

Research Report 2006-2007

Summary of Sponsored Activity

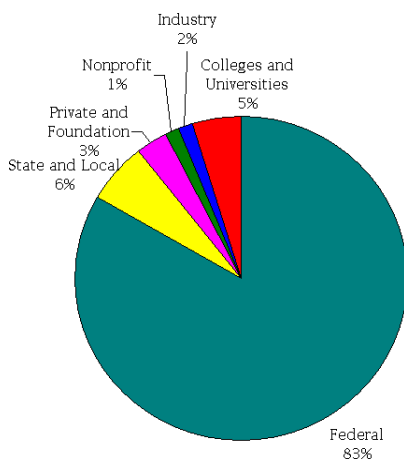

220 funded proposals
\$18,650,993 total funding
from 77 sponsoring agencies

UNC Wilmington's expanding sponsored research portfolio provides valuable support for our prestigious faculty's effort to solve important problems facing people, government and industry in Southeastern North Carolina and around the world.

-Robert Roer, PhD

Dean of the Graduate School and Research
