

**Office of Housing and Residence Life**  
**University of North Carolina Wilmington**  
**GREEN TEAM Member**  
**Position Description**

---

Green Team members are responsible for initiating and coordinating the recycling efforts in residential areas on the UNCW campus. Green Team members should be self-starters, motivated, able to work independently, and have a passion for the promotion of recycling and sustainability.

The responsibilities of Green Team members are numerous and varied; they include, but are not limited to the following:

**Recycling Collection**

- Collect recyclable materials from all designated recycling centers within residential areas in a consistent and scheduled manner
- Assist in the sorting of any comingled or contaminated collection bins
- Coordinate the delivery and drop off of recyclables to the designated UNCW collection area by Housing and Residence Life vehicle
- Assist in recycling collection at large-scale programs hosted/co-sponsored by HRL (RHA, Area Chapters, or Residence Halls)

**Recycling Center Maintenance**

- Ensure that recycling centers are appropriately labeled
- Ensure that collection bins have necessary lining
- Clean recycling bins/locations when necessary

**Education and Programming**

- Develop active/passive programming which relates to sustainability and recycling (i.e. Bulletin Boards, interactive events, contest)
- Develop educational opportunities for other UNCW community members
- At least one team member will have membership on the HRL Sustainability Initiatives Committee

**On-Going Training and Education**

- Serve as an advocate for sustainable living in your day-to-day life.
- Stay abreast of current practices and trends as it relates to sustainability and recycling at UNCW and abroad through self education, conferences, webinars, etc.
- Attend weekly or bi-weekly (as needed) Green Team meetings.

**Compensation**

- Hourly pay rate (min. \$7.25/hour, \$.25 raise after each year), 6-8 positions
  - Volunteer positions also available (with similar responsibilities as detailed above)
- Green Team members may work no more than 8 hours in a week.
- Leadership and service learning experience
- Some training expenses (Does NOT include academic coursework/tuition remission) and conference registration
- T-shirt and Polo

**Other duties as assigned**

**Each Applicant should**

- Have a valid North Carolina drivers license with proven driving record
- A positive attitude and sense of work ethic
- A desire to promote sustainability and recycling efforts
