networks.

Users must act prudently and responsibly to both preserve the freedom to acquire and share information and to sustain the security and integrity of individuals within the community. Access to electronic resources at the university is a privilege, not a right, and must be treated as such by all users of these resources. Every user is responsible for the integrity of these information resources. All users must respect the rights of other computer users, respect the integrity of the physical facilities and controls and respect all pertinent license and contractual agreements related to electronic resources.

Users must also understand the ramifications of illegal use, exchange or display of copyrighted, deceptive, defamatory or obscene materials on a web page or through other electronic communication channels. It is the policy of the university to promptly process and investigate notices of alleged copyright infringement and take appropriate actions under the Digital Millennium Copyright Act, Title 17, United States Code, Section 512 ("DMCA").

All users shall act in accordance with this policy and all relevant university policies, rules and regulations, including adherence to all relevant local, state and federal laws and regulations.

Accepting any account and/or using university electronic resources shall constitute an agreement on behalf of the user or other individual accessing such information systems to abide and be bound by the provisions of this policy and the principles and guidelines contained herein.

When the user's relationship with the university is terminated, he or she shall be denied further access to university computing resources. Authorized use also terminates unless extended by an appropriate university official.

II. PRINCIPLES & GUIDELINES RELATED TO INAPPROPRIATE USE

The university has instituted policies dealing with specific actions in a number of areas. These are listed below. As a matter of principle, users should act prudently and responsibly in the use of electronic resources and are prohibited from engaging in activities including, but not limited to, those generally described in the following categories:

1. Harassing or threatening a specific individual(s). Users may not use electronic communication to harass, stalk, or threaten others, or in similar ways create an atmosphere which unreasonably interferes with the education or employment experience. Generally, communication that contains abusive, offensive or intimidating language and is repeated, unsolicited, unwanted or unwelcome may constitute harassment. This would include, but not be limited to, posting, transmitting or originating any unlawful, threatening, abusive, hostile, fraudulent or defamatory communication, or any communication where the message or its transmission or distribution would constitute or would encourage conduct that would constitute a criminal offense, give rise to civil liability or otherwise violate any local, state, national, or international law or violate other policies, rules and regulations of the university. Information that is defamatory is defined as provably false, unprivileged statements that do demonstrated injury to an individual's or business's reputation.
2. Impeding, interfering with, impairing or otherwise causing harm to the activities of others.
3. Downloading or posting to university computers or transporting across university networks material that is illegal, proprietary, in violation of other university policies and procedures, regulations or contractual agreements, or is otherwise damaging to the institution.

4. Illegal P2P or Peer-to-Peer file sharing. This includes illegal file sharing that takes place with or without a “sharing” agent or software.
5. Using university or campus logos, word marks, service marks or other symbols of the university or campus on personal or professional home pages.
6. Creating pages which contain direct links to pages that violate this policy (in this case, users may be requested to deactivate links to materials that violate this policy).
7. Damaging, abusing or in other ways destroying or interfering with the successful operation of electronic resources. Users must take care not to engage in activities that without proper authorization:
 - (a) Overload the computing systems and networks, such as excessive use of processor time, data storage, bandwidth or activities which otherwise impair or negatively impact performance and availability
 - (b) Interfere with, disable, damage, obstruct or in a similar manner impede the normal function and accessibility of computer or communication systems or computer data, files and other information
 - (c) Waste or hoard computer or network resources in ways that interfere with the operation of the system or its availability to others
 - (d) Attempt the unauthorized connection, removal or modification of computer or communication devices
 - (e) In any way physically abuse, damage or destroy computing or communication systems, data or facilities
 - (f) Disseminating or launching any executable program designed to damage systems or data or place excessive load on a computer or network affecting its performance or availability.
8. Accessing or attempting to access, use or modify resources or data for which authorization has not been granted. Access to these electronic information systems is a privilege, not a right, and must be treated as such by all users of these systems. All users must respect the rights of other computer users and take care in acting responsibly to safeguard the security and confidentiality of electronic resources, information and similar assets.
9. Engaging in activities that are illegal under federal, state, local and other applicable laws.
10. Users are prohibited from engaging in activities involving e-mail that violate this policy or cause harm to resources and to other users. Among the activities prohibited under this policy are:

- (b) Sending unauthorized broadcast or mass e-mail messages (see web site – Mass E-Mail Policy).
- (c) Interfering with the normal operation and availability of electronic communication systems and services such as e-mail.

Users are also referred to the UNCW Mass E-Mail Policy for guidelines on the authorized use of e-mail for the dissemination or information to the university community at large.

Users should contact the ITSD Technology Assistance Center or their local IT computing consultants for information concerning methods of protecting themselves from e-mail abuse. In many cases, users should contact the originator of actions and messages which they believe inappropriate to express their concerns and to request that the unsolicited and unwelcome actions are stopped. This is especially useful for e-mail messages and similar activities for which there may ultimately be no intended harm. If the user is unsuccessful in having such activities discontinued, and in more serious cases where activities are observed that are believed to be illegal, in violation of university policies, or that will result in harm or damage to users, data, or computing and communication systems, those activities should be reported following the procedure outlined in section III below.

- 11. Users are responsible for all use of their computer account(s). They should make appropriate use of the system and network provided protection features and take precautions against others obtaining access to their computer resources. Individual password security is the responsibility of each user. Users should respect the policies of external networks and remote sites and only use facilities for which they have been authorized.
- 12. Users may not supply false or misleading data or improperly obtain another’s password in order to gain access to computers or network systems, data or information.
- 13. For the computers and network systems, all access privileges, including all accounts, user IDs, network IDs, telephone codes, and any other such access codes, are granted for exclusive and individual use of the individual to which they are assigned. Users may not allow or facilitate access to university computer accounts, equipment, restricted files or systems by others.

