### How to find your advisor’s name & contact information

To find your advisor’s name and contact information, follow these steps:

1. **Access the Student Services & Financial Aid System**
   - Navigate to the official university website.
   - Log in to your student account.
   - Go to the Student Services & Financial Aid section.

2. **Check Your Adviser Information**
   - Look for the option to view your academic information.
   - This will typically include your advisor’s name and contact information.

3. **Contact Your Advisor**
   - If the information is not available online, contact your advisor directly via email or phone.
   - Ensure you have the correct contact details before attempting to reach out.

### Additional Tips
- **Visit the Advising Office**
  - Many universities have an advising office where you can find your advisor.
  - This is a good place to start if you need assistance.

- **Check University Policies**
  - Familiarize yourself with the university’s policies regarding advising.
  - This can help you understand the structure and process of your academic guidance.

By following these steps, you should be able to find your advisor’s name and contact information effectively.
