

UNIVERSITY OF NORTH CAROLINA WILMINGTON

January 19, 2007

This letter is to confirm that the University of North Carolina Wilmington is a non-Ph.D. school. Fewer than twenty (20) Ph.D.s have been graduated during the past two academic years. Non-Ph.D. granting organizations are two- and four- year colleges and universities that have produced 20 or fewer Ph.D.s or D.Sci.'s in all NSF-supported fields of science, mathematics, and engineering during the previous two academic years.