The full text of these and related policies, including information regarding enforcement, is accessible at the UNCW Policies page, <http://www.uncw.edu/policies/informationtechnology-L2.htm>

III. USER RESPONSIBILITIES & CONSEQUENCES OF MISUSE

The university reserves the right to place restrictions on the use of its electronic resources in response to complaints that present evidence of violations of university policies, rules, regulations or codes, or local, state or federal laws and regulations. Actions that violate these policies can result in immediate disabling, suspension and/or revocation of the account owner's privileges pending review for further action. Such unauthorized or illegitimate use of electronic resources including computer accounts, resources or facilities may subject the violators to appropriate disciplinary, criminal and/or legal action by the university and/or the state. If evidence is established, the university authorities responsible for overseeing these policies and codes will be consulted on the appropriateness of specific actions.

Individuals who have concerns about the conduct of a member of the university community or the propriety of a given situation or activity should notify their department chair, dean, director or an administrator in their supervisory chain at a level sufficient to allow objectivity in evaluating the subject of concern. If action is deemed warranted by this official, the matter shall be referred to the appropriate vice chancellor or senior officer. Prior to taking action, the vice chancellor or senior officer responsible for the situation or activity at issue shall consult with the vice chancellor for ITSD, who shall, as appropriate, consult with University's General Counsel. The responsible official shall then respond to university community members who express concerns about such activities or incidents, and shall inform the chancellor regarding their response.

When concern about a given situation or activity involves an imminent threat to individuals, systems, or facilities, users should immediately communicate the concern directly to the Office of the Vice Chancellor for Information Technology Systems and to University Police.

FREEDOM OF EXPRESSION BY NON-UNIVERSITY SPONSORED INDIVIDUALS OR GROUPS

I. PURPOSE

The University of North Carolina Wilmington is a community which embraces diversity. The university supports activities that encourage understanding, respect and appreciation for different points of view. In pursuit of this goal, the

university aspires to protect its educational mission while also protecting the first amendment right to free speech. The granting of this privilege does not imply any endorsement or support for the views expressed by the individual or group.

II. POLICY & PROCEDURAL GUIDELINES

The following policy provides standards and guidelines necessary to maintain the orderly and essential operation of the university. Any individual or group who violates the policy may lose all privileges to assemble on campus in the future.

1. Any individual or group (hereafter referred to as “speaker”) seeking the opportunity to speak on campus must register with the Office of the Dean of Students at least 2 business days prior to any activity.
2. The speaker will be assigned to a specific area and granted permission to assemble for a duration of no longer than two hours.
3. The speaker will be required to have and submit upon request a copy of the registration approved by the Office of the Dean of Students.
4. The speaker will not under any circumstances be permitted to sell items or solicit funds, nor use any means of sound amplification.
5. The speaker will be allowed to continue to assemble for the full duration of time approved on the registration unless:
 - a. University activity or operations are disrupted, or
 - b. University property is being damaged, or
 - c. the University receives a complaint that any individual is being unlawfully harassed or intimidated by the speaker, or
 - d. the physical safety and well-being of any member of the university community or visitors on the campus is threatened, or
 - e. the speaker incites a breach of peace on campus.
6. Speakers who wish to distribute written information must indicate so on the “request for use of space form,” and may not distribute materials in a way that interferes with the normal flow of passersby or causes litter.
7. If the Office of the Dean of Students determines that a registered speaker is in violation of this policy, the speaker will be asked to leave campus and may be escorted from campus by the University Police.

GRIEVANCE PROCEDURE

I. PURPOSE

If you believe that you have a legitimate grievance against another student or university employee in a matter other than those covered by the Grade Appeals

Procedure or those within the jurisdiction of the University Judicial System, you may seek a resolution of that grievance through this procedure. If your complaint involves an academic matter, it must be filed before the last day of the next regular semester; if it is not academic related, it must be filed within thirty (30) days of the date the alleged incident occurred or from the date of the consequences of the alleged incident.

II. PROCEDURAL GUIDELINES

To initiate the procedure, first, discuss your complaint with the dean of students or the compliance officer who will advise you of the steps in the grievance process and, depending on the nature of your grievance, will direct you to the appropriate reviewing officer. You may make your complaint to this officer either orally or in writing, but this officer must record your complaint in a written statement identifying you, the conduct you are complaining of and the employee alleged to have engaged in it. In every case, the Compliance Officer will be given a copy of this record.

If you seek personal redress for an alleged wrong, you must be willing to be identified to the person charged. If you are willing to do so, the reviewing officer will notify, in writing, the person charged, stating the nature of the complaint and indicating that an informal inquiry will be conducted. If you are not willing to be identified or you cease to seek personal redress, the institution may pursue an inquiry on the institution's behalf and in its name rather than yours, if it determines that such action is necessary. These latter administrative procedures are initiated by the institution to assure appropriate conduct by its employees (e.g., when the institution seeks to prevent likely recurrence of apparent improper conduct, even though no individual complainant wishes to pursue a personal grievance).

III. FORMAL COMPLAINTS

If your grievance cannot be resolved at an informal level, you may file a formal complaint with the vice chancellor who has administrative jurisdiction over the person named in your complaint. The vice chancellor will then convene the student grievance panel. This committee will hear your complaint and then make its recommendation to the vice chancellor, who will render the decision.

IV. APPEAL

If you are unsatisfied with the resolution rendered by the vice chancellor, you may appeal it to the chancellor, who will render the final decision.

HURRICANE POLICY

1. University officials closely monitor tropical depressions, tropical storms and hurricanes. Detailed tracking by the Emergency Operations Group is begun at the first announcement of a hurricane watch.

