Graduate DE Coordinator and Lecturer

The Department of Chemistry & Biochemistry at the University of North Carolina Wilmington invites applications for our Graduate Distance Education (DE) Coordinator, a 12 month, nontenure-track position, starting by July 15, 2016, but as early as April 15, 2016. A Ph.D. in chemistry or chemistry related field and industrial experience are required.

Our unique distance masters program provides graduate level chemistry courses to students all over the world and is one of the only Chemistry masters DE graduate programs in the world. The successful candidate is expected to develop excellence in teaching upper level undergraduate and graduate courses, both to our local and DE students. The coordinator also recruits, advises and advocates for our DE graduate students throughout their program.

Review of applications will begin March 10, 2016 and continue until the position is filled. For more information and to apply, please visit http://jobs.uncw.edu/hr/postings/4332. Applicants must apply online and include a cover letter, curriculum vitae and names of three references.
