Special points of interest:

- * Summer loans will disburse to your student account at the beginning of the session in which you actively enrolled and attending the required number of hours to be considered half-time (6 credit hours). For example, an undergraduate student enrolled in 3 semester hours in Summer session I and 3 hours in Summer session II will have loan funds disbursed at the start of Summer session II. All students who have split enrollment should plan to pay for books and other personal expenses in advance. Emergency loans are not available during the summer term.
- * Financial Aid students taking 3 credit hours in summer I and 3 credit hours in summer II will NOT have their classes dropped for summer I non-payment. Student Accounts and Financial Aid will coordinate to identify and hold such students as the Financial Aid will post to the student's account at the beginning of summer II.