2. Upon announcement of a hurricane watch, students will be encouraged to develop plans for evacuation.
3. Classes and other university events will be cancelled by the chancellor when appropriate. The university community will be informed through radio, television, UNCW web page, UNCW Emergency Hotline 910-962-3991 or 1-888-657-5751 and other communication methods when this decision is made.
4. University officials encourage students to drive home when the hurricane and weather conditions permit safe travel. Students who are not traveling to their permanent residences are expected to notify parents and family of their plans and whereabouts.
5. In the event that a student can not find alternate shelter for the duration of hurricane and recovery period, the student should be referred to the Office of the Dean of Students to be informed of potential options.
6. The university will systematically evacuate all nonessential personnel from the campus in an orderly manner. The university will remain closed and access prohibited to all nonessential personnel until further notice.
7. Hoggard Hall is the Emergency Operating Center. Food and provisions will be kept in the Emergency Operating Center for predetermined essential Emergency Operating Center officials only.
8. Public safety personnel, maintenance workers and their supervisors will continue to be on duty around the clock during these storms. Campus officials are in constant contact with local, county and state emergency headquarters.
9. University officials will resume operations as soon as it is determined that the university can resume its educational mission in a safe and reasonable manner.
10. The university community will be informed of the reopening of the university through radio, television, UNCW web page, UNCW Emergency Hotline 910-962-3991 or 1-888-657-5751 and other appropriate communication methods.

SKATEBOARDING AND ROLLERBLADING

1. Skateboards and rollerblades may be used as a form of transportation on campus. They may only be utilized on sidewalks and/or roadways.
2. Skateboarding and rollerblading are prohibited from all other areas of campus including, but not limited to, the following areas:
 - a. All steps
 - b. All flower planters
 - c. All brick patios
 - d. All curbs and benches
 - e. Inside all buildings
3. Violators of this policy will:
 - a. Be issued a campus citation for \$25.
 - b. Be charged restitution for any damages.

- c. Have their skateboards or rollerblades confiscated until the fine and restitution or damages are paid in full.
4. All underage, non-university individuals found in violation of this policy are required to have a parent or legal guardian present to obtain their confiscated property.

PHOTO USE POLICY

As a public university, UNC Wilmington often uses photographic and electronic images of public campus life, events, ceremonies and other activities to advance the mission of the institution.

Students, faculty, staff members and guests of the university may be identified or photographed for publication, broadcast, transmission and/or electronic display by the university. The photographs may also be made available to state, regional, national and international news agencies and media outlets. The images are not published for commercial purposes and do not violate the privacy of any individual or group.

By registering at, visiting or being employed by UNCW and being present in public settings, you authorize the use and reproduction by the university, or anyone authorized by the university, to any photographs taken while at UNCW, without compensation. All negative and positives, photographic prints and digital photo files shall constitute UNCW property, solely and completely.

PHILOSOPHY

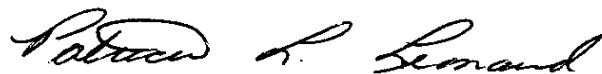

Dear UNCW Faculty, Staff and Students:

The problem of alcohol and other drug abuse is not new but has been a problem for various societies for as long as there has been recorded history. In the past few years, due to increased attention in the public media and heightened public awareness, citizens across the United States have begun to focus their attention on the effects of alcohol and other drug abuse on society. We recognize that substance abuse particularly that of alcohol is a concern for some UNCW community members as well. Therefore, we have compiled this handbook to assist you in gathering information about alcohol and other drugs and the problems and concerns associated with their use and abuse.

When dealing with these substance abuse issues, we do not want to just react; instead, we want to move rapidly in delivering accurate information so that members of our community can make healthy choices concerning their use of alcohol and other drugs. For those who may have problems related to drug use we will be responsive to their needs through assessment, counseling and referral to other agencies when advisable. You will find in this handbook an outline of university policy, procedure and programming in addition to state and federal laws that pertain to alcohol and other controlled substances.

I hope that you will read the information that is enclosed and that you will support our promotion of low-risk, healthy choices concerning the use of alcohol and other drugs. We, at UNCW, will continue to emphasize the prevention of drug abuse and stress education in an effort to increase awareness and further knowledge. In addition, we will provide intervention and treatment services when necessary. All members of this academic community (students, staff, and faculty) share the responsibility for protecting the environment by exemplifying high standards of professional and personal conduct.

Sincerely,

*Patricia L. Leonard
Vice Chancellor for Student Affairs*

UNCW ALCOHOL MARKETING POLICY 05.304

Statement of Principles Regarding the Marketing of Alcoholic Beverages on the UNCW Campus

I. PURPOSE

Alcohol abuse poses a serious threat to the health and welfare of a large segment of the college student population through acts of vandalism and property damage, automobile and other types of accidents, lessening of academic performance, estrangement of social relations and, in some cases, bodily injury, illness and death.

Inappropriate and irresponsible marketing and promotion of alcoholic beverages on campus can contribute to the problems of alcohol abuse. The development of campus policies which protect the health and welfare of college students is an important responsibility of the UNCW community. Institutional policies, practices and regulations should form the basis of a responsible approach to this area on campus.

II. GUIDELINES

The following guidelines are to govern alcohol marketing practices on the UNCW campus:

1. Alcohol beverage marketing programs specifically targeted for students and/or held on campus should conform to the *Code of Student Life* and state law. They must avoid demeaning sexual or discriminatory portrayal of individuals and/or groups.

