Embedding a YouTube Video Link in Blackboard

The following steps will guide you through the steps of placing your embedded YouTube video link into Blackboard.

1. Sign into your YouTube account at youtube.com.

2. Click on your profile, in the upper right hand corner.

3. Click on the Creator Studio button.

4. Click on VIDEO MANAGER.

5. Click on the video you want to upload.

6. Click on Share

7. Click on Embed and copy the URL.
