Students enrolled in the Online Accelerated Program (short session) should refer to the Online Accelerated Program webpage for due dates and related information.

Billing and Payments

Fall E-bills will be uploaded on August 7th, and payments are due on August 30th. Students who have not paid in full or enrolled in a payment plan by August 30th are subject to having their classes dropped for non-payment.

Teal Pay Payment Plan

Fall 2018 TealPay 3 Plan enrollment will be available August 8th-August 30th in E-bill. Contact tealpay@uncw.edu with questions.

529 PAYMENTS: If 529 Plan payments will not be received by the bill due date, students and parents can email showing the transaction is in process. The Plan documentation should show the amount being processed and the student ID number.

Note: 529 payments cannot be used as a TealPay down payment.

International Student Payments

The most efficient means for a student using an international bank account to pay student fees is through Travelex’s Bank to Bank Transfer. This option allows you to pay the U.S. dollar charges in the currency of your choice and provides you with a simple and secure way of initiating a payment electronically. Please view our website for more information and a direct link to Travelex.

Refunds

Student Accounts begins to issue refunds no earlier than the first week of Fall 2018. Students who have not paid in full or enrolled in a payment plan by August 30th are subject to having their classes dropped for non-payment.

Be sure to complete the Title IV authorization form authorizing Student Accounts to apply Federal financial aid to non-institutional charges and/or apply current year financial aid to prior year charges up to $200.

Setting up Authorized Users:

Please take a moment to set up your authorized users in E-bill. Authorized users will be able to view, pay and receive email notification of due dates and reminders on your billing activity.

Planning Ahead…1098-T

Students are not required to provide a social security number on the UNCW application; however, the IRS requires the student’s social security number for 1098T tax reporting. The 1098T tax form is a starting point for tax credit determination. You may login to SeaNet to enter your social security number to be used for tax reporting purposes.

Student consent to receive a 1098T statement online and to grant authorized users access may be completed in E-bill.

Taking these actions now will prevent delays in receiving this tax document in January.

Health Insurance

Health insurance is mandatory. If you are covered under private insurance you must waive out of the student health insurance each semester and submit proof of your insurance. The deadline to waive for Fall 2018 is September 10, 2018. If you fail to submit proof of insurance, you will be charged $1,293.88 per semester for the UNCW insurance.

Did you know….

That the Student Accounts Office and The Financial Aid Office grant separate access (FERPA) to the student’s account? Students can allow parents or anyone they choose to access to their billing and student account information through our Authorized user option within E-Bill. Any access to Financial Aid information is given via the SeaNet Proxy.

Tuition Surcharges 2018-2019 Academic Year

Tuition surcharges are posted to student accounts when 140 hours are exceeded to complete a Bachelor’s degree. The tuition surcharge rate is 50% for the 2018-2019 academic year and will be added to the student’s bill in October. Please visit the Registrar’s website for information on how the surcharge is calculated.

The General Assembly amendment (Section 9.10.(a) of Session Law 2009-451) instituted the fifty percent (50%) tuition surcharge in 2010 and applies to all undergraduates seeking a baccalaureate degree.

Fixed Tuition Program

As required, beginning with the Fall 2016 semester, freshmen resident bachelor’s degree-seeking tuition rates at all UNC institutions will be fixed for eight consecutive semesters. Tuition rates for other currently enrolled resident undergraduates and eligible transfer students will be fixed for an appropriate number of consecutive semesters.

Students can view and track their assigned cohort information by logging into: SeaNet > Student Services and Financial Aid > Fixed Tuition Information.