2. Promotion of beverage alcohol should not encourage any form of alcohol abuse, nor should it place emphasis on quantity and frequency of use (i.e. “all you can drink”).
3. Beverage alcohol (such as kegs or cases of beer) should not be provided as free awards to individual students or campus organizations.
4. No uncontrolled sampling as part of campus marketing programs should be permitted and no sampling or other promotional activities should include “drinking contests.”
5. Promotional activities should not be associated with otherwise existing campus events or programs without the prior knowledge and consent of the Office of the Dean of Students.
6. Display or availability of promotional materials should be determined by the Office of the Dean of Students in consultation with the Chancellor’s Committee on Substance Abuse.
7. Informational marketing programs should subscribe to the philosophy of responsible and legal use of the products represented.
8. Beverage alcohol marketers will be encouraged to support campus alcohol education programs that encourage informed and responsible decisions about the use or nonuse of beer, wine or distilled spirits.
9. Beverage alcohol advertising on campus or in institutional media, including that which promotes events as well as product advertising, should not portray drinking as a solution to personal or academic problems of students or as necessary to social, sexual or academic success.
10. Advertising and other promotional campus activities should not associate beverage alcohol consumption with the performance of tasks that require skilled reactions such as the operation of motor vehicles or machinery.
11. Local off-campus promotional activities primarily directed to students should be developed in compliance with these stated guidelines.
12. Beverage alcohol marketers will not be permitted to promote their products on campus unless they agree to abide by the above marketing guidelines. The vice chancellor for student affairs, in consultation with the Chancellor’s Committee on Substance Abuse, will be responsible for implementing these guidelines.
13. Advertisement posting for any university event when alcoholic beverages are served shall note the availability of non-alcoholic beverages as predominantly as alcohol. Alcohol should not be used as an inducement to participate in a campus event.

Students or student organizations cited for a violation of UNCW alcohol policies will be subject to the provisions outlined in the *UNCW Code of Student Life* Section II-2.

UNCW POLICY ON ILLEGAL DRUGS POLICY 04.110

I. PURPOSE

The fundamental purpose of the university is to maintain an environment that supports and encourages the pursuit and dissemination of knowledge. That environment is damaged by illegal drug use. Therefore, all members of the academic community, students, faculty, administrators and other university employees, share the responsibility for protecting the environment by exemplifying high standards of professional and personal conduct.

II. POLICY AND PROGRAM

- A. The illegal use, possession, sale, delivery and/or manufacture of drugs will not be tolerated and may be grounds for immediate suspension or dismissal of students, faculty, administrators and other university employees.
- B. University policies and programs are intended to emphasize:
 1. The incompatibility of the use or sale of illegal drugs with the goals of the university.
 2. The legal consequences of involvement with illegal drugs.
 3. The medical implications of the use of illegal drugs.
 4. The ways in which illegal drugs jeopardize an individual's present accomplishments and future opportunities.
- C. The university provides a systematic substance abuse education and prevention program designed to reach all segments of the campus community. To assist in accomplishing this mission, CROSSROADS: Substance Abuse Prevention and Education Program, has developed a well-integrated, centralized program that is a focal point for campus substance abuse education, training and prevention, which monitors the effectiveness of programs for constituencies served. The Counseling Center provides substance abuse counseling and referral services for students and provides consultation to students, faculty and staff.

III. EDUCATION

The university provides a program of education designed to help all members of the university community avoid abuse of illegal drugs. Education programs:

- A. Provide a system of accurate, current information exchange on the health risks and symptoms of drug use for students, faculty and staff.

- B. Promote and support institutional programming that discourages substance abuse.
- C. Establish collaborative relationships between community groups and agencies and the institution for education, treatment and referral.
- D. Provide training programs for students, faculty and staff to enable them to detect problems related to drug use, and to refer persons with these problems for appropriate assistance.
- E. Include information about drugs for students and family members in the student orientation programs. The use of prescription and over-the-counter drugs will be addressed.
- F. Support and encourage faculty in incorporating education about drugs into the curriculum where appropriate.
- G. Develop a coordinated effort across campus for drug related education, treatment and referral.

IV. COUNSELING AND REHABILITATION

- A. The university provides information about drug counseling and rehabilitation services to members of the university community. Persons who voluntarily avail themselves of university services can be assured that applicable professional standards of confidentiality will be observed. Counseling and rehabilitation services include:
 - 1. Training for professional staff and student staff on drug abuse information, intervention and referral.
 - 2. Education programs for students who have demonstrated abusive behavior with drugs.
 - 3. Assessment, counseling and referrals for students.
 - 4. Consultation, information and referrals for students, staff and faculty.
- B. In providing the above strategies, it is recognized that some campus constituents may prefer professional assistance external to the campus. Therefore, CROSSROADS: Substance Abuse Prevention and Education Program will collaborate with the Counseling Center in the development of appropriate referral mechanisms for these individuals. A listing of off-campus resources for assistance and referral is available for those who choose that option. In the development of this program, it is desired that faculty, students, administrators and other employees be comfortable in the manner in which they are served and have a choice in the selection of appropriate assistance. Individuals served in the Counseling Center on campus can be assured that applicable confidentiality will be maintained.

V. ENFORCEMENT AND PENALTIES

A. ENFORCEMENT

- In seeking to enforce established university policy, the university will:
- 1. Publicize all drug policies.

2. Consistently enforce drug policies.
3. Exercise appropriate disciplinary action for drug policy violations.

B. PENALTIES

The university shall take actions necessary, consistent with state and federal law and applicable university policy to eliminate illegal drugs from the university community. University policy on illegal drugs is publicized in the university catalog, student and faculty handbooks, student orientation materials, on-line resources, letters to students and parents, residence hall meetings and faculty and employee meetings.

