

CAPE FEAR HABITAT WOMEN BUILD WEEK MAY 7, 2019

About the Women Build

Our goal is to build a home in partnership with a local hardworking family and provide access to an affordable mortgage. This home will be funded and constructed primarily by women and will provide a female-friendly work site that empowers women to take leadership roles and learn new skills while building homes, community and hope.

Team UNCW

Students, alumni, faculty, and staff—will raise \$5,000 and will join in the build on **May 7, 2019**.

Please make a donation or join our team today!
