FEBRUARY 2019

MEETING SNAPSHOT

Guest Speaker: Shelley Morris, Internal Audit

Shelley spoke to Staff Senate about the role of UNCW’s Internal Audit team. From conducting risk assessments and audits to offering consultations and investigations, Internal Audit is here to protect campus from fraud, waste and abuse.

Learn more about Internal Audit by visiting their website or attending their course, INT 101: How to Pass an Audit. Sign up on the financial training website or request the course for your team.

Guest Speaker: Bill Kawczynski, Military Affairs

The Office of Military Affairs is celebrating its 3-year anniversary this April. In that time, the number of military-affiliated students at UNCW has increased from 1,550 to 2,140, exceeding the university’s goal.

How can staff get involved with Military Affairs?

• Stop by the Military Resources Lounge (Warwick Center) to learn more about the programs and resources available to military-affiliated students.
• Participate in a Green Zone training, where you’ll learn how to better support our military-affiliated population on campus. Sign up on the Dare to Learn Academy catalog.
• Attend Brig. General Donald Bolduc’s keynote “The Value of Authentic Leadership: Through Courage and Compassion” on March 4 at 4pm in the Burney Center.