Students and faculty members, administrators and other employees are responsible as citizens for knowing about and complying with the provisions of the North Carolina law that makes it a crime to possess, sell, deliver or manufacture drugs designated collectively as “controlled substances” in Article V, Chapter 90 of the North Carolina General Statutes (see State Law I). Any member of the university community who violates that law is subject both to prosecution and punishment by the civil authorities and to disciplinary proceedings by UNCW. It is not “double jeopardy” for both the civil authorities and the university to proceed against and adjudicate a person for the same specified conduct. The university will initiate its own disciplinary proceedings against the student, faculty member, administrator or other employee when the alleged conduct is deemed to affect the interest of the university.

Penalties will be imposed by the university in accordance with procedural safeguards applicable to disciplinary actions against students (see *Code of Student Life*, Section II), faculty members (see *Policies of Academic Freedom and Tenure*, UNCW, Section VII), and administrators and other employees (see *Procedure No. PER 6.10* and *Personnel Policies for Designated Employment Exempt from State Personnel Act - EPA Administrative Positions*)⁴.

The penalties to be imposed by the university may range from written warning with probationary status to expulsion from enrollment and discharge from employment; however, the following minimum penalties shall be imposed for the particular offenses described.

1. **TRAFFICKING IN ILLEGAL DRUGS**

- a. For a first offense involving the illegal manufacture, sale or delivery, or possession with intent to manufacture, sell or deliver any controlled substance identified in Schedule I, North

⁴ Rules of the State Personnel Commission govern the disciplinary actions that may be taken against SPA employees. Under current commission regulations discharge, rather than suspension, is the applicable penalty for SPA employees in those instances where this policy otherwise requires suspension.

Carolina General Statutes 90-89, or Schedule II, North Carolina General Statutes, 90-90 (including, but not limited to heroin, mescaline, lysergic acid diethylamide, opium, cocaine, amphetamine, methaqualone), any student shall be expelled and any faculty member, administrator or other employee shall be discharged.

- b. For a first offense involving the illegal manufacture, sale or delivery, or possession with intent to manufacture, sell or deliver any controlled substance identified in Schedules III through VI, North Carolina General Statutes 90-91 through 90-94, (including, but not limited to, marijuana, phenobarbitals, codeine), the minimum penalty shall be suspension from enrollment or from employment³ for a period of at least one semester or its equivalent. For a second offense, any student shall be expelled, and any faculty member, administrator or other employee shall be discharged.

2. ***ILLEGAL POSSESSION OF DRUGS***

- a. For a first offense involving the illegal possession of any controlled substance identified in Schedule I, North Carolina General Statutes 90-89, or Schedule II, North Carolina General Statutes 90-90, the minimum penalty shall be suspension from enrollment or from employment³ for a period of at least one semester or its equivalent.
- b. For a first offense involving the illegal possession of any controlled substance identified in Schedules III through VI, North Carolina General Statutes 90-91 through 90-94, the minimum penalty shall be probation for a period to be determined on a case-by-case basis. A person on probation must agree to participate in a drug education and counseling program, consent to regular drug testing, and accept such other conditions and restrictions, including a program of community service, as the chancellor or chancellor's designee deems appropriate. Refusal or failure to abide by the terms of probation shall result in suspension from enrollment or employment³ for any unexpired balance of the prescribed period of the probation.
- c. For the second or other subsequent offenses involving the illegal possession of controlled substances, progressively more severe penalties shall be imposed, including expulsion of students and discharge of faculty members, administrators and employees.

3. ***SUSPENSION PENDING FINAL DISPOSITION***

- a. When a student, faculty, administrator or university employee has been charged by the university with a violation of policies concerning illegal drugs, he/she may be suspended from

enrollment and/or employment before initiation or completion of regular disciplinary proceedings if, assuming the truth of the charges, the chancellor, or in the chancellor's absence the chancellor's designee concludes that the person's continued presence within the university community would constitute a clear and immediate danger to the health or welfare of other members of the university community; provided that, if such a suspension is imposed, an appropriate hearing of the charges against the suspended person shall be held as promptly as possible thereafter.

VI. ASSESSMENT

The university shall in its effort to continually assess the campus environment:

1. Appraise the institutional environment as an underlying cause of drug abuse.
2. Assess campus awareness, attitudes and behaviors regarding the use of drugs and employ results in program development.
3. Collect and use drug related summary information from police and security reports to guide program development.
4. Collect and use summary data regarding health, counseling and client information to guide program development.
5. Collect summary data regarding drug related disciplinary actions and use it to guide program development.

This policy is published online at www.uncw.edu/policies.

REFERRAL PROCESS

Procedure for Alcohol and Other Drug-Related Disciplinary Referrals

- I. An administrative hearing officer or Campus Conduct Board determines if a disciplinary violation involves the abuse of alcohol or other drugs or if any alcohol or other drug policy was violated. If so:
 - A. The administrative hearing officer/CCB may require the student to attend “Challenging Decisions” (CD) education program. This program is presented by CROSSROADS: Substance Abuse Prevention and Education Program. A class is scheduled for all referred students.
 - B. In cases involving a marijuana violation, second alcohol violation or if the violation involved “extraordinary” circumstances related to alcohol or other drug use:
 1. The student is referred to the Counseling Center for a substance abuse assessment. The student may alternatively choose to have the assessment conducted by an off-campus cooperating agency, at his/her own expense.
 2. If the student is found responsible for a first-time marijuana violation, he/she will also be required to attend an education intervention specifically addressing marijuana use, referred to as “Challenging Decisions – Marijuana” (CD-M).
 3. The student may be required to complete the “Under the Influence” alcohol education program through CROSSROADS. If the student had been found responsible for an earlier violation and had not been required to attend the CD program, attendance may be required for this violation.
- II. If the student is referred for a substance abuse assessment, the administrative hearing officer/CCB will ask the student to sign a consent release on the Decision of Hearing form. By signing, the student agrees to release a summary of the assessing counselor's recommendations regarding the referred student to the Office of the Dean of Students. The Decision of Hearing form will also include deadlines for scheduling the assessment.
- III. If the student is referred to the CD and/or CD-M education program, the Decision of Hearing form will also indicate the deadline by which attendance must be completed. It is the student's responsibility to schedule and attend the CD class through the Office of the Dean of Students.
- IV. It is the student's responsibility to schedule and attend an assessment appointment with the Counseling Center (or with an appropriate off-campus agency). If the student fails to show for his/her assessment appointment, the Office of the Dean of Students will be notified and the student will be required to complete a substance assessment off-campus at his/her personal expense.

