****For information on the Teacher Education Program admissions criteria and the courses required for licensure (i.e. certification) in North Carolina, see the Watson School of Education section of the undergraduate catalogue or the Watson School of EDN WEB site: <http://www.uncw.edu/ed/>. Students planning to pursue licensure should apply to the Watson School of Education as soon as admissions requirements are met (typically in the sophomore year) and plan their programs in regular consultation with their advisors. Teacher licensure requirements are established at the state level and may be changed by the state at any time.**

¹ Students interested in the degree program in MAT are encouraged to begin w/ MAT 161. Initial placement is based on high school background and the MAT Placement Test. Students not prepared for MAT 161 should begin w/ MAT 115 or 111-112, as appropriate.

²**Computer Competency Requirement:** MAT 161-162, 261, and 335; STT 215 and CSC 112 or 121

An overall average of "C" (2.00) or better is required for all 300-400 level MAT or STT courses counted toward the major.

**These courses require a lab*

+May also be used to satisfy Basic Studies requirements

(3) ELECTIVES

_____ Elective hours to equal a minimum of 124 hours

Requirements to declare MAT: Completion of 24 hours
