IMPORTANT AUTHORIZED USER EMAIL INFORMATION

Student Accounts would like to notify students that any authorized users with an email address that ends in twc.com,roadrunner.com or anything .rr.com may not be receiving our communications. Authorized users with these addresses may also find they will not receive a password reset email if they have forgotten their E-Bill login password. Student Accounts apologizes for this inconvenience but it is not a system issue from the University, rather a limitation by the email provider. You can find more information here: TWC Postmaster Website

We suggest adding your authorized user with a different email address to avoid them missing any critical information.

Is your Primary Mailing address current?

It is important to have your primary mailing address listed in SeaNet up to date so that you receive any hardcopy communication from UNCW in a timely manner, including a paper check or tax form 1098-T if you did not consent to receive electronically. Please take a few minutes to verify that your mailing address is current. Thank you.