- V. If a student who has been referred to a Challenging Decisions Alcohol or Marijuana class or other educational sanction fails to attend his/her scheduled appointment, the Office of the Dean of Students is notified and the student will be reassessed a \$50 fee.
- VI. Attendance is verified in writing by CROSSROADS/Counseling staff and is forwarded to the Office of the Dean of Students for addition to the judicial file. A registration “hold” will be placed on the student’s account and “failure to comply” charges may be pursued if sanctions are not completed as assigned.

NORTH CAROLINA GENERAL STATUTES ON ALCOHOLIC BEVERAGES

(Printed in part)

14-443. DEFINITIONS

As used in this Article:

- (1) "Alcoholism" is the state of a person who habitually lacks self-control as to the use of alcoholic beverages, or uses alcoholic beverages to the extent that his health is substantially impaired or endangered or his social or economic function is substantially disrupted, and
- (2) "Intoxicated" is the condition of a person whose mental or physical functioning is presently substantially impaired as a result of the use of alcohol; and
- (3) A "public place" is a place which is open to the public, whether it is publicly or privately owned. (1977, 2nd Sess., C. 1134, s. 1; 1981, c. 412, s. 4; c. 747, s. 66.)

14-444. INTOXICATED AND DISRUPTIVE IN PUBLIC

- (a) It shall be unlawful for any person in a public place to be intoxicated and disruptive in any of the following ways:
 - (1) Blocking or otherwise interfering with traffic on a highway or public vehicular area, or
 - (2) Blocking or lying across or otherwise preventing or interfering with access to or passage across a sidewalk or entrance to a building, or
 - (3) Grabbing, shoving, pushing or fighting others or challenging others to fight, or
 - (4) Cursing or shouting at or otherwise rudely insulting others, or
 - (5) Begging for money or other property.
- (b) Any person who violates this section shall be guilty of a Class 3 misdemeanor. Notwithstanding the provisions of G.S. 7A-273(1), a magistrate is not empowered to accept a guilty plea and enter judgment for this offense. (1977, 2nd Sess., c. 1134, s.1; 1993, c. 539, s. 292,1994; Ex. Sess., c. 24, s.14(c).)

14-445. DEFENSE OF ALCOHOLISM

- (a) It is a defense to a charge of being intoxicated and disruptive in a public place that the defendant suffers from alcoholism.
- (b) The presiding judge at the trial of a defendant charged with being intoxicated and disruptive in public shall consider the defense of alcoholism even though the defendant does not raise the defense, and may request additional information on whether the defendant is suffering from alcoholism.

14-447. NO PROSECUTION FOR PUBLIC INTOXICATION

- (a) No person may be prosecuted solely for being intoxicated in a public place. A person who is intoxicated in a public place and is not disruptive may be assisted as provided in G.S. 122C-301.
- (b) If, after arresting a person for being intoxicated and disruptive in a public place, the law-enforcement officer making the arrest determines that the person would benefit from the care of a shelter or health-care facility as provided by G.S. 122C-301, and that he would not likely be disruptive in such a facility, the officer may transport and release the person to the appropriate facility and issue him a citation for the offense of being intoxicated and disruptive in a public place. This authority to arrest and then issue a citation is granted as an exception to the requirements of G.S. 15A-501(2). (1977, 2nd Sess., c.1134, s.1; 1981, c.519, s.2; 1985, c.589, s.7.)

 - (1) The officer may direct or transport the intoxicated individual home;
 - (2) The officer may direct or transport the intoxicated individual to the residence of another individual willing to accept him;
 - (3) If the intoxicated individual is apparently in need of and apparently unable to provide for himself food, clothing, or shelter but is not apparently in need of immediate medical care, the officer may direct or transport him to an appropriate public or private shelter facility.
 - (4) If the intoxicated individual is apparently in need of but apparently unable to provide for himself immediate medical care, the officer may direct or transport him to an area facility, hospital, or physician's office; or the officer may direct or transport the individual to any other appropriate health care facility; or
 - (5) If the intoxicated individual is apparently a substance abuser and is apparently dangerous to himself or others, the officer may proceed as provided in Part 8 of this Article.
- (b) In providing the assistance authorized by subsection (a) of this section, the officer may use reasonable force to restrain the intoxicated individual if it appears necessary to protect himself, the intoxicated individual, or others. hours. The individual may stay a longer period if he wishes to do so and the facility is able to accommodate him.

