GOT TEXT MESSAGING

Students and Authorized Users may choose to receive a text message in addition to the e-mails sent to you regarding notification of a new E-Bill statement or E-refund. You can elect this option by logging into E-bill and updating your personal profile with your mobile phone number and cell phone carrier. Once you're set up you'll receive a text message each time an E-bill statement is available and each time a refund has been posted. Charges are based on the text message plan with your mobile carrier.

Consent to receive your 1098-T tax form electronically!

IRS regulations state that each student who files a request to receive a 1098-T tax form electronically must also provide his/her consent electronically. The first time you log into the E-bill system you will be prompted to Accept Consent to state your intent to receive your 1098-T tax form electronically for each year that you attend UNCW. Furthermore, you agree to log into E-bill to print, email or save your 1098-T. With this consent for an on-line electronic 1098-T, please understand that a paper copy of your 1098-T will NOT be mailed. If your authorized user needs the 1098-T you will need to select your Authorized User tab and update the options to allow them to have access to this form.
