*estimated cost

Note: The above figures are estimates and are subject to change. Total cost of attendance is calculated to help students anticipate their costs and to determine eligibility for financial aid. Some students will spend more than the typical amounts, others less, depending on individual lifestyles and circumstances. Eligibility for financial aid is based not on individual preferences and spending habits, but instead on standard budget allowances.

Tuition Cost Per Credit

[uncw.edu/studentaccounts/tuition_fees.html](http://uncw.edu/studentaccounts/tuition_fees.html)

(These rates apply to part-time students, students in the Online Accelerated RN-to-BSN Program and students pursuing classes through distance education.)

Residency for Tuition Purposes

[uncw.edu/admissions/Residency.html](http://uncw.edu/admissions/Residency.html)

In compliance with state law, the University of North Carolina system now requires students to request a residency classification from the Residency Determination Service (RDS). RDS is the entity responsible for all new classifications of residency in North Carolina. After completing a determination, you will receive a Residency Certification Number (RCN) [https://ncresidency.cfnc.org](https://ncresidency.cfnc.org).

Active duty service members, military veterans and their dependents may qualify for the in-state tuition benefit. For more information, please visit [uncw.edu/admissions/MILResidency.html](http://uncw.edu/admissions/MILResidency.html).

Financial Aid, Loans and Scholarships

- **Applying for Aid**
  To receive financial aid, all eligible students must complete the Free Application for Federal Student Aid (FAFSA). It is available as of Oct. 1 at [www.fafsa.ed.gov](http://www.fafsa.ed.gov) for students to complete for the new academic year. You must re-apply each year you are in school.

  **UNCW has a priority filing date of Jan.1.**
  The earlier you apply, the greater your chances for receiving grant dollars, if you are eligible.
  **UNCW’s school code is 002984.**

- **Loans**
  For more information on loans and other types of aid, visit [uncw.edu/finaid/types.html](http://uncw.edu/finaid/types.html).

- **UNCW Scholarships**
  The UNCW scholarship process includes a number of awarding entities throughout the university, including the Office of Scholarships and Financial Aid, academic departments, the alumni association and others. Some awarding entities use the scholarship application located on the Office of Scholarships and Financial Aid website: [uncw.edu/finaid](http://uncw.edu/finaid).
  You must be a newly admitted or current student to access the scholarship application.

UNCW will accept a maximum of 93 semester hours of credit from a four-year institution and 64 semester hours of credit from a two-year institution. Credit earned at another institution with a grade of a “C” or better is accepted by the university if the coursework is comparable to courses at UNCW. Please note grades below a “C” (including a “C-”) are not transferable but are included in the GPA calculation.

For more information on Transfer of Credit, AP, IB, CLEP or Dantes Subject Standardized tests, visit uncw.edu/admissions/TransferCredit.html.
