Billing Information

E-bills will be uploaded on September 6th and are due September 27th. Non-payment of this bill by the due date will result in registration, transcript and diploma holds.

September 11th is the last day to opt out of health insurance.

Tuition Surcharges 2017-2018 Academic Year

Tuition surcharges are posted to student accounts when 140 hours are exceeded to complete a Bachelor's degree. The tuition surcharge rate is 50% for the 2017/2018 academic year and will be added to the student's bill in October and due October 24th. Please visit the Registrar's website for information on how the surcharge is calculated.

Planning ahead…..1098-T and Financial Aid

- Students are not required to provide a social security number on the UNCW application; however, the IRS requires the student's social security number for 1098T tax reporting. The 1098T tax form is a starting point for tax credit determination. The 1098T provides the tuition and fees billed and scholarships/grants awarded during the calendar year. You may login to SeaNet to enter your social security number to be used for tax reporting purposes.

- Student consent to receive a 1098T statement online and to grant authorized users access may be done in E-bill.

- Taking these actions now will prevent delays in receiving this tax document in January.

- Please mark your calendar to complete the new “Early FAFSA” on October 1, 2017 for the 2018/19 academic year using your 2016 tax information. For more information, contact the Office of Scholarships and Financial Aid.

Refunds

Students will need to establish an E-refund account on the E-bill site to receive any excess funds from loans, overpayments, scholarships and grant monies. Set up your E-refund account today to avoid future delays due to paper check processing. Federal financial aid awards can only be applied to current year allowable institutional charges; tuition, mandatory student fees, room and board. Be sure to complete the Title IV authorization form authorizing Student Accounts to apply Federal financial aid to non-institutional charges and/or apply current year financial aid to prior year charges up to $200. If the student has any balance after a refund has been issued it is their responsibility to make the payment by the due date in E-Bill.

Did you know....

That the Student Accounts Office and The Financial Aid Office grant separate access (FERPA) to the student's account? Students can allow parents or anyone they choose to access to their billing and student account information through our Authorized user option within E-Bill. Any access to Financial Aid information is given via the SeaNet Proxy.