- (d) Any individual who has knowledge that a person assisted to a shelter or other facility under subdivisions (a)(3) or (a)(4) of this section is a substance abuser and is dangerous to himself or others may proceed as provided in Part 8 of this Article. - (a1) A person who has submitted to a chemical analysis of a blood sample, pursuant to G.S. 20-139.1(d), may not use the result in rebuttal as evidence that the person did not have, at a relevant time after driving, an alcohol concentration of 0.08 or more.(b) Defense Precluded. - The fact that a person charged with violating this section is or has been legally entitled to use alcohol or a drug is not a defense to a charge under this section.
- (b1) Defence Allowed – Nothing in this section shall preclude a person from asserting that a chemical analysis result is inadmissible pursuant to G.S. 20-139.1(b2).
- (c) Pleading - In any prosecution for impaired driving, the pleading is sufficient if it states the time and place of the alleged offense in the usual form and charges that the defendant drove a vehicle on a highway or public vehicular area while subject to an impairing substance.
- (d) Sentencing Hearing and Punishment - Impaired driving as defined in this section is a misdemeanor. Upon conviction of a defendant of impaired driving, the presiding judge must hold a sentencing hearing and impose punishment in accordance with G.S. 20-179. (1983, c. 435, s. 24.)

- (b) Subject to Implied-Consent Law - An offense under this section is an alcohol-related offense subject to the implied-consent provisions of G.S. 20-16.2

- (b1) Odor insufficient - The odor of an alcoholic beverage on the breath of the driver is insufficient evidence by itself to prove beyond a reasonable doubt that alcohol was remaining in the driver's body in violation of this section unless the driver was offered an alcohol screening test or chemical analysis and refused to provide all required samples of breath or blood for analysis.
- (b2) Alcohol Screening Test - Notwithstanding any other provision of law, an alcohol screening test may be administered to a driver suspected of violation of subsection (a) of this section, and the results of an alcohol screening test or the driver's refusal to submit may be used by a law enforcement officer, a court, or an administrative agency in determining if alcohol was present in the driver's body. No alcohol screening tests are valid under this section unless the device used is one approved by the Department for Health Services, and the screening test is conducted in accordance with the applicable regulations of the Department as to its manner and use.
- (c) Punishment; Effect When Impaired Driving Offense Also Charged - The offense in this section is a Class 2 misdemeanor. It is not, in any circumstances, a lesser included offense of impaired driving under G.S. 20-138.1, but if a person is convicted under this section and of an offense involving impaired driving arising out of the same transaction, the aggregate punishment imposed by the court may not exceed the maximum applicable to the offense involving impaired driving, and any minimum punishment applicable must be imposed.
- (d) Limited Driving Privilege - A person who is convicted of violating subsection (a) of this section and whose driver's license is revoked solely based on that conviction may apply for a limited driving privilege as provided in G.S. 20-179.3. This subsection shall apply only if the person meets both of the following requirements:
 - (1) Is 18, 19, or 20 years old on the date of the offense.
 - (2) Has not previously been convicted of a violation of this section.

The judge may issue the limited driving privilege only if the person meets the eligibility requirements of G.S. 20-179.3 other than the requirement in G.S. 20-179.3(b) (1) c. G.S. 20-179(e) shall not apply. All other terms, conditions, and restrictions provided for in G.S. 20-179.3 shall apply. G.S. 20-179.3, rather than this subsection, governs the issuance of a limited driving privilege to a person who is convicted of violating subsection (a) of this section and of driving while impaired as a result of the same transaction.

20-138.7. TRANSPORTING AN OPEN CONTAINER OF ALCOHOLIC BEVERAGE

- (a) Offense - No person shall drive a motor vehicle on a highway or the right-of-way of a highway:

- (1) While there is an alcoholic beverage in the passenger area in other than the unopened manufacturer's original container; and
 - (2) While the driver is consuming alcohol or while alcohol remains in the driver's body.
- (a1) Offense - No person shall possess an alcoholic beverage other than in the unopened manufacturer's original container, or consume an alcoholic beverage, in the passenger area of a motor vehicle while the motor vehicle is on a highway or the right-of-way of a highway. For purposes of this subsection, only the person who possesses or consumes an alcoholic beverage in violation of this subsection shall be charged with this offense.
- (a2) Exception - It shall not be a violation of subsection (a1) of this section for a passenger to possess an alcoholic beverage other than in the unopened manufacturer's original container, or for a passenger to consume an alcoholic beverage, if the container is:
- (1) In the passenger area of a motor vehicle that is designed, maintained, or used primarily for the transportation of persons for compensation;
 - (2) In the living quarters of a motor home or house car as defined in G.S. 20-4.01(27) d2.; or
 - (3) In a house trailer as defined in G.S. 20-4.01(14).
- (a3) Meaning of Terms - Under this section, the term "motor vehicle" means only those types of motor vehicle which North Carolina law requires to be registered, whether the motor vehicle is registered in North Carolina or another jurisdiction.
- (b) Subject to Implied-Consent Law - An offense under this section is an alcohol-related offense subject to the implied-consent provisions of G.S. 20-16.2.
- (c) Odor Insufficient - The odor of an alcoholic beverage on the breath of the driver is insufficient evidence to prove beyond a reasonable doubt that alcohol was remaining in the driver's body in violation of this section, unless the driver was offered an alcohol screening test or chemical analysis and refused to provide all required samples of breath or blood for analysis.
- (d) Alcohol Screening Test - Notwithstanding any other provision of law, an alcohol screening test may be administered to a driver suspected of violating subsection (a) of this section, and the results of an alcohol screening test or the driver's refusal to submit may be used by a law enforcement officer, a court, or an administrative agency in determining if alcohol was present in the driver's body. No alcohol screening tests are valid under this section unless the device used is one approved by the Commission for Health Services, and the screening test is conducted in accordance with the applicable regulations of the Commission as to the manner of its use.

