

Attending a university of UNCW's caliber represents an extraordinary opportunity. It is an opportunity the UNCW Parents Council hopes to preserve for the bright, deserving students of UNCW. The UNCW Parents Council seeks to enrich students life on campus and in the classroom.

The Division of Student Affairs has embarked on a University Union project that will double the size of the Union space and programs available to the students on campus. We strive to give the students an incredible experience on campus with special programming, meeting space, social space and dining options. By building a new Student Center and renovating the current University Union and Burney Center, we hope to create a Core Campus for students, a natural gathering place.

The Executive Committee of the Parents Council has agreed to give this project the finishing touch it needs by building a Colonnade that will connect all three buildings. This Colonnade will be a source of dignity for students, and will instill in them a sense of tradition and pride in their alma mater. The Colonnade will become a long-standing symbol of excellence at UNCW and all will know it was made possible through the generosity of the Parents Council of UNCW.

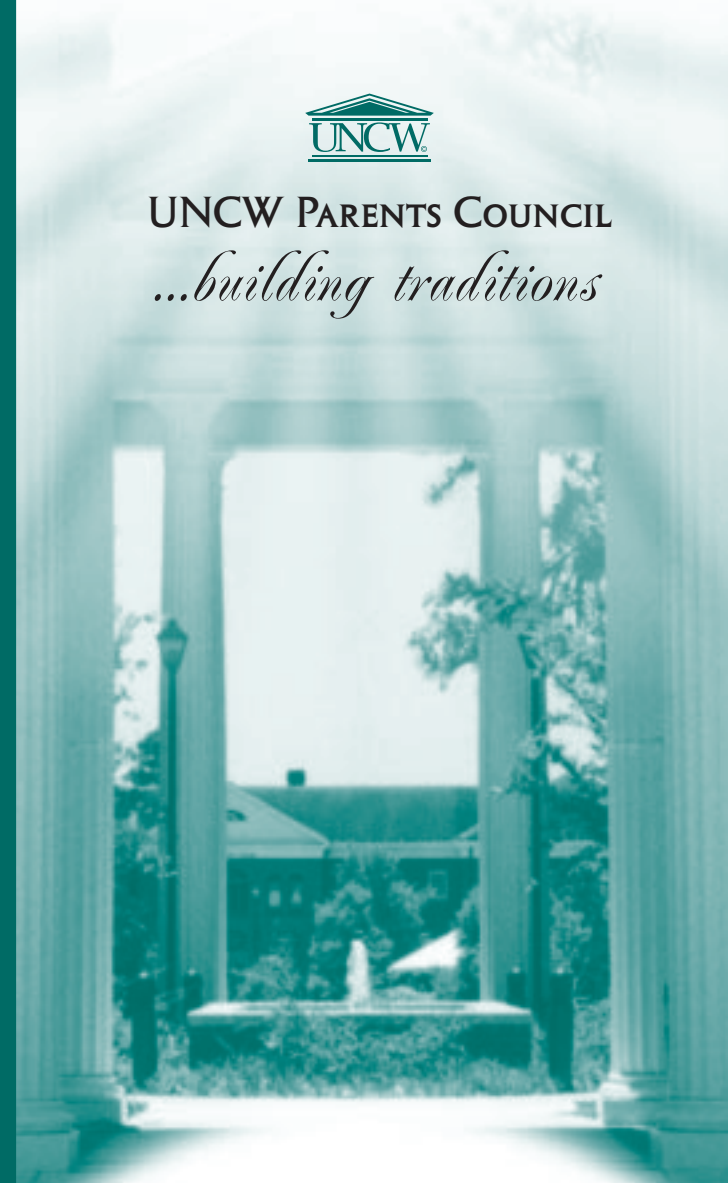

Unlimited possibilities await your student behind each door. Please join us and help to continue to make a difference in their lives by becoming a member of the UNCW Parents Council. With your contribution, you will be part of the select group of Parents shaping the future of this university.

The University of North Carolina Wilmington is emphatically committed to and will provide equal employment and educational opportunity. Questions regarding program access may be directed to the Compliance Officer, UNCW Chancellor's Office, 910.962.3000, Fax 910.962.3483.

Colonnade
2004-2006
Campaign

UNIVERSITY OF NORTH CAROLINA WILMINGTON

Membership

EXECUTIVE COMMITTEE OF THE UNCW PARENTS COUNCIL

Members of the Executive Committee of the UNCW Parents Council agree to give or raise at least \$10,000 to the Colonnade Campaign during academic years 2004-2005 and 2005-2006.

Benefits:

Naming Opportunity – Commemorative brass plaque fixed to an individual column on the new Campus Colonnade

Meet and work with other UNCW Parents from around the state and country

Host/Attend the Summer Send Off receptions

Attend Executive Committee Project meetings throughout the year with Chancellor and Vice Chancellor

Attend Fall and Spring Parent Council At-Large meetings

Interact with the Chancellor and other senior level administrators

Membership in the UNCW Chancellor's Club

Invitations to special events throughout the year

Direct Staff Support contact on campus

UNCW PARENTS COUNCIL MEMBERS AT-LARGE

At-Large Members of the UNCW Parents Council agree to give \$1,000 a year for two years to the Colonnade Campaign.

Benefits:

Naming Opportunity – Name listed on a commemorative plaque on site of Campus Colonnade

Meet and work with other UNCW Parents from around the state and country

Host/Attend the Summer Send Off receptions

Interact with the Chancellor and other senior level administrators

Membership in the UNCW Provost's Club

Invitations to special events throughout the year

Direct Staff Support contact on campus

UNCW PARENTS COUNCIL

Colonnade 2004-2006 Campaign

Goal

\$325,000

UNCW Parents Council Colonnade Campaign
July 2004 - May 2006

Our goal is to raise \$325,000 to build the Colonnade to connect the three building that comprise the University Union Project and enhance the Core Campus of UNCW.

The Union building and expansion begins August 2004 and will be complete Spring 2006. At that time, the Colonnade will be constructed to connect the current University Union, the Burney Center and the newly constructed Student Center.

The Parents involved in 2004 – 2006 will be forever remembered for providing this symbol of excellence to the Union project, and all members of the Executive Committee of the Parents Council and Parent Council Members-At-Large will be so named on the finished product.

UNCW Parents Giving at any level

UNCW appreciates the generosity of all donors, and welcomes your participation at whatever level you feel comfortable.

We hope all Parents will be a part of this project!
