Students enrolled in the Online Accelerated Program (RN to BSN) should refer to the [Online Accelerated Program webpage](#) for due dates and related information.

**Summer Billing**

UNCW Summer Sessions consists of two billing periods:

- **Summer I**: E-Bill available May 2nd due May 22nd
- **Summer II**: E-Bill available June 6th due June 28th

- The Summer TealPay 3 Payment Plan will be available May 4th-May 22nd.
- Enrollment in the Summer Teal Payment Plan will include both Summer I and Summer II charges.

Fall 2017 TealPay Plan information will be available in the June Newsletter.

**Special Points of Interest:**

- Summer loans will disburse to your student account at the beginning of the session in which you actively attend the required number of hours to be considered half-time (for financial aid purposes: 6 credit hours for undergraduate and 4.5 credit hours for graduate in an approved half-time or full-time equivalent course). For example, an undergraduate student enrolled in 3 semester hours in Summer session I and 3 hours in Summer session II will have loan funds disbursed at the start of Summer session II. All students who have split enrollment should plan to pay for books and other personal expenses in advance. Emergency loans (financial aid advances) are not available during the summer term.

- Students who will not reach half-time enrollment until Summer II and have federal loans pending will not be dropped for Summer I non-payment. The federal loan will disburse at the beginning of Summer II.

**Fixed Tuition Program for Undergraduate NC Residents**
The University of North Carolina Wilmington is implementing the Fixed Tuition Program as required by [North Carolina General Statute § 116-143.9](#). As required, beginning with the fall 2016 semester, tuition rates at all UNC institutions will be fixed for eight consecutive semesters for all resident bachelor’s degree-seeking freshmen. Tuition rates for other currently enrolled resident undergraduates and eligible transfer students will be fixed for an appropriate number of consecutive semesters.

The Student Accounts and Cashier Office is always seeking to improve. Please complete our [60 second survey](#) and let us know how we can make your experience better.