- (e) Punishment; Effect When Impaired Driving Offense Also Charged - Violation of this section shall be punished as a Class 3 misdemeanor for the first offense and shall be punished as a Class 2 misdemeanor for a second or subsequent offense. Violation of this section is not a lesser included offense of impaired driving under G.S. 20-138.1, but if a person is convicted under this section and of an offense involving impaired driving arising out of the same transaction, the punishment imposed by the court shall not exceed the maximum applicable to the offense involving impaired driving, and any minimum applicable punishment shall be imposed. A violation of this section shall be considered a moving violation for purposes of G.S. 20-16 (c).
Violation of subsection (a1) of this section shall be an infraction and shall not be considered a moving violation for purposes of G.S. 20-16(c).
- (f) Definitions - If the seal on a container of alcoholic beverages has been broken, it is opened within the meaning of this section. For purposes of this section "passenger area of a motor vehicle" means the area designed to seat the driver and passengers and any area within the reach of a seated driver or passenger, including the glove compartment. The area of the trunk or the area behind the last upright back seat of a station wagon, hatchback, or similar vehicle shall not be considered part of the passenger area. The term "alcoholic beverage" is as defined in G.S. 18B-101(4).
- (g) Pleading - In any prosecution for a violation of subsection (a) of this section, the pleading is sufficient if it states the time and place of the alleged offense in the usual form and charges that the defendant drove a motor vehicle on a highway or the right-of-way of a highway with an open container of alcoholic beverage after drinking. In any prosecution for a violation of subsection (a1) of this section, the pleading is sufficient if it states the time and place of the alleged offense in the usual form and charges that (i) the defendant possessed an open container of alcoholic beverage in the passenger area of a motor vehicle while the motor vehicle was on a highway or the right-of-way of a highway, or (ii) the defendant consumed an alcoholic beverage in the passenger area of a motor vehicle while the motor vehicle was on a highway or the right-of-way of a highway.
- (h) Limited Driving Privilege - A person who is convicted of violating subsection (a) of this section and whose drivers license is revoked solely based on that conviction may apply for a limited driving privilege as provided for in G.S. 20-179.3. The judge may issue the limited driving privilege only if the driver meets the eligibility requirements of G.S. 20-179.3, other than the requirement in G.S. 20-179.3(b) (1) c. G.S. 20-179.3(e) shall not apply. All other terms, conditions, and restrictions provided for in G.S. 20-179.3 shall apply. G.S. 20-179.3, rather than this subsection, governs the issuance of a limited driving privilege to a person who is convicted of violating subsection (a) of this section and of driving

while impaired as a result of the same transaction. (1995, c. 506, s. 9;

NORTH CAROLINA GENERAL STATUTES ON CONTROLLED SUBSTANCES

Students, faculty members, administrators, and other employees are responsible, as citizens, for knowing about and complying with the provisions of the North Carolina State Law that makes it a crime to possess, sell, deliver, or manufacture those drugs designated collectively as "controlled substances" in Article 5 of Chapter 90 of the North Carolina General Statutes. Any member of the university community who violates the law is subject both to prosecution and punishment by the civil authorities and to disciplinary proceedings by the university.

CONTROLLED SUBSTANCES

Controlled Substances Editor's Note: Under the North Carolina Controlled Substances Act, Article 5, G.S. Ch. 90, the North Carolina Drug Commission is authorized to add, remove, or change the placement of a drug, substance, or immediate precursor to the list of controlled substances (those on Schedule I through VI). Controlled substances are listed in six schedules:

SCHEDULE I (90-89): A high potential for abuse, no currently accepted medical use in the United States, or lack of accepted safety for use in treatment under medical supervision. Examples include heroin, LSD, mescaline, psilocybin (mushrooms), peyote, Gamma Hydroxybutyric Acid (GHB), 4-hydroxybutyrate, 4-hydroxybutanoic acid, sodium oxybate and sodium oxybutyrate.

SCHEDULE II (90-90): A high potential for abuse, currently accepted medical use with severe restrictions, and abuse of the substance may lead to severe psychological or physical dependence. Examples are opium, cocaine, codeine, amphetamines, methadone and PCP.

SCHEDULE III (90-91): A potential for abuse less than the substances listed in Schedules I and II; currently accepted medical use in the United States; and abuse may lead to moderate or low physical dependence or high psychological dependence. Examples are certain barbiturates such as amobarbital and codeine-containing medicine such as Fiorinal #3, Doriden, and codeine-based cough suppressants. Also all anabolic steroids and ketamine.

SCHEDULE IV (90-92): A low potential for abuse relative to the substances listed in Schedule III, currently accepted medical use in the United States, and limited physical or psychological dependence relative to the substances listed in Schedule III. Examples include several commonly prescribed tranquilizers and stimulants such as Valium, Phenobarbital, Talwin, Librium and "yellow jackets."

SCHEDULE V (90-93): A low potential for abuse relative to the substances listed in Schedule IV, currently accepted medical use in the United States, and limited physical or psychological dependence relative to the substances listed in

Schedule IV. These substances may be sold at retail without a prescription to anyone 18 or older by a registered pharmacist for medical purposes. Examples include substances that contain very limited amounts of codeine, dihydrocodeine, opium, ethylmorphine and atropine such as Terpene Hydrate with codeine and Robitussin AC.

SCHEDULE VI (90-94): No currently accepted medical use in the United States or a relatively low potential for abuse in terms of risk to public health, and potential to produce psychological or physiological dependence liability based upon present medical knowledge, or a need for further and continuing study to develop scientific knowledge of its pharmacological effects. The only substances on this schedule are marijuana and tetrahydrocannabinols, such as hashish and hash oil.

Violations and penalties involving controlled substances are set out in sections 90-95 and 90-95.1. Note the distinctions made for possession. Section 90-96 provides for special treatment for certain first offenses.
