(3) ELECTIVES

- _____ Elective hours to equal a minimum of 124 hours

Students seeking admission to the FST major must complete a two-stage process, beginning with admission to the pre-film studies PFST major.

Requirements to declare PRE-FST: Completion of 24 hours and earn a grade of B- or better in FST 200. ***Note:*** Applicants who earn a “B+” or better in FST 200 will be admitted automatically to the PFST major, upon submission of a brief application. Applicants who earn a “B” or “B-” in FST 200 must compete for a limited number of seats in the PFST major by submitting an application for review by department faculty that includes a degree audit and essay, demonstrating suitability for the major. Students who earn a “C+” or lower in FST 200 will not be admitted to the major.

Requirements to declare FST: Before they are admitted to the major, students must demonstrate their skills and dedication to the study of film by completing 9 hours in core courses in film studies with a minimum grade in each course of “B-” and an overall grade point average of “B” (3.00) or better in the three courses. After successfully completing the three core courses, students must also submit an application for admission, which will be evaluated by Film Studies faculty. Successful applicants will then be admitted to the major.

For purposes of admission to the PFST and FST majors, the department only credits students’ first registered grades in core courses.

Students seeking an internship course in film studies must have a minimum of 12 hours in previous FST courses, junior or senior standing, and an overall 2.50 GPA. They must also submit an application in order to receive permission from the chair of FST to enroll in the internship course.
