Regional Science Fair News

Mr. Bill Kawczynski met with county representatives to discuss the changes to this year's science fair competitions at the regional and state levels. The regional fair will be held at UNCW on February 26th. GK-12 Fellows will be serving as judges for the regional science fair. Fellows can also judge their school fairs, but may not judge the county science fair. For more info go to: <http://www.ncsta.org/sciencefair/>

GTA 501 Meeting

The next GTA 501 class will meet Tuesday, September 28th in De Loach 105.

Monthly GK-12 Meeting

The next full GK-12 meeting will take place Tuesday, October 5th at 4:45 pm in De Loach 105.

Fall into Science

Welcome the start of the fall season by integrating one of the following science activities into your classroom. These fall themed activities support the NC 6th grade science curriculum.

Goal 3: Lithosphere
