

Cameron School of Business- Student Services Advising Center

Fact Sheet for Pre-Business Majors

HOW DO I GET ADMITTED TO THE CAMERON SCHOOL OF BUSINESS?

- **The Admission process starts while you are still in University College- as soon as you express an interest in Business.** Your UC advisor will guide you in taking (as many as possible) University Studies courses that are also required for admission to the Cameron School of Business (CSB). When you have at least 24 hours of earned credits, you can declare your “Pre-Business” major.
- **Declare “Pre-Business” as your major through MySeaPort.** Although this does not guarantee your admission to the Cameron School of Business, students who meet **all** admission criteria will be accepted. Admission requirements are outlined below:
 - Complete each of the following UNCW courses with at least a “C-“: ENG 100 or 101, 200 or 201, (ENG 103 may be substituted for ENG 100/101 and ENG 200/201); MAT 151 or 161; QMM 280; ACG *201; ECN 221, 222 and MIS 213.
 - Complete a minimum of 30 credit hours.
 - Complete at least 12 credit hours within the Cameron School of Business.
 - Earn an overall grade point average of at least 2.70 on a 4.00 scale in all course work attempted at UNCW.
- **Review your Degree Audit from SeaNet.** Your audit confirms the following information:
 - Your major has been correctly recorded.
 - The name of your new faculty advisor. (*Note: Advisors are manually assigned based on your concentration- there may be a slight delay between declaration and advisor assignment*)
 - Courses you have completed and those you need to fulfill both admission and graduation requirements.
- **Complete the Cameron School of Business online orientation/admission application *immediately after the Registrar has recorded your “PRE-Business” major declaration, regardless of whether admission requirements have been completed.*** Students who are in the process of completing requirements will have an application status of “pending.” CSB Student Services will review pending applications each semester and will notify students as soon as they are accepted. To access the admission application, log into the CSB Portal (accessible under “quick links” on the CSB web page), create a password, and click on the application link.

WHERE MAY I RECEIVE ADDITIONAL INFORMATION ABOUT THE CAMERON SCHOOL OF BUSINESS AND THE STUDENT SERVICES ADVISING CENTER?

- **Review the “Advising” link on the CSB website. On this site you will find important information on Options (disciplines within Business) available to study, and Option worksheets which will outline specific courses you need to complete.** Once you choose an option, you should use your Degree Audit to complete the worksheet and use it for future course planning.
- **Your new Advising Center is Cameron Student Services, located in Cameron Hall, room 121.** Although you will have advising appointments with your faculty advisor (who teaches in your Option of choice), the Student Services Advising Center is available for you from 8-5 M-F. No appointments necessary. We can also be reached at **910-962-3899.**
