TRANSFER ADMISSION CRITERIA

UNCW uses a holistic approach to review transfer students’ applications and will consider several aspects of your application in making our admission decision.

In order to be competitive for admission, applicants are recommended to have at least:

- Met high school minimum requirements if under the age of 21
- 24 hours of college-level coursework (12 should be complete, the remaining 12 can be in progress)*
- A cumulative 2.5 GPA on a 4.0 scale on all transferable work attempted from all institutions attended**
- Eligibility to return to the last institution attended

Applicants with the following courses completed or in progress have a higher likelihood of gaining admission:

- 3 hours of college-level Math
- 6 hours of college-level English

* If you have fewer than 24 transferable hours of college-level coursework completed or in progress please submit SAT or ACT scores for review.

**Please note: Grades below a C, including "C-" will not transfer but are included in the GPA calculation.

HIGH SCHOOL REQUIREMENTS

All applicants must have done one of the following:

- Graduated from an accredited high school
- Obtained a General Equivalency Diploma (GED)
- Received an Adult High School Diploma

If under the age of 21, applicants must have met Minimum Course Requirements in high school unless they have already completed 24 hours of college-level coursework.

HIGH SCHOOL MINIMUM COURSE REQUIREMENTS (MCR)

- Four (4) Course Units of English
  Emphasizing grammar, composition and literature.

- Four (4) Course Units of Mathematics
  Including algebra I, geometry, algebra II and a fourth mathematics course for which algebra II was the prerequisite. This may include pre-calculus, advanced functions and modeling, discrete math, college algebra, AP - or IB - level calculus, statistics, etc.

- Three (3) Course Units of Science
  Including at least one course unit of a physical or chemical science (chemistry, physics, physical science, etc.) and one course unit of a life or biological science (biology, oceanography, anatomy and physiology, etc). At least one course unit must contain a laboratory portion.

- Two (2) Course Units of Social Studies
  Including at least one course unit of United States history.

- Two (2) Course Units of the Same Foreign Language
  Two consecutive units of the same foreign language. American Sign Language (ASL) does fulfill the foreign language requirement in North Carolina.
TRANSFER CONSIDERATIONS

TRANSFER OF CREDIT
Please visit the Transfer Credit Equivalencies website to see how your coursework may transfer. UNCW will accept a maximum of 93 semester hours of credit from a four-year institution and 64 semester hours of credit from a two-year institution. Credit earned at another institution with a grade of a “C” or better is accepted by the university if the coursework is comparable to courses at UNCW. Please note grades below a “C” (including a “C-”) are not transferable.

For more information on transfer of credit, AP, IB or CLEP, visit uncw.edu/admissions/TransferCredit.

ACTIVE-DUTY AND VETERAN SERVICE MEMBERS
uncw.edu/military

Military applicants who have served at least two years must submit an official Joint Services transcript (JST) or Community College of the Air Force transcript for consideration of credit. General and departmental elective credit will be awarded (as applicable) with submission of transcript(s). Basic Training will fulfill the university’s physical education requirement.

FORMER UNCW STUDENTS
uncw.edu/reg

Students who left in good academic standing and who have been away from UNCW for at least two consecutive semesters (excluding summer) and wish to return to the university can apply as a re-enrolling student through the Office of the Registrar.

COMPREHENSIVE ARTICULATION AGREEMENT (CAA)
The North Carolina General Assembly, the Board of Governors of the University of North Carolina and the State Board of Community Colleges are committed to simplifying the transfer of credits for students, thus facilitating their educational progress as they pursue associate or baccalaureate degrees with public post-secondary institutions in N.C. The CAA is a statewide agreement governing the transfer of credits between N.C. community colleges and state public universities. Its objective is to facilitate the smooth transfer of students, providing certain assurances to the transferring student by identifying community college courses that are appropriate for transfer as electives and specifying courses that satisfy pre-major and general education requirements.

* For the most up-to-date information, visit northcarolina.edu and search Comprehensive Articulation Agreement.
