

UNC Wilmington

Finance Training Program

Finance Training Program

- Finance Training Committee
 - Established in early 2008
 - Develop a unified finance training program
 - Committee members
 - Julia Dudley, Accounting
 - Cindy Hucks, Budget Office
 - Starkey McGowan, Purchasing
 - Susan Thornhill, Student Accounts
 - Donna Budd, Training Coordinator
 - Diana Rivenbark, Chair

Finance Training Program

- Committee recognized that:
 - Employees need strong knowledge base of processes and procedures
 - As new technology is added, employees need to know how to utilize the systems
 - Efficient and accurate financial processing is contingent on an employee's ability to understand and use these processes, procedures and systems
 - There are specific training needs for different users of the finance processes and systems
 - Two unique finance training programs were needed

Finance Training Program

- **Finance Training for Management/Faculty**
 - training courses are designed to give a high level understanding of the subject.
 - Designed with an “If You Need to ...Then Register for...” course structure
