Managing transcript requests/delivery for processing by AARM:

Candidate chosen for a permanent or temp faculty position must have official undergraduate and graduate transcripts for degrees awarded/confirmed, as well as official transcripts reporting course work completed to date. This applies to BoT contingent hires into permanent faculty positions and TE hires and Teaching Assistants listed as instructor of record with faculty mentor listed for whom master or doctoral level course work in discipline is required to meet qualifications for certification.

Two steps:
1) Following the verbal confirmation of offer, new hire should be informed that:

   **Electronic transcripts are required when offered by the issuing institution and should be requested as soon as possible.** Email to be given to issuing institution is:

   aarmtranscripts@uncw.edu (Academic Affairs Resource Management)

   If a contact name is required to complete the request, please use the department chair or departmental point of contact assisting you with collection of your hiring packet forms and paperwork.

   **Processing of hard copy transcripts received via US Postal Service should continue to be sent to the collection point in the Unit/Department where it should be opened, reviewed for information needed to complete the Certification of Credentials form and be included in/routed forward with the hiring packet materials**

2) The **UNCW designated representative** assisting in the collection of the required personnel hiring packet paperwork and forms should then email aarmtranscripts@uncw.edu alerting AARM that electronic transcripts may be incoming for this individual.

BEFORE you send the the completed template, as a separate, **stand alone email for each new hire**, please check to to sure the following steps have been completed:

- **LAST Name, FIRST Name** _ for the new hire has been added to the subject line of the email.
